

The Dance Of Intimacy

Harriet G. Lerner

The Dance of Intimacy Harriet Goldhor Lerner, 1989 Internationally acclaimed psychologist Harriet Lerner discusses how good relationships can be strengthened and difficult ones healed. Dance of Intimacy presents specific steps for improving relationships where intimacy is challenged by too much distance, too much intensity, or simply too much pain.

The Dance of Intimacy Harriet Lerner, 2009-03-17 This book examines those relationships where intimacy is most challenged by too much distance, too much intensity, or simply too much pain. In clear, direct, and dramatic terms, Dr. Lerner illustrates how we can move differently in these key relationships-be they with a distant or unfaithful spouse, a depressed sister, a difficult mother, an alcoholic father, an uncommitted lover, a dying parent, or a family member whom we have written off. And she teaches us about -the differences that make a difference'-the changes we can make in one or two significant relationships that will affect our capacity for intimacy and selfhood over the long haul. Through vivid and poignant examples from case studies and stories from her own life, Dr. Lerner shows us how good relationships can thrive and endure and difficult ones can be healed, and she illuminates the specific steps that women can take toward a more solid self and a more intimate connectedness with others.

The dance of intimacy : a woman's guide to courageous acts of change in key relationships Harriet G. Lerner,

Dance of Intimacy Harriet Lerner, 2003-09-01

Summary of Harriet Lerner's The Dance of Intimacy Everest Media, 2022-04-23T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 Intimacy is defined as the ability to be who you are in a relationship, and allow the other person to do the same. It requires that we can talk openly about things that are important to us, that we take a clear position on where we stand on important emotional issues, and that we clarify the limits of what is acceptable and tolerable in a relationship. #2 Women are typically the ones who are concerned about upgrading their relationship skills, and this is because women are typically the ones who are responsible for maintaining relationships. Men are rarely concerned about improving their relationship skills, unless it will help them move up on the job. #3 Women are still defined by their connection to men and children, but we have gained knowledge about relationships that can help us understand and navigate them. We still depend on men for the validation and dissemination of our ideas, and we still cannot easily afford to alienate them. #4 The valuing of intimacy and attachment is an asset, not a liability. However, women have

been taught to sacrifice the I for the we throughout history, just as men have been encouraged to bolster the I at the expense of responsible connectedness to others.

The Dance of Anger Harriet Lerner, 2014-03-25 The renowned classic and New York Times bestseller that has transformed the lives of millions of readers, dramatically changing how women and men view relationships. Anger is something we feel. It exists for a reason and always deserves our respect and attention. We all have a right to everything we feel—and certainly our anger is no exception. Anger is a signal and one worth listening to, writes Dr. Harriet Lerner in her renowned classic that has transformed the lives of millions of readers. While anger deserves our attention and respect, women still learn to silence our anger, to deny it entirely, or to vent it in a way that leaves us feeling helpless and powerless. In this engaging and eminently wise book, Dr. Lerner teaches both women and men to identify the true sources of anger and to use it as a powerful vehicle for creating lasting change. For decades, this book has helped millions of readers learn how to turn their anger into a constructive force for reshaping their lives. With a new introduction by the author, *The Dance of Anger* is ready to lead the next generation.

The Dance of Anger Harriet Goldhor Lerner, 2003

How to Be a People Magnet Leil Lowndes, 2002-06-21 Now in paperback, this title by the bestselling author of *How to Make Anyone Fall in Love with You* reveals specific and proven techniques for attracting friends and lovers and keeping them for life.

The Dance and Opera Stage Manager's Toolkit Susan Fenty Studham, Michele Kay, 2024-09-30 *The Dance and Opera Stage Manager's Toolkit* details unique perspectives and approaches to support stage managers beginning to navigate the fields of dance and opera stage management in live performance. This book demystifies the genre-specific protocols and vocabularies for stage managers who might be unfamiliar with these fields and discusses common practices. Filled with valuable industry-tested tools, templates, and practical information, *The Dance and Opera Stage Manager's Toolkit* is designed to assist stage managers interested in pursuing these performance genres. The book also includes interviews and contributions from a range of professional stage managers working in dance and opera. From the student stage manager studying in Theatrical Design and Production university programs to the experienced stage manager wanting to broaden their skill set, this book provides resources and advice for a successful transition into these worlds. *The Dance and Opera Stage Manager's Toolkit* includes access to an online repository of resources and paperwork examples to help jumpstart the reader's journey into dance and opera stage management. The Slightly Naughty Woman's Guide to Sensual Dance Dr I Pearson,2025-02-15 The Slightly Naughty Woman's Guide to Sensual Dance is an empowering, playful exploration of dance as a tool for self-expression, sensuality, and romantic connection, even when we shouldn't. We don't have to behave all the time! This AI-co-authored guide takes you on a journey of embracing your feminine energy through movement. With a focus on confidence, fun and misbehaving, I will help you tap into your body's natural rhythm, celebrate your sensuality, and build meaningful romantic connections with yourself and others, all while pretending it's just a dance. Through detailed exercises and tips, you'll learn how to harness your body's energy, master sensual movements, and if you feel like it, to navigate the transition from flirtation to romance. Whether you're dancing solo or with a partner, this guide is your companion in discovering and owning your sensual power. Get ready to dance like no one's watching—and maybe, just maybe, you'll find a little more romance in the process!

The Dance of Connection Harriet Lerner,2009-10-13 Bestselling author Harriet Lerner focuses on the challenge and the importance of being able to express one's authentic voice in intimate relationships. The key problem in relationships, particularly over time, is that people begin to lose their voice. Despite decades of assertiveness training and lots of good advice about communicating with clarity, timing, and tact, women and men find that their greatest complaints in marriage and other intimate relationships are that they are not being heard, that they cannot affect the other person, that fights go nowhere, that conflict brings only pain. Although an intimate, long-term relationship offers the greatest possibilities for knowing the other person and being known, these relationships are also fertile ground for silence and frustration when it comes to articulating a true self. And yet giving voice to this self is at the center of having both a relationship and a self. Much as she did in THE MOTHER DANCE, Lerner will approach this rich subject with tales from her personal life and clinical work, inspiring and teaching readers to speak their own truths to the most important people in their lives.

The Dance of Flames Barrett Williams,ChatGPT,2024-04-22 Embark on an enthralling journey through the captivating world of glassblowing with The Dance of Flames, a comprehensive eBook that delves deep into the fiery heart of this ancient yet ever-evolving art form. This treasure trove of knowledge is meticulously crafted for both aspiring glass artists and seasoned professionals seeking to refine their craft and ignite their creative spirit. The eBook begins by illuminating The Essence of Glassblowing, offering readers a fascinating glimpse into the history, modern significance, and magical interplay of sand and fire that forges glass art. Explore the alchemic process that transforms humble materials into stunning, expressive creations. Discover The Breath of Life Introduction to Blowing Techniques, where the secrets of breath control merge with movement to breathe form into molten silica, inspiring a sense of awe at the skillful dance between human and element. Venture further into the elemental saga in The Chemistry of Color in Glass, where the entwined narratives of heat and hue unfold, revealing how artists harness science and skill to paint with light itself. Mastering Temperature The Heart of the Craft navigates the delicate balance of heat distribution, an essential theme that can only be truly harnessed through the
