Discover Yourself Sherif Saad,2019-01-22 The most in depth self discovery book!Go Deep in understanding yourself and seek your origin.Learning the way we work (as well as other people) is a very important aspect when it comes to living an effective life.We were created unique and though we are like other people, we are also unlike other people. If we were just like everyone else, then everyone will be a carbon copy of one another with no individuality or artistic sense. Mankind will be boring - even monkeys and other animals have different species which evidences diversity.You and I are diverse, unlike one another. We cannot be like others - we can only be ourselves.But do not just be content with being yourself - be a better you!That is why the Enneagram of Personality is such an important subject to undertake.With the diversity of mankind, it is more important to learn how to understand other people and understand how they work. Don't try and change yourself to fit into their mold nor try and change them to fit ours - it is not what we are called to do.This book is a culmination of years of study, analysis of human psychology and personal experience rolled together. What works for one may not work for another

and likewise you may or may not agree with some of the results whether it is pertaining to you current predicament or not - it is just for self-discovering purposes with no intention to offend nor ridicule. There is no right or wrong type. Please do not get worked up when your result appears because life is a process of discovery and a constant journey. You might be different 10 years down the line... you will never know. Besides, if anything else matters... know that living an effective life involves interactions with other people which is often really difficult because we do not understand them. Suffice to know for now, that reading this book will open your mind if you let it - take notes if necessary and above all, have fun with it! Get ready to unlock the mystery and your true potential at the same time!

The Book of Etiquette Lillian Eichler Watson,1924

Finding Yourself Hyman Moudry,2021-07-15 Do you sometimes feel like you don't love your life? Like, deep inside, something is missing? That's because we are living someone else's life. We allowed other people to influence or determine our choices-we are trying to please their expectations. Stop living your life according to what other people think you should be or do. Unleash the true you into the world. Stay away from those who ridicule your dreams and align yourself with those who support them. If they don't understand, point them in the direction of this book to explain what you are doing.
