**Good Naked** Joni B. Cole, 2017-04-04 In *Good Naked*, acclaimed author Joni B. Cole shows readers how to make the

writing process not only more productive, but less maddening, more inviting, and even joyful, at least a good part of the time. She explains how sharing early drafts is good naked - you're exposing your creative process in all its glory. Through a mix of engaging stories and practical wisdom, all delivered with sheer good humor, Cole addresses the most common challenges writers confront and offers disarmingly simple but effective solutions. She debunks popular misconceptions about how we are supposed to write and replaces them with strategies that actually work to get us started and stay motivated. (Searching for your muse? Try looking in the fridge.) With a do-this-not-that directness, she sets writers free from debilitating attitudes, counterproductive practices, and energy-draining habits that undermine confidence and creativity. Equipped with experience and a refreshing respect for anyone who wants to write, Cole also infuses every chapter with insights into craft and narrative technique - because the truly happy ending is not just that we write more, but that we write well. If you have ever experienced a sense of dread or intimidation at any stage of the creative process, or even if you simply want to write more, write better, and be happier, this intelligent, funny, and generous guide will not only inspire you to head over to your desk, but will also cheer you on once you're there.

**The Goldilocks God** Guy Collins, 2022-08-22 The Goldilocks God: Searching for the via media explores the fertile middle ground between toxic Christianity and militant atheism. Can Christianity be intellectually credible? Why do our past failures and breakages offer comfort and hope? How does the via media of Anglicanism offer tactics for dealing with contemporary challenges and uncertainties? Whether exploring mystic Hildegard von Bingen, strategic thinker Queen Elizabeth, or theologians Jean-Luc Marion and Sarah Coakley, readers venture into a Trinitarian Goldilocks zone of faith, hope, and love. Guy Collins makes a creative and heartfelt case for a “spiritual thermodynamics” of trial and error, promise and glory. Illuminating ancient Christian practice with cutting-edge philosophy and theology, he reveals the lifelong habits that are “just right” for encountering the mystery of God.

*Vintage Tomorrows* James H. Carrott, Brian David Johnson, 2013-02-11 What would today's technology look like with Victorian-era design and materials? That's the world steampunk envisions: a mad-inventor collection of 21st century-inspired contraptions powered by steam and driven by gears. In this book, futurist Brian David Johnson and cultural historian James Carrott explore steampunk, a cultural movement that's captivated thousands of artists, designers, makers, hackers, and writers throughout the world. Just like today, the late 19th century was an age of rapid technological change, and writers such as Jules Verne and H.G. Wells commented on their time with fantastic stories that jumpstarted science fiction. Through interviews with experts such as William Gibson, Cory Doctorow, Bruce Sterling, James Gleick, and Margaret Atwood, this book looks into steampunk's vision of old-world craftsmen making beautiful hand-tooled gadgets, and what it says about our age of disposable technology. Steampunk is everywhere—as gadget prototypes at Maker Faire, novels and comic books, paintings and photography, sculptures, fashion design, and music. Discover how this elaborate view of a history that never

existed can help us reimagine our future.

**Let the Spirit Shape Your Ministries** David S. Luecke, 2023-03-22 Traditional mainline churches have been in decline for fifty years as their church energy continues to seep away. What are the options to regain vitality? Pastor Luecke thought for years that better administration was the answer. But the problem is deeper. Our Reformation heritage left us with a very weak practical theology of the Holy Spirit, confining him mostly to the Creeds. We don't have a hands-on understanding of how he makes a difference in church life today. We can find that by appreciating how central the Spirit was to Paul's leadership. This collection of Reflections comes in two parts. The first highlights how the Spirit works today, based on Paul's insights. It outlines how personal growth in the Spirit can happen. Church leaders cannot take others to where they personally have not been before. The second part is organized around Martin Luther's explanation of the four functions of the Holy Spirit. He calls, gathers, enlightens and sanctifies God's people. The Spirit is the leader of ministry teams. We need to learn how to follow.

**Teen Girls Only!** Patricia Hoolihan, 2000-10 This book of daily meditations for teenage girls offers inspiration, hope and comfort to those in the midst of the turbulent teens. For girls ages 14 to 18, each meditation explores a relevant issue and models a healthy way to cope or explore, celebrate or reflect. Approximately twice a week, the meditation closes with an idea for a writing or journalling exercise. In this way, teens are provided with a concrete way to process or reflect on what they have read. The other meditations close with a thought for the day. Most of the meditations open with a quote from various sources of inspiration: Maya Angelou, Cameron Diaz, Princess Diana, Miss Piggy, Susan B. Anthony and others. The meditations are designed to help teen girls be more conscious and aware of developmental, cultural, and personal factors affecting them. The importance of friendships, of dreams and goals, of respect for other family members are among many topics. The particular hazards and joys of being female are explored: for instance, how does the role of beauty in our culture affect girls coming of age? Written by Patricia Hoolihan, who has been writing about family and spirituality for over ten years, the book is sensitive, gentle and hopeful: a lifeline to be tossed to any girl (young woman?) crossing the stormy seas of teen-hood. Patricia Hoolihan is the author of *Small Miracles: Daily Meditations for Mothers in Recovery* (Bantam). She also co-authored *Today's Gift*, a meditation book (Hazelden) and written *Family Attitudes*, and *The Step Dance: Ins and Outs of Stepparenting* (Hazelden). Ms. Hoolihan lives with her family in Minneapolis where she teaches at Metropolitan State University and The Loft. Photo Credit: William Pringle Rodman.

**Send in the Stunt Mom** Michael Fry,1997 Parental Fantasy No. 1: Six Ways to Eliminate Barney. So begins one of Michael Fry's hilarious installments of *Committed*, the strip that epitomizes the trials of parenting on the run. From microwave dependence to quality time on the couch, from abbreviated fairy tales to Sunday drives on the information superhighway, *Committed* celebrates the experiences of harried parents everywhere. *Send in the Stunt More* lampoons everything working parents face, from having daughters who want to grow up to be Barbie to kid logic: Stop brushing our teeth, they rot, fall out...and bingo! We're rich! Thanks, Tooth Fairy! Parents suffer from job envy and attempt to track their kids' progress in school while trying to keep up with the neighbors next door. Wry and irreverent, *Committed* blends wild cynicism and warm humor into a strip that speaks to families across the nation. *Committed* first appeared in the alternative newspaper the *Houston Press*, and began national syndication in 1994 by United Feature Syndicate. Its edgy and offbeat take on the fiascoes of modern family life has been hailed as cutting-edge humor ever since. Last year's *What I Want to Be When THEY Grow Up* was a hit with parents and non-parents alike, and this year's *Send in the Stunt More* promises to be every bit as enthusiastically received.
