

Suzan Lori Parks In The Blood Pdf

Philip C Kolin,Harvey Young

Embodying Black Experience Harvey Young,2010-07 the highly predictable and anticipated arrival of racial violence within a person's lifetime --

Performing Gender Violence B. Ozieblo,N. Hernando-Real,2012-01-02 Violence against women in plays bywomen has earned little mention. This revolutionary collection fills that gap, focusing on plays by American women dramatists, written in the last thirty years, that deal with different forms of gender violence. Each author discusses specific manifestations of violence in carefully selected plays: psychological, familial, war-time, and social injustice. This book encompasses the theatrical devices used to represent violence on the stage in an age of virtual, immediate reality as much as the problematics of gender violence in modern society.

The Goddess Myth in Contemporary Literature and Popular Culture Mary J. Magoulick,2022-02-04 Honorable Mention for the 2022 Elli Kōngās-Maranda Prize awarded by the Women's Section of the American Folklore Society Goddess characters are revered as feminist heroes in the popular media of many cultures. However, these goddess characters often prove to be less promising and more regressive than most people initially perceive. Goddesses in film, television, and fiction project worldviews and messages that reflect mostly patriarchal culture (included essentialized gender assumptions), in contrast to the feminist, empowering levels many fans and critics observe. Building on critiques of other skeptical scholars, this feminist, folkloristic approach deepens how our remythologizing of the ancient past reflects a contemporary worldview and rhetoric. Structures of contemporary goddess myths often fit typical extremes as either vilified, destructive, dark, and chaotic (typical in film or television); or romanticized, positive, even utopian (typical in women's speculative fiction). This goddess spectrum persistently essentializes gender, stereotyping women as emotional, intuitive, sexual, motherly beings (good or bad), precluded from complex potential and fuller natures. Within apparent good-over-evil, pop-culture narrative frames, these goddesses all suffer significantly. However, a few recent intersectional writers, like N. K. Jemisin, break through these dark reflections of contemporary power dynamics to offer complex characters who evince "hopepunk." They resist typical simplified, reductionist absolutes to offer messages that resonate with potential for today's world. Mythic narratives featuring goddesses often do, but need not, serve merely as ideological mirrors of our culture's still problematically reductionist approach to women and all humanity.

The Kentucky African American Encyclopedia Gerald L. Smith, Karen Cotton McDaniel, John A. Hardin, 2015-08-28

The story of African Americans in Kentucky is as diverse and vibrant as the state's general history. The work of more than 150 writers, The Kentucky African American Encyclopedia is an essential guide to the black experience in the Commonwealth. The encyclopedia includes biographical sketches of politicians and community leaders as well as pioneers in art, science, and industry. Kentucky's impact on the national scene is registered in an array of notable figures, such as writers William Wells Brown and bell hooks, reformers Bessie Lucas Allen and Shelby Lanier Jr., sports icons Muhammad Ali and Isaac Murphy, civil rights leaders Whitney Young Jr. and Georgia Powers, and entertainers Ernest Hogan, Helen Humes, and the Nappy Roots. Featuring entries on the individuals, events, places, organizations, movements, and institutions that have shaped the state's history since its origins, the volume also includes topical essays on the civil rights movement, Eastern Kentucky coalfields, business, education, and women. For researchers, students, and all who cherish local history, The Kentucky African American Encyclopedia is an indispensable reference that highlights the diversity of the state's culture and history.

The Methuen Drama Anthology of American Women Playwrights: 1970 - 2020 Wesley Brown, Aimée K.

Michel, 2020-05-14 In this exciting new anthology, Wesley Brown and Aimée K. Michel bring together six wonderfully teachable plays by some of the greatest American women dramatists of the past fifty years-- Ntozake Shange, Suzan-Lori Parks, Paula Vogel, Lynn Nottage, Beth Henley, and Susan Yankowitz. The editors provide a helpful Introduction to the last 100 years of theatrical activity, from suffrage and anti-lynching plays, through the explosive 1960s, to recent Broadway triumphs, highlighting women's struggle--a struggle that continues--to put their vision and voices on the American stage. Elin Diamond, Rutgers University, USA This volume celebrates the iconoclastic power of six American women playwrights who pushed the boundaries of the form outside the box of conventional drama. Each play is accompanied by a short introduction providing the biographical background of the playwright as well as discussing the dramatic style of her writing, the extent to which her work is informed by major playwrights of the period, and how the specific work illustrates the overarching themes of her body of work. The plays included are: Gun by Susan Yankowitz Spell #7: geechee jibara quik magic trance manual for technologically stressed third world people by Ntozake Shange The Jacksonian by Beth Henley The Baltimore Waltz by Paula Vogel In the Blood by Suzan-Lori Parks Intimate Apparel by Lynn Nottage

Black Feminism in Contemporary Drama Lisa M. Anderson, 2008 An enlightening study of feminism in the work of seven black playwrights

The Red Letter Plays: in the Blood and Fucking A Suzan-Lori Parks, 2020-04-23 Two haunting riffs on Nathaniel

Hawthorne's novel The Scarlet Letter, from a leading American playwright. Hester La Negrita of In the Blood is an unapologetic mother of five illegitimate children, whose daily struggle among many is to master writing the alphabet, to help

herself 'one day get a leg up'. She remains unable to get further than the letter A, scrawled in chalk beneath a railway bridge. Suzan-Lori Parks' play *In the Blood* was first staged at the Joseph Papp Public Theater, New York, in 1999. It was shortlisted for the Pulitzer Prize for Drama in 2000. Hester Smith of *Fucking A* works the only job available - back-street abortionist - in order to save for a reunion picnic with her imprisoned son. Her branded A bleeds afresh every time a patient comes to see her. *Fucking A* was first staged at the DiverseWorks Artspace in Houston, Texas, in February 2000.

Suzan-Lori Parks in Person Philip C Kolin, Harvey Young, 2013-12-04 This collection of interviews offers unprecedented insight into the plays and creative works of Suzan-Lori Parks, as well as being an important commentary on contemporary theater and playwriting, from jazz and opera to politics and cultural memory. *Suzan-Lori Parks in Person* contains 18 interviews, some previously untranscribed or specially undertaken for this book, plus commentaries on her work by major directors and critics, including Liz Diamond, Richard Foreman, Bonnie Metzgar and Beth Schachter. These contributions combine to honor the first African American woman to receive the Pulitzer Prize in drama, and explore her ideas about theater, history, race, and gender. Material from a wide range of sources chronologically charts Parks's career from the 1990s to the present. This is a major collection with immediate relevance to students of American/African-American theater, literature and culture. Parks's engaging voice is brought to the fore, making the book essential for undergraduates as well as scholars. The Introduction of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution-Non Commercial-No Derivatives (CC-BY-NC-ND) 4.0 license.
