Management Communication Arthur H. Bell, Dayle M. Smith, 2009-12-30 Finally business professionals will be able to learn how to communicate effectively. This book builds the essential writing, speaking, and listening skills needed to succeed. An entire section is devoted to helping non-native speakers of English in their efforts to produce readable, well-edited work. It includes Communication Dilemmas boxes that pose interesting, real-life communication choices and challenges. Six brief

interviews with real communication experts are presented that explore a variety of different corporate environments. New sections are also included on social networking communications and the electronic career search. Business professionals will discover how to apply newly acquired communication skills throughout their careers.
