**Covidivorce** Vittoria Venus,2023-02-20 I actually do have Covid to thank for my Divorce so when the two words magnetised themselves together, it depicted my situation perfectly. One day when my grumpy Ex persisted to whinge at me at the way I was hanging out his washing after 32 years of marital non-bliss I had one of many epiphanies at the time. I could not be married to this man any longer. This autobiography stems from my childhood memories in Kiev right through to current day, and everything in between. The Good, The Bad, The Ugly and the Erotic. It is about my darkness and more pivotally my awakenings. When life gives you lemons, trust the Universe to serve you some sugar and make lemonade with them. For Darkness always passes, as certainly as the sunrise on an emboldened new day.

Peter had been sober in the 12-step recovery program for many years and had recovered from his alcoholism. Peter's love of Nature had brought him to the Newburyport area. This area is rich with Nature's treasures, Native American Heritage and many tales from the tall cargo ships of olden days. High street was lined with homes of these Sea Captains. Peter's awakening had given him new eyes and new highly evolved senses. Peter was to have powerful past lives experience with his Mystery Woman guide named Layne. Layne was a mystic that would tell people things about themselves that there was no way she could know. She would look you in the eyes and tell you your deepest secrets. She also knew about the Earth's electromagnetic grids and helped Peter understand what he was experiencing in Newburyport. Peter's new heightened senses could feel the electromagnet flow of energy and the convergence right below Market Square in Newburyport. Market

Square was one of the crossroads for these powerful electromagnet energies that gives life to our planet. Peter was to share the secrets that were revealed to him in his writings.
