The Guadel Chronicles Books 1 - 4 Dean Murray, 2015-05-11 In a world full of magic and treachery, Va'del and Jain will hold the fate of their people in their hands. The invitation to join the secretive Guadel should have been the fulfillment of dreams Va'del didn't even realize he had. When his sponsors are killed in an ambush a short time later, he instead finds his probationary status revoked, and becomes a pawn between various factions inside the Guadel ruling body. Jain's never known any life but that of a Guadel in training. She'd thought herself reconciled to the idea of a loveless marriage for the good of her people, but meeting Va'del changes everything. Their growing attraction flies against hundreds of years of precedent, but as wide-spread attacks threaten their world, the Guadel have no choice but to use even Jain and Va'del in their fight for survival. Publisher's Note: The Guadel Chronicles is a YA Epic Fantasy Series which is written so that it can be safely enjoyed by teens and adults alike. The Guadel Chronicles: All the scope of an epic fantasy combined with the action of a sword and sorcery book! Keywords: Young Adult, Epic Fantasy, YA

A Radical's Books Michael Cyril William Hunter, 1999 The library owned by Samuel Jeake of Rye, nonconformist and local activist, was one of the most remarkable of its time. It is of particular importance in that relatively little information has hitherto been available about the ownership of books in the English provinces, or the reading habits of intellectuals who -- like Jeake -- were outside London and university circles from which most surviving libraries have come down to us. The collection of some 1500 volumes includes an extraordinary assemblage of radical pamphlets from the English Revolution alongside works of theology, literature, scholarship and science. Other books reflect astrological and magical interests, and the collection also includes a medical library. Jeake's library catalogue, published here, gives much information about titles

that are now lost, about the penetration of foreign books into provincial England, and about book prices. The introduction places Jeake's collection in context, and makes a significant contribution to the history of the book in the early modern period; appendices list surviving volumes from the library and give a complete list of the Jeake manuscripts now in Rye Museum. MICHAEL HUNTER is Professor of History at Birkbeck College, University of London; GILES MANDELBROTE is a Curator, British Collections 1501-1800, at the British Library; RICHARD OVENDEN is Deputy Head, Rare Books Division of the National Library of Scotland; NIGEL SMITH is Reader in English at the University of Oxford.
