Change Your Mind to Change Your Reality Kris Ashley, 2023-06-20 In *Change Your Mind to Change Your Reality*, Kris Ashley lays out a roadmap to guide readers toward living the best life possible. Drawing on the Law of Attraction, experiments in quantum physics, manifestation practices, and various healing modalities, the author guides the reader toward inner courage and compassion. By questioning long-held truths and accepted beliefs about the world, readers can work toward building more authentic relationships, taking charge of their physical and mental health, letting go of fear, and finding their purpose and passion in life. Through thoughtful exercises, stories, and new approaches to forgiveness, resiliency, and motivation, readers will be empowered and uplifted.

The Importance of Acknowledging Childhood Trauma in the Clinical Field Rita Ballantyne, 2024-05-23 There is a distinct lack of discussion pertaining to the lasting damage narcissistic parents inflict on their children, a shortfall so intense that some of the victims themselves don't recognise the harm done to them either, or accept the abuse as being their fault. One of the saddest things is that most children or grown-up survivors never get help or relate their lifelong relationship troubles back to their real origins. They are often categorised by society as having only suffered emotional abuse at best. It is disappointing how lots of professionals and, in particular, physicians and counsellors, minimise the pain those who have lived through lasting emotional trauma are feeling and the impact it has on the patients' physical and psychological well-being. Don't judge and condemn what you don't understand. By taking the reader through my own personal journey dealing with this kind of abuse, I aim to present how detrimental emotional abuse can be and try to bridge that above mentioned gap in general knowledge.

Developmental Ruptures Anna Maria Nicolò,2024-02-29 This book questions the diagnostic categories applied to adolescents from a developmental viewpoint, putting forth an alternative perspective for assessment that considers prognostic and risk indicators. Going beyond the classification of adult psychopathology, Anna Maria Nicolò presents a multidimensional approach to the adolescent mind that explores its complexities through a clinical lens and accompanying theoretical prism. Often, crises in adolescence might well mark the onset of a psychotic process that does not respect phase-specific tasks. Yet in other cases, such developmental ruptures are the opportunity for a positive reorganisation of personality. In this way, adolescence may highlight latent childhood functioning or allow for new integrations. Therefore, accurate diagnosis and early intervention are necessary to enable the developmental reorganisation of both the patient and the family. Drawing on clinical case material, this book provides readers with the practical and theoretical tools to intervene in developmental ruptures. Developmental Ruptures will appeal to psychoanalysts, psychiatrists, and developmental psychologists, as well as to people working with psychotic onset and crises emerging particularly at the outset of puberty or young adulthood.

Brave Beauty Lynn Cowell,2017-08-29 100 courage-building moments to help girls 8-12 explore who they are, easing their fears and anxiety, while inspiring them to strive towards the woman they want to be through this exciting yet confusing season of change. From Proverbs 31 Ministries speaker and blogger, Lynn Cowell, comes Faithgirlz' Brave Beauty: Finding the Fearless You. These 100 motivating moments guide tween girls to reflect on Scripture and find confidence in God, rather than in someone, some place, or some thing, as pop culture is already telling them. Build a strong foundation to face the fickle, sometimes hurtful opinions of others. Find approval of herself even when she lacks the acceptance of others. Walk confidently through the exciting, yet scary world of growing up by turning to Christ step by step. Featuring a gorgeous, foil decorated hardcover and beautifully formatted pages modeled after the well-known and loved Faithgirlz brand of books, Lynn's relatable, conversational tone makes it easy for girls to feel like they're in a safe place spending time with a close friend.
