The Quote Verifier Ralph Keyes, 2007-04-01 Our language is full of hundreds of quotations that are often cited but seldom confirmed. Ralph Keyes's *The Quote Verifier* considers not only classic misquotes such as Nice guys finish last, and Play it again, Sam, but more surprising ones such as Ain't I a woman? and Golf is a good walk spoiled, as well as the origins of popular sayings such as The opera ain't over till the fat lady sings, No one washes a rented car, and Make my day. Keyes's in-depth research routinely confounds widespread assumptions about who said what, where, and when. Organized in easy-to-access dictionary form, *The Quote Verifier* also contains special sections highlighting commonly misquoted people and genres, such as Yogi Berra and Oscar Wilde, famous last words, and misremembered movie lines. An invaluable resource for not just those with a professional need to quote accurately, but anyone at all who is interested in the roots of words and phrases, *The Quote Verifier* is not only a fascinating piece of literary sleuthing, but also a great read.

The Jasper Love Trilogy Onyx Cantor, 2020-03-02 This is the story of one man's triumph over Cult Religion. As a preacher's son, Jasper Love struggled to comply with the dogma and bigotry of the unpredictably changeable Doctrine of Good Enough dictated by Cult Religion. He and four sisters labored to comply with cult demands consistent with their mother's mantra: "People expect preacher's kids to be perfect." The Voice of Truth (bestowed on Jasper as a child in a genuine salvation encounter with Jesus Christ) conflicts with voices of deception from pulpits and pews, triggering crippling anxiety, depression, and suicidal ideation. Further compounding his confusion is a terrifying awareness of the cult's distortion of scripture concerning his innate identity. When a Connecticut preacher detects his private struggle, the Bible scholar promises: "If you marry a good Pentecostal girl, this thing will just fade away." Jasper foolishly accepts the challenge, believing that the pastor's counsel is based on Truth. A 32-year battle ensues, during which a Pentecostal preacher's daughter who, aware of his struggle and trained in Exploitation of Advantage, manipulates and controls the miserable husband who strives to suppress and conceal an innate identity which "simply won't leave me alone." Cultists despise his genuine relationship with God when the Holy Spirit weakens the tenacious grasp of the antiChrist's claim on his soul, rescuing him from abominable doctrines through Spiritual Enlightenment to Truth Absolute. Spiritual Warfare ensues, during which he is molested by authority figures, betrayed by cult dishonesty, falls into sin, is attacked by demons, and is delivered

by the Holy Ghost through visions of spiritual combat between the demons of Cult Religion and the Angels of Truth. In the end, his foolish attempt to conform with the Doctrine of Good Enough predictably results in the destruction of everything he wasted a lifetime building: marriage, family, home, career, material wealth, and reputation. Yet, in losing all, he is delivered from the Darkness of cult idolatry, whereupon he is finally free to immerse himself in genuine Truth, Light, and Love, breaking the tyrannical chains of Cult Religion. Released by the Holy Spirit from cult bondage, he is at last unleashed to fulfill his destiny: To teach the Truth about Jasper Love (that boundless, unconditional love known only to those who genuinely experience Spiritual Enlightenment) to a people deceived by the hateful harlots of idolatry who are nothing more than power-crazed, authoritarian, self-aggrandizing, despotic antiChrist heretics who worship only one god - CONTROL.

Love and Dreams Nancy Bacon,1980-07

The Book of Love ,1996 The late John Cheever once insisted that saving a letter is like trying to preserve a kiss. Luckily for us, the loved ones of great writers ranging from Sappho to Anne Sexton, from Anton Chekhov to Mr. Cheever himself have ignored that clever dictum. In more than one hundred of the most powerful, witty, wicked and whimsical letters ever written, we chronicle passion's erratic progress. Why should Marcus Aurelius's amorous words sit side by side with John Steinbeck's letter to the woman who inspired much of his late work? Distinguished scholar Cathy Davidson argues that the love letter is a form of literature all its own, a genre whose language may have changed from ancient Rome to twentieth-century America but whose basic form and content remain the same. For if all literature is a kind of seduction, then the love letter becomes the perfect vehicle for writers to hone their seductive skills. With novelistic flair, Ms. Davidson has arranged these letters as though they were all part of one romance - a romance in which any of us may have played a part. From the joy of Falling in Love to the pain of Unrequited Love, we chart the evolution of that most hard-to-define emotion. These pages are filled with glorious examples of writers being just like the rest of humanity, to wit: willing to stake so much on what at times seems like nothing more than a promise and an act of faith. How delightful to discover the master of light verse Ogden Nash writing tenderly to a woman he first saw across a crowded room nine months earlier: This is a particularly gifted and intelligent pen. Look what it's writing now: I love you. That's a phrase I can't get out of my head - but I don't want to. I've wanted to try it out for a long time; I like the look of it and the sound of it and the meaning of it. Of course what writers do better than anyone else is to write about love. Through Ms. Davidson's deft touch, *The Book of Love* becomes a treasure trove of literary discovery. She

William Faulkner's The Wild Palms Thomas L. McHaney, 1975 In this feverishly beautiful novel -- subsequently titled *If I Forget Thee, Jerusalem* and now published in the authoritative Library of America text -- William Faulkner interweaves two narratives, each wholly absorbing in its own right, each subtly illuminating the other. In New Orleans in 1937, a man and a woman embark on a headlong flight into the wilderness of illicit passion, fleeing her husband and the temptations of respectability. In Mississippi ten years earlier, a convict sets forth across a flooded river, risking his own chance at freedom to rescue a pregnant woman. From these separate stories Faulkner composes a symphony of deliverance and damnation, survival and self-sacrifice, a novel in which elemental danger is juxtaposed with fatal injuries of the spirit. *The Wild Palms* is grandly inventive, heart-stopping in its prose, and suffused on every page with the physical presence of the country that Faulkner made his own.

The Hemingway Review, 1999

Chappie J. Alfred Phelps, 1992 James’ inspiring life, from his days as a pioneering Tuskegee airman to the stratosphere of command of NORAD.

The Style of Innocence Fraser Sutherland, 1972 Hemingway and Callaghan first became personally acquainted when both worked as reporters for the Toronto Star in the early 1920’s. Later in Paris, during that memorable summer of 1929, they ran into each other again and experienced a fast-paced period of verbal gymnastics, one-upmanship and boxing rounds. Fraser Sutherland has written a carefully researched, perspective and highly readable comparative study of two great authors—Ernest Hemingway and Morley Callaghan. He begins with a fascinating discussion of the lives of these two men, each so different from the other. Callaghan was born into a Roman Catholic family in Toronto, spent his summers on Georgian Bay, studied Law at the University of Toronto, and went on to become a professional, highly respected and established Canadian writer. Hemingway’s life was one of action; in the Italian Campaign of World War I he received 227 wounds from a mortar; he was involved in two plane crashes; served in the Spanish Civil War; and, like his father, committed suicide. Throughout this lifetime of frenetic and often painful activity, Hemingway wrote, and his novels and short stories achieved international acclaim. In discussing the literary output of the two men, Fraser Sutherland’s extensive knowledge of his subject and easy style show up to best advantage. He is of the opinion that the best of Callaghan’s writing consists of two superb parable-novels (such as *My Beloved* and *More Joy in Heaven*), a dozen fine short stories, and an excellent memoir, *That Summer in Paris*. Hemingway he praises for having restored order and clarity to our use of the English Language, for having written one of the best novels of our time (*The Sun Also Rises*), the best Romance (*A Farewell to Arms*), and perhaps a dozen of the best short stories in existence. Throughout their work, Sutherland shows how Callaghan and Hemingway share common symbols:

the smashed man, the lake, the river, the victimized woman. And they share a common style: a depiction in simple language of the barebones of the world in which we live.-Publisher
