The Road Goes Ever On and On Jeb Smith,2023-04-12 Engrossing...Tolkien's principles--patriotism, Medievalism, localism, Catholicism--are certainly out of fashion today. And yet they're the foundation for all his books, which have sold hundreds of millions of copies. Mr. Smith does a wonderful job of explaining why modern readers are so enthralled by Tolkien's reactionary vision. Whether you're a casual Lord of the Rings fan or a serious Tolkien scholar, every page of Mr. Smith's book will delight and fascinate. And if anyone ever tells you that fairy-tales are only for children, hand him this book. Tolkien ought to be regarded as one of the great social critics of our time, as Mr. Smith so masterfully demonstrates. - Michael Warren Davis is an editor for Sophia Institute Press and the author of The Reactionary Mind: Why Conservative Isn't Enough. You can find him on his blog, The Common Man. As the popularity of Tolkien's work continues to endure, the importance of Jeb Smith's work continues to grow. This is because of a prolonged siege against Tolkien's work: the attempt to dislodge it from its Christian and Biblical foundations. Jeb Smith's insights are immensely helpful to this and future generations of Tolkien admirers. Scott L. Smith, author of Lord of the Rings and the Eucharist J.R.R. Tolkien's Middle-earth has captured the imaginations of millions of readers around the world for generations. He is considered the father of modern fantasy, but few understand how Tolkien's worldview impacted his mythology. The Road Goes Ever On and On is the first book of its kind to place Tolkien within his proper context, giving the reader a deeper understanding of Tolkien and Middle-earth. Smith takes us on a quest through a wide range of Tolkien's writings to unlock Tolkien's perspective--a perspective that, like the elves who have sailed into the West leaving Middle-earth, has faded away from our world. You will gain an in-depth knowledge of Tolkien's views on politics, environmentalism, religion, and much more. From the Valar to Hobbits, the free peoples closely follow Tolkien's sentiments. In contrast, forces under the Shadow represent what Tolkien believed was immoral. Covering a wide range of topics, The Road Goes Ever On and On is filled with breathtaking illustrations bringing Middle-earth to life like never before, making this the 'one book to rule them all.'

Words Are My Matter Ursula K. Le Guin, 2019-10-22 A collection of essays on life and literature, from one of the most iconic authors and astute critics in contemporary letters. *Words Are My Matter* is essential reading: a collection of talks, essays, and criticism by Ursula K. Le Guin, a literary legend and unparalleled voice of our social conscience. Here she investigates the depth and breadth of contemporary fiction—and, through the lens of literature, gives us a way of exploring the world around us. In “Freedom,” Le Guin notes: “Hard times are coming, when we’ll be wanting the voices of writers who can see alternatives to how we live now ... to other ways of being, and even imagine real grounds for hope. We’ll need writers who can remember freedom—poets, visionaries—realists of a larger reality.” Le Guin was one of those authors and in *Words Are My Matter* she gives us just that: a vision of a better reality, fueled by the power and might and hope of language and literature.
