

Book Of Revelations Summary

Jules Assende Ashibe ,Uwezo Ashibe Marcus

Analysis of Paley's Evidences of Christianity. With each chapter fully summarized in verse Anthony John A. Wilkinson,1892

The Book of Revelation O. Fred Hanna,1951

The Revelation of Elchasai Gerard P. Luttikhuisen,1985

The Revelation R. J. Plugge,2021-10-26 The Revelation of Jesus the Christ ends by assuring its readers that He is coming "soon" (Rev.22:7). John quotes Jesus's repeated statement that He will come soon (Rev.1:1; 22:7, 12, 20). Indeed, Jesus did come "soon" to John. Physical life on earth is short for everyone. And the judgments upon first century Jerusalem also came "soon." But, the text apparently should be read as saying He's coming "quickly." It again speaks to the speed of His coming, not the timing of "when." He comes suddenly. He comes unexpectedly to the unsaved; as unexpected as a sudden heart attack (Mt.24:42-44; 25:13; Lk.12:39). But, He is welcomed by the saved that are always in fellowship with Him and looking forward to their union with Him (Jn.17:24; Heb.9:28; Lk.12:43; 21:27; 1Thes.5:4). John declares: "The Spirit and the bride (Church) say come"; and he promises "whoever wishes" can take the free gift of the water-of-life (Rev.22:17). The Church on earth yearns for the final "wedding feast" (Mt.22:2; 25:10). John again states that God will judge; and he adds a warning about adding or subtracting from the original text of this book, i.e. The Revelation (Rev.22:19). The text within The Revelation then ends with a benediction: "The grace of the Lord Jesus be with God's people. Amen"

Apostolic Succession in the Restoration Kevin L. Tolley,Patrick A. Bishop,2023-04-17 This unique chronology of the history of the Church of Jesus Christ of Latter-day Saints follows the Lord's chosen representatives as they were called and released as members of the Quorum of the Twelve Apostles. Beginning with Joseph Smith's ordination in 1829 to the present day, the life of every man who has served in these presiding quorums is illustrated in the brief narratives of this informative and well-written volume. ; ; Now is the perfect time to learn the gospel with your family and discover the humble beginnings of the Lord's Church in these latter days. This work honors the noble men who sacrificed their time and talents to unselfishly serve those around them. It is an excellent reference for anyone looking to study Church history and the apostolic governing bodies of the Church.; ; Understand the order of succession to the presidency and see firsthand the challenges these quorums faced as they learned line upon line the Lord's will in fulfilling their sacred callings.

Study Guide:Genesis to Revelation Paul Griffin,2018-11-07 Study Guide:Genesis to Revelation is a chapter by chapter summary of the entire Bible. These summaries will help you to understand the Bible and quickly grasp an overview of the salient points of each chapter. They are not written as a commentary with detailed explanations of how different theologians or commentators interpret the meaning of scriptural passages. Rather they are a simple summary high lighting some key facts or principles. These Bible summaries are not intended as a substitute for reading the Bible for yourself but rather to enhance your experience. They will help you to focus on what you are reading and so allow God to speak to you through the 'overview' as well as the details, as you read His word.

Revelations and Discoveries Jules Assende Ashibe ,Uwezo Ashibe Marcus,2021-05-06 This book narrates the story of Pastor Jules Assende Ashibe from the Democratic Republic of Congo (DRC) who happened to hear the voice of God, a voice that led him to discover that the Lord has a mission for him; a mission which led to revelations, teachings and explanations deemed to have scientific value, yet to be proven in laboratory, research centers or by scientists around the world. Pastor Ashibe got revelations that would lead to inventions or innovative creations susceptible of bringing into being devices and equipment that has never occurred/existed in the past or similar to what we know today.

The New York Times Index ,1916

The Revelation R. J. Plugge,2017-04-21 This book gives a summary of the revelation given to us through John and found at the end of the Bible. It is different than any you've read before. It's divided into four sections with questions and answers at the end. There's an introduction with an overview; a section with summaries of each chapter; a section with a more detailed discussion of the bowls within chapter 16; and lastly, a collection of useful data in tabulation form. Included in the introduction is a brief survey going through the book to show the probable break points within John's visions and the messages in each part to introduce the book's subjects. Reading just the chapter summaries section will provide a quick way to learn what the the revelation includes and provides, as well as an understanding of the message.

The Role of the Spirit in the Eschatological Ethics of Revelation Pandelani Paul Mbedzi,2015-06-24 The role of the spirit in the eschatological ethics of revelation was a topic that has given me great joy to learn the book of Revelation the role of the spirit, eschatological and ethics. In this book, I have discovered the plan of salvation, which was laid before the foundation of the world in a very clear manner. God, the master of the universe, revealed to John the final story of this worlds history at the Isles of Patmos. The trinity is well-explained and even their duties as the Godhead. God the Father, God the Son and God the Holy Ghost of which my dissertation is looking at the office or the role of the spirit in the second coming of Christ. From Genesis to Malachi, it is God the Father who revealed himself to mankind, and from Matthew to Acts 1:8, it is God the Son who came in person to reveal God the Father, and from Acts 1:9, to Revelation it is God the Holy Spirit who will teach us all that God the son could not finish teaching us. The script is divided into five chapters, which are the orientation

into the book of Revelation, the theology and the ethics of the book Revelation, the eschatology ethics in Revelation, the Holy Spirit in Revelation, and the role of the spirit and eschatology ethics of Revelation, which is the theme of this script. Then we have the conclusion of the script.
