Moses and Israel ,1874

Seek the Peace of Jerusalem Omer Salem,2017-12-19 Over the last seven decades, since the formation of the State of Israel, there has been no shortage of Jews and Arabs desiring peace in Israel-Palestine (the Holy Land). Most peacemaking attempts failed because the parties did not see peace as a win-win deal. The prevailing mantra in this conflict is win-lose or no deal. Today, the Palestinians are not willing to make a deal with the Israeli Jews because they perceive that a deal with the Israeli Jews means the Palestinians will lose. Also, the Israelis are not willing to make a deal with the Palestinian Arabs because they perceive that a deal with the Palestinian Arabs means the Israelis will lose. There are also other geopolitical factors affecting this conflict. This conflict is gradually shifting toward a battle fueled by people relying on religious texts to prolong the struggle.

Hamda'S Ashes Ghassoub Bani Kanaan,2017-10-28 As a little boy grows up in Palestine, he has no idea that his mothers unconditional love is already paving the road for his success later in life. When he is thirteen, his hardworking mother suddenly dies, leaving Alghadanfar alone and with no other choice but to attend a military boarding school while his father and his new wife live mostly on charity. Four years later, Alghadanfars life forever changes when his country is occupied by Israel and he is left homeless, seemingly doomed to enter lifes wild arena whether he is ready or not. After the invasion, Alghadanfar escapes on foot with others to the River Jordan in a dangerous journey to reach the only place he knows, his boarding school on the eastern side of the river. As he is led to his first brush with death and onto a new path in life, he must rely on his survival instincts, his mothers shadow, and her prayers to become empowered to overcome the many obstacles that stand in his way.
