What We Talk About When We Talk About Rape Sohaila Abdulali, 2018-11-27 What We Talk About When We Talk About Rape is brilliant, frank, empowering, and urgently necessary. Sohaila Abdulali has created a powerful tool for examining rape culture and language on the individual, societal, and global level that everyone can benefit from reading. —Jill Soloway In the tradition of Rebecca Solnit, a beautifully written, deeply intelligent, searingly honest—and ultimately hopeful—examination of sexual assault and the global discourse on rape told through the perspective of a survivor, writer, counselor, and activist After surviving gang-rape at seventeen in Mumbai, Sohaila Abdulali was indignant about the deafening silence that followed and wrote a fiery piece about the perception of rape—and rape victims—for a women's magazine. Thirty years later, with no notice, her article reappeared and went viral in the wake of the 2012 fatal gang-rape in New Delhi, prompting her to write a New York Times op-ed about healing from rape that was widely circulated. Now, Abdulali has written What We Talk About When We Talk About Rape—a thoughtful, generous, unflinching look at rape and rape culture. Drawing on her own experience, her work with hundreds of survivors as the head of a rape crisis center in Boston, and three decades of grappling with rape as a feminist intellectual and writer, Abdulali tackles some of our thorniest questions about rape, articulating the confounding way we account for who gets raped and why—and asking how we want to raise the next generation. In interviews with survivors from around the world we hear moving personal accounts of hard-earned strength, humor, and wisdom that collectively tell the larger story of what rape means and how healing can occur. Abdulali also points to the questions we don't talk about: Is rape always a life-defining event? Is one rape worse than another? Is a world without rape possible? What We Talk About When We Talk About Rape is a book for this #MeToo and #TimesUp age that will stay with readers—men and women alike—for a long, long time.

**What We Talk About When We Talk About Love** Raymond Carver, 2015-05-25 The most celebrated story collection from “one of the true American masters” (The New York Review of Books)—a haunting meditation on love, loss, and companionship, and finding one’s way through the dark that includes the iconic and much-referenced title story featured in the Academy Award-winning film Birdman. Raymond Carver's America is ... clouded by pain and the loss of dreams, but it is not as fragile as it looks. It is a place of survivors and a place of stories.... [Carver] has done what many of the most gifted writers fail to do: He has invented a country of his own, like no other except that very world, as Wordsworth said, which is

the world to all of us. —The New York Times Book Review

*Islam and Anarchism* Mohamed Abdou, 2022-06-20 'One of the fiercest books I've ever read' - Jasbir K. Puar Discourse around Muslims and Islam all too often lapses into a false dichotomy of Orientalist and fundamentalist tropes. A popular reimagining of Islam is urgently needed. Yet it is a perhaps unexpected political philosophical tradition that has the most to offer in this pursuit: anarchism. *Islam and Anarchism* is a highly original and interdisciplinary work, which simultaneously disrupts two commonly held beliefs - that Islam is necessarily authoritarian and capitalist; and that anarchism is necessarily anti-religious and anti-spiritual. Deeply rooted in key Islamic concepts and textual sources, and drawing on radical Indigenous, Islamic anarchistic and social movement discourses, Abdou proposes 'Anarcha-Islam'. Constructing a decolonial, non-authoritarian and non-capitalist Islamic anarchism, *Islam and Anarchism* philosophically and theologically challenges the classist, sexist, racist, ageist, queerphobic and ableist inequalities in both post- and neo-colonial societies like Egypt, and settler-colonial societies such as Canada and the USA.

This Game Has No Loyalty III - Love is Pain June, 2014-06-19 June is the published author of, *This Game Has No Loyalty*, an urban street fiction novel depicting real life on the streets and the love relationships within those parameters. His love of writing was first discovered in public school where he dazzled teachers with his creative short stories and intriguing poems. His writing was officially acknowledged locally when one of his stories was featured in his class yearbook. As June reached his teenage years, he abandoned his love of writing for the dangerous life on the streets of Brooklyn. Although he was educated, the excitement of the street life interested him and he quickly took part in petty crimes, which soon elevated into the introduction to the infamous drug trade where he became a major distributor of illegal drugs out of state. During his illicit activities he was apprehended and convicted then later incarcerated. Once released on parole, he reclaimed his spot in the drug trade and continued trafficking illegal drugs, the threat of violating parole a fleeting thought. His youth and inexperience in life fueled his desire for illegal tender without the thought or regret of contributing to the destruction of his community. As time passed all of his relationships, social, personal and romantic, became strained due to the nature of his business. His life lacked stability despite the illusion of financial comfort. He was responsible for himself so there was never any balance in his life until the birth of his first daughter, who changed the way he viewed life...her life. June decided to make changes in his life and immediately enrolled into college where he rediscovered his love of writing, showcasing his

literary abilities that were recognized by his English professors. While pursuing his degree, tragedy struck and one of his closest friends was brutally murdered. Overcome by anger and revenge he channeled his emotions into something that came to him naturally, he wrote the story. It didn't heal the wound to his heart but was therapeutic in helping him express feelings no one knew about. The story was buried along with his feelings for 10 years until one day he came across it after coming from a funeral for yet another fallen youth to the same game he had given up. At that moment he decided to write a story, a true to life account of what happens in the streets with hopes of reaching the youth by delivering vivid accounts of the pitfalls of the street life that is not taught to them and at the same time, promote literacy in these communities because it's the gateway to learning and sparking mental creativity. June began penning his novel *This Game Has No Loyalty* and incorporated his own experiences into his writing to produce the "realness" his story needed to capture his audience. June followed up with *This Game Has No Loyalty II - Hustle for Life*, *This Game Has No Loyalty III - Love is Pain* then showcased his writing skills by penning *Victimized - Buchanan's Secret* which is an urban suspense/thriller. June is also the CEO of FourShadough Publishing where all his titles are published. He has a host of ebook short stories available for download and is currently working on the release of his first author who happens to be his daughter, Harmony Miller and her debut young adult fiction story titled, *Lil Mz. Understood* on April 4, 2014. June has also signed with the famed dynamic duo and New York Times Bestselling authors Ashley & JaQuavis' new publishing company O.W.L. - Official Writer's League who will be releasing an anthology featuring all authors on the roster titled *Kiss The Ring* then his novel will be released mid 2014 titled - *International Regime*.
