The Sword of Kaigen: A Theonite War Story M. L. Wang, 2019-02-13 Better to die sharp in war than rust through a time of peace. A mother struggling to repress her violent past, A son struggling to grasp his violent future, A father blind to the danger that threatens them all. When the winds of war reach their peninsula, will the Matsuda family have the strength to defend their empire? Or will they tear each other apart before the true enemies even reach their shores? High on a mountainside at the edge of the Kaigenese Empire live the most powerful warriors in the world, superhumans capable of raising the sea and wielding blades of ice. For hundreds of years, the fighters of the Kusanagi Peninsula have held the Empire's enemies at bay, earning their frozen spit of land the name 'The Sword of Kaigen.' Born into Kusanagi's legendary Matsuda family, fourteen-year-old Mamoru has always known his purpose: to master his family's fighting techniques and defend his homeland. But when an outsider arrives and pulls back the curtain on Kaigen's alleged age of peace, Mamoru realizes that he might not have much time to become the fighter he was bred to be. Worse, the empire he was bred to defend may stand on a foundation of lies. Misaki told herself that she left the passions of her youth behind when she married into the Matsuda house. Determined to be a good housewife and mother, she hid away her sword, along with everything from her days as a fighter in a faraway country. But with her growing son asking questions about the outside world, the threat of an impending invasion looming across the sea, and her frigid husband grating on her nerves, Misaki finds the fighter in her clawing its way back to the surface.

Summary of The Sword of Kaigen SellWave audio, 2025-10-28 High in the mountains at the edge of the Kaigenese Empire lies a land where warriors are born with the power to command the sea and forge blades of ice. For generations, the fighters of the Kusanagi Peninsula have defended the Empire against its enemies, earning their frozen homeland the title “The Sword of Kaigen.” Among these warriors is fourteen-year-old Mamoru Matsuda, heir to one of the most legendary bloodlines in Kusanagi. His destiny seems clear—to master his family’s ancient techniques and stand as a guardian of his people. But when a stranger arrives and reveals the dark truths hidden beneath Kaigen’s supposed peace, Mamoru begins to question everything he has been taught. The empire he swore to protect may not be as noble as he once believed, and the time he has to prove himself may be running out. Misaki, Mamoru’s mother, has spent years trying to bury the woman she once was—a fierce fighter from a distant land. She traded her sword for domestic life, determined to be the perfect wife and mother within the rigid traditions of the Matsuda household. Yet as tensions rise and her son grows restless with curiosity about the world beyond their shores, Misaki’s dormant strength begins to stir once more. The cracks in her marriage widen, and the whispers of an approaching invasion awaken the warrior within her that refuses to be silenced. As the winds of war descend upon the Kusanagi Peninsula, the Matsuda family must confront not only the external threats that seek to destroy their empire but also the secrets and resentments that threaten to tear them apart from within. In the end, their greatest battle may not be against their enemies—but against themselves.

**The Encyclopedia of Martial Arts Movies** Bill Palmer,Karen Palmer,1995 The Encyclopedia covers the genre from 1920 to 1994. The genre, however, can be very confusing: films often have several titles, and many of the stars have more than one pseudonym. In an effort to clarify some of the confusion, the authors have included all the information available to them on almost 3,300 films. Each entry includes a listing of the production company, the cast and crew, distributors, running times, reviews with star ratings whenever possible, and alternate film titles. A list of film series and one of the stars' pseudonyms, in addition to a 7,900 name index, are also included. Illustrated.

**Legacies of the Sword** Karl F. Friday,Seki Humitake,1997-07 Karl Friday combines the results of nearly two decades of fieldwork and archival research to examine samurai martial culture from a broad perspective: as a historical phenomenon, as a worldview, and as a system of physical, spiritual, and moral education. Legacies of the Sword is the first attempt by a Westerner scholar trained both in bugei and in Japanese studies and historical methodology to discuss this major and compelling component of Japanese culture.
