

The Dreamers Karen Thompson Walker

DP Hallahan

The Dreamers Karen Thompson Walker, 2019-01-15 NEW YORK TIMES BOOK REVIEW EDITORS' CHOICE • An ordinary town is transformed by a mysterious illness that triggers perpetual sleep in this mesmerizing novel from the bestselling author of *The Age of Miracles*. "Stunning."—Emily St. John Mandel, author of *Station Eleven* • "A startling, beautiful portrait of a community in peril."—Entertainment Weekly NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Glamour • Real Simple • Good Housekeeping One night in an isolated college town in the hills of Southern California, a first-year student stumbles into her dorm room, falls asleep—and doesn't wake up. She sleeps through the morning, into the evening. Her roommate, Mei, cannot rouse her. Neither can the paramedics, nor the perplexed doctors at the hospital. When a second girl falls asleep, and then a third, Mei finds herself thrust together with an eccentric classmate as panic takes hold of the college and spreads to the town. A young couple tries to protect their newborn baby as the once-quiet streets descend into chaos. Two sisters turn to each other for comfort as their survivalist father prepares for disaster. Those affected by the illness, doctors discover, are displaying unusual levels of brain activity, higher than has ever been recorded before. They are dreaming heightened dreams—but of what? Written in luminous prose, *The Dreamers* is a breathtaking and beautiful novel, startling and provocative, about the possibilities contained within a human life—if only we are awakened to them. Praise for *The Dreamers* "Walker's roving fictive eye by turns probes characters' innermost feelings and zooms out to coolly parse topics like reality versus delusion. . . . [It has] the perfect ambiguous frame for a tense and layered plot."—O: The Oprah Magazine "[Walker's] gripping, provocative novel should come with a warning: may cause insomnia."—People (Book of the Week) "Powerful and moving . . . written with symphonic sweep."—The New York Times Book Review "2019's first must-read novel . . . Alternately terrifying and moving . . . *The Dreamers* is overflowing with humanity."—Jezebel "This is an exquisite work of intimacy. Walker's sentences are smooth, emotionally arresting—of a true, ethereal beauty. . . . This book achieves [a] dazzling, aching humanity."—Entertainment Weekly

The Dreamers Karen Thompson Walker, 2019-11-05 A strange illness induces sleep and heightens dreams in an isolated college town, transforming the lives of ordinary people, in this mesmerizing novel by the New York Times bestselling author of *The Age of Miracles*. A college girl tells her friends that she's feeling strangely tired. The next morning, when they find her in bed, she is still breathing—but she won't wake up. Within a few days, another student, down the hallway, won't wake up. As

the sleeping sickness spreads, the town is turned upside down. We meet Ben and Annie, a young couple determined to keep their newborn baby safe; Sara and Libby, whose survivalist father has long prepared for disaster; Mei and Matthew, and other college students. A quarantine is established, the national guard is summoned. Yet, those who have fallen asleep are showing unusual patterns of brain activity. More than has ever been recorded in any brain--asleep or awake. They are dreaming--but of what? With gorgeous prose and heart-stopping emotion, *The Dreamers* startles and provokes about the possibilities contained within a human life, when we are awake and, perhaps even more, when we are dreaming.

The Strange Case of Jane O. Karen Thompson Walker, 2025-02-25 In this spellbinding and provocative novel from the New York Times bestselling author of *The Age of Miracles*, a young mother is struck by sudden and puzzling psychological symptoms that illuminate the mysterious dimensions of the human mind—and of love. A Belletrist Book Club Pick A year after her child is born, Jane suffers a series of strange episodes: amnesia, premonitions, hallucinations, and an inexplicable sense of dread. Three days after her first visit to a psychiatrist, Jane suddenly goes missing. A day later she is found unconscious in Brooklyn's Prospect Park, in the midst of what seems to be an episode of dissociative fugue; when she comes to, she has no memory of what has happened to her. Are Jane's strange experiences the result of being overwhelmed by motherhood, or are they manifestations of a long-buried trauma from her past? Why is she having visions of a young man who died twenty years ago and who warns her of a disaster ahead? Jane's symptoms lead her psychiatrist ever deeper into the farthest reaches of her mind and cause him to question everything he thinks he knows about so-called reality—including events in his own life. Karen Thompson Walker's profound and beautifully written novel is both a speculative mystery about memory, identity, and fate and a mesmerizing literary puzzle about the bonds of love—between mother and child, between a man and a woman, and among those we've lost but who may still be among us.

The Age of Miracles Karen Thompson Walker, 2012-06-26 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY People • O: The Oprah Magazine • Financial Times • Kansas City Star • BookPage • Kirkus Reviews • Publishers Weekly • Booklist NEW YORK TIMES BESTSELLER "A stunner."—Justin Cronin "It's never the disasters you see coming that finally come to pass—it's the ones you don't expect at all," says Julia, in this spellbinding novel of catastrophe and survival by a superb new writer. Luminous, suspenseful, unforgettable, *The Age of Miracles* tells the haunting and beautiful story of Julia and her family as they struggle to live in a time of extraordinary change. On an ordinary Saturday in a California suburb, Julia awakes to discover that something has happened to the rotation of the earth. The days and nights are growing longer and longer; gravity is affected; the birds, the tides, human behavior, and cosmic rhythms are thrown into disarray. In a world that seems filled with danger and loss, Julia also must face surprising developments in herself, and in her personal world—divisions widening between her parents, strange behavior by her friends, the pain and vulnerability of first love, a growing sense of isolation, and a surprising, rebellious new strength. With crystalline prose and the indelible magic of a born storyteller, Karen

Thompson Walker gives us a breathtaking portrait of people finding ways to go on in an ever-evolving world. “Gripping drama . . . flawlessly written; it could be the most assured debut by an American writer since Jennifer Egan’s *Emerald City*.”—The Denver Post “Pure magnificence.”—Nathan Englander “Provides solace with its wisdom, compassion, and elegance.”—Curtis Sittenfeld “Riveting, heartbreaking, profoundly moving.”—Kirkus Reviews (starred review) Look for special features inside. Join the Circle for author chats and more.

Postfeminist Film & Literary Aesthetics Alyce Corbett, 2025-05-23 *Postfeminist Film & Literary Aesthetics: In Search of the Female Gaze* represents a novel and comprehensive study of the aesthetic and affective textual innovations of women in the 21st century from a postfeminist perspective. This book both defines and helps shape the contours of four fast-growing critically and commercially popular modes—millennial film and fiction, metamodernism, an anti-narrative and decorative realm named here as ‘still life’, and new cli-fi—in which there is no clear male equivalent or in which women’s work can be read as a distinct aesthetic force. As the textual constellation of now is being mapped and its key texts being canonised, this book contributes to the current recentring of aesthetic taste that is occurring in literature, film, and surrounding criticism, making greater space for the appreciation of female aesthetics and for future inquiries in this field.

The Morningside Téa Obreht, 2025-03-11 “A touching, inventive novel about belonging and loss” (People) from the critically beloved, New York Times bestselling author of *The Tiger’s Wife* and *Inland* “I marveled at the subtle beauty and precision of Obreht’s prose. . . Read in the context of today’s conflicts and injustices, climate emergencies, and political and racial divisions—together more dystopian than any dystopian novel—the book surprised me most with its undercurrent of hope.”—Jessamine Chan, author of *The School for Good Mothers*, in The New York Times (Editors’ Choice) A LIT HUB AND CHICAGO PUBLIC LIBRARY BEST BOOK OF THE YEAR This Random House Book Club edition includes an author’s note, a discussion guide, and background on the myth that inspired the book. There’s the world you can see. And then there’s the one you can’t. Welcome to the Morningside. After being expelled from their ancestral home in a not-so-distant future, Silvia and her mother finally settle at the Morningside, a crumbling luxury tower in a place called Island City where Silvia’s aunt Ena serves as the superintendent. Silvia feels unmoored in her new life because her mother has been so diligently secretive about their family’s past, and because the once-vibrant city where she lives is now half-underwater. Silvia knows almost nothing about the place where she was born and spent her early years, nor does she fully understand why she and her mother had to leave. But in Ena there is an opening: a person willing to give the young girl glimpses into the folktales of her demolished homeland, a place of natural beauty and communal spirit that is lacking in Silvia’s lonely and impoverished reality. Enchanted by Ena’s stories, Silvia begins seeing the world with magical possibilities and becomes obsessed with the mysterious older woman who lives in the penthouse of the Morningside. Bezi Duras is an enigma to everyone in the building: She has her own elevator entrance and leaves only to go out at night and walk her three massive hounds, often not returning

until the early morning. Silvia's mission to unravel the truth about this woman's life, and her own haunted past, may end up costing her everything. Startling, inventive, and profoundly moving, *The Morningside* is a novel about the stories we tell—and the stories we refuse to tell—to make sense of where we came from and who we hope we might become.

The Strange Case of Jane O. Karen Thompson Walker, 2025-02-24 'Moving and unexpected. It lingers in the mind' Guardian 'An extraordinary book' Daily Mail 'Brilliant and unforgettable' Karen Russell 'A tantalising and satisfying mystery' Claire Fuller 'Mind-bending and soul-altering' Jessamine Chan 'Mesmerising' Publisher's Weekly 'An exhilarating and riveting must-read' Kirkus Starred Review 'Heart-expanding . . . inquisitive, brilliantly-crafted' Florence Knapp **WHAT IF YOU COULD REMEMBER EVERYTHING, EXCEPT THE DAY YOU DISAPPEARED?** A young woman, Jane O., arrives in a psychiatrist's office. She's been suffering a series of worrying episodes: amnesia, premonitions, hallucinations and an inexplicable sense of dread. But as the psychiatrist struggles to solve the mystery of what is happening in Jane's mind, she suddenly goes missing. When she is found a day later, unconscious in a park, she has no memory of what has happened to her. Are Jane's strange experiences related to the overwhelm of single motherhood, or long-buried trauma from her past? Why is she having visions of a young man who died twenty years ago, who warns her of disaster ahead? Jane's symptoms will lead her psychiatrist to question everything he once thought he knew . . . Profound and beautifully written, **THE STRANGE CASE OF JANE O.** is a speculative mystery about memory, identity and fate, a mesmerising story about the bonds of love between a mother and child, a man and a woman, and the haunting, unexplained mysteries of the human mind.

Oh Susanna Karen T. Walker, 2005-07 But Susanna has made a binding promise to care for her family during an extended family crisis, and she doesn't even love Morris. That becomes a major problem when a trusted church leader counsels Susanna to get married. Just how important is love anyway? and what about her promise? Through tenacious determination to live the gospel as she has been taught, and drawing upon hidden reserves of deep, abiding faith, Susanna experiences many miracles both earthly and heavenly. Her ultimate discovery is that the greater the unforeseen challenges, the stronger the love. For her, that love becomes more enduring than life itself.
