Family Lore Elizabeth Acevedo, 2023-08-01 NATIONAL BESTSELLER A GOOD MORNING AMERICA BOOK CLUB PICK! Winner of the NAACP Image Award, Outstanding Literary Work, Fiction Shortlisted for The Center for Fiction First Novel Prize From National Book Award-winning author Elizabeth Acevedo comes the story of one Dominican American family told through the voices of its women Flor has a gift: she can predict, to the day, when someone will die. So when she decides she wants a living wake—a party to bring her family and community together to celebrate the long life she’s led—her sisters are surprised. Has Flor foreseen her own death, or someone else’s? Does she have other motives? She refuses to tell her sisters, Matilde, Pastora, and Camila. But Flor isn’t the only person with secrets: her sisters are hiding things, too. And the next generation, cousins Ona and Yadi, face tumult of their own. Spanning the three days prior to the wake, *Family Lore* traces the lives of each of the Marte women, weaving together past and present, Santo Domingo and New York City. Told with Elizabeth Acevedo’s inimitable and incandescent voice, this is an indelible portrait of sisters and cousins, aunts and nieces—one family’s journey through their history, helping them better navigate all that is to come. Global Literatures and Cultures of Modernity Srirupa Chatterjee, Sharada Chigurupati, 2025-04-29 *Global Literatures and Cultures of Modernity: Critical Perspectives from India* brings together essays written by academicians and scholars from India to scrutinize how global modernities have been shaped since World War II, from the Indian perspective. It examines the literary musings of Anglophone writers hailing from various parts of the globe whose diverse voices present compelling narratives on modernity vis-à-vis the human condition. This volume brings together critical essays on writers such as Girish Karnad, Anita Desai, Anita Nair, and Jean Arasanayagam to examine the South Asian experience; by Chimamanda Ngozi Adichie and Naguib Mahfouz to explore the African and Arabic world order; by Jane Harrison and Wesley Enoch to address the Australian aboriginal condition; by William Golding, Kazuo Ishiguro, and Sarah Kane to scrutinize British cultural politics; by Jamaica Kincaid and Elizabeth Acevedo to highlight Latin American and Caribbean modernity, and last but not the least, by John Updike, Cormac McCarthy, and Mary Gordon to analyze North American politico-religious experiences of modernity. The diverse themes in this book therefore touch upon historical trauma, religious revisioning, masculinity, feminist debates, gender studies, ethnic discrimination and diversity, and caste and class politics, among many others. The

book's varied themes are united by the fact that they all converse with global and transnational dynamics shaped by post-war modernity that define our world today. The book crafts narratives on contemporary global literatures and the modern conditions they represent and does so from the vantage point of postmillennial Indian literary scholarship.

Assessing Students with Poetry Writing Across Content Areas Sarah J. Donovan, Kim Johnson, Anna J. Small Roseboro, Barbara Edler, Gayle Sands, 2025-09-01 Assessing Students with Poetry Writing Across Content Areas reimagines formative assessment by advocating for a dynamic, poetic approach that delves into students' meaning-making processes. It is a guide for teachers seeking innovative approaches to formative assessment, promoting a holistic, creative, reflective, and collaborative learning environment. It challenges the limitations of traditional worksheets and quizzes, urging educators to move beyond seeking restrictive answers and embrace students' texts as pathways to understanding. The authors put forward poetry as a vigorous tool and writing poetry as an act to foster deep learning across content areas. Practical examples of acrostic poems, haiku, and pantoum demonstrate the adaptability of poetic forms to diverse subjects. Through adaptable lesson plans that can be used across history, math, world languages, ELA, and science, the book encourages intentional poetic writing-to-learn activities and explores how poetry might present itself as a short, creative assessment tool that helps teachers see what their students know and can do while also offering them the space to make new meaning in their original poetry. This book is a key resource for in-service educators teaching grades 6-12.

Oye Melissa Mogollon, 2025-05-06 A coming-of-age comedy. A telenovela-worthy drama. A moving family saga. All in a phone call you won't want to hang up on. "A portrait of love, heartache, and hilarity that transcends its medium."—Elle "Brilliant . . . Melissa Mogollon did not come to play."—Kiley Reid, New York Times bestselling author of *Such a Fun Age* **LONGLISTED FOR THE CENTER FOR FICTION FIRST NOVEL PRIZE** This Random House Book Club edition includes an author's note, a playlist, and a discussion guide. "Yes, hi, Mari. It's me. I'm over my tantrum now and calling you back . . . But first—you have to promise that you won't tell Mom or Abue any of this. Okay? They'll set the house on fire if they find out . . ." Structured as a series of one-sided phone calls from our spunky, sarcastic narrator, Luciana, to her older sister, Mari, this wildly inventive debut "jump-starts your heart in the same way it piques your ear" (Xochitl Gonzalez). As the baby of her large Colombian American family, Luciana is usually relegated to the sidelines. But now she finds herself as the only voice of reason in the face of an unexpected crisis: A hurricane is heading straight for Miami, and her eccentric grandmother, Abue, is refusing to evacuate. Abue is so one-of-a-kind she's basically in her own universe, and while she often drives Luciana nuts, they're the only ones who truly understand each other. So when Abue, normally glamorous and full of life, receives a shocking medical diagnosis during the storm, Luciana's world is upended. When Abue moves into Luciana's bedroom, their complicated bond intensifies. Luciana would rather be skating or sneaking out to meet girls, but Abue's wild demands and unpredictable antics are a welcome distraction for Luciana from her misguided mother, absent sister, and uncertain future.

Forced to step into the role of caretaker, translator, and keeper of the devastating family secrets that Abue begins to share, Luciana suddenly finds herself center stage, facing down adulthood—and rising to the occasion. As Luciana chronicles the events of her disrupted senior year of high school over the phone to Mari, Oye unfolds like the most fascinating and entertaining conversation you’ve ever eavesdropped on: a rollicking, heartfelt, and utterly unique novel that celebrates the beauty revealed and resilience required when rewriting your own story.

Family Lore \ Sabiduría familiar Elizabeth Acevedo, 2023-11-14 Elizabeth Acevedo, ganadora del National Book Award, regresa con su primera novela para un público adulto: una magnífica oda a la sabiduría del linaje femenino con un toque de fantasía caribeña Por la sangre de las mujeres Marte corre una magia que les concede dones especiales. Creciendo en República Dominicana, y luego al migrar a Nueva York, las hermanas Flor, Matilde, Pastora y Camila aprendieron a valerse de ellos, y de la fuerza de su vínculo, para protegerse de las hostilidades del mundo. Pero también, a callarse sus deseos, temores y anhelos más profundos. Por eso, cuando Flor anuncia que va a celebrar un velorio en vida, el matriarcado se conmueve: su don es predecir la muerte, pero ella se niega a admitir si ha llegado su hora. O la de alguien más. Sabiduría familiar sigue a las Marte a través de este período liminal, mientras se preparan para el velorio de Flor y lo que vendrá

después. Con excepcional maestría, y su inconfundible y deslumbrante voz poética, Elizabeth Acevedo teje la epopeya de las Marte: una familia sinigual que, como cualquier otra, deberá romper el conjuro del silencio para empezar a escribir su futuro. «Un relato laberíntico en torno a la sororidad y el caos del amor... Sabiduría familiar, después de todo, no trata acerca de prepararse para la muerte, sino de deleitarse en la oportunidad de vivir». —NEW YORK TIMES BOOK REVIEW ———

From bestselling, National Book Award-winning author Elizabeth Acevedo comes her first novel for adults, a magnificent ode to the wisdom of the female lineage with a touch of Caribbean fantasy. In the blood of the Marte women runs a magic that bestows upon them special gifts. Growing up in the Dominican Republic, and later migrating to New York, sisters Flor, Matilde, Pastora, and Camila learned to harness these gifts and the strength of their bond to protect themselves from the hostilities of the world. But they also learned to keep their deepest desires, fears, and longings to themselves. When Flor announces that she's going to hold a living wake, the matriarchy is shaken: her gift is predicting death, but she refuses to admit if her time has come. Or someone else's. *Family Lore* follows the Marte women through this liminal period as they prepare for Flor's wake and what will come after. With exceptional mastery and her inimitable and incandescent poetic voice, Elizabeth Acevedo weaves an indelible portrait of sisters and cousins, aunts and nieces—the journey of a unique family that, like any other, must break the spell of silence to begin writing their future.

Black Sheep and Kissing Cousins , When someone says, at a holiday dinner table, “Oh, those Lawrence cousins lose control all the time,” or the Davises always had more talent than luck,” you can be sure there's a lesson being passed along, from one generation to another. Who tells stories to whom and about what is never a random matter. Our family stories have a secret power: they play a unique role in shaping our identity and our sense of our place in the world. They give us values, inspirations, warnings, and incentives. We need them. We use them. We keep them. They reverberate throughout our lives, affecting our choices in love, work, friendship, and lifestyle. Elizabeth Stone, whose grandparents came from Italy to Brooklyn, artfully weaves her own family stories among the stories of more than a hundred people of all backgrounds, ages, and regions—clarifying for us predictable types of family legends, providing ways to interpret our own stories and

their roles in our lives. She examines stories of birth, death, work, money, and romantic adventure—all in the context of the family storytelling ritual. And she shows how stories about our most ancient ancestors may provide answers at milestone moments in our lives, as well as how stories about our newest family members carve out places for them so that they will fit into their families, comfortably or otherwise. Upon its initial publication in 1988, Studs Terkel said that the book is “A wholly original approach to an ancient theme: family storytelling and its lasting mark on the individual.” Judy Collins noted that “Elizabeth Stone's marvelous book on family myths and fables is irresistible. It lets us in on our own secrets in a provocative and exciting way.” And Maggie Scarf wrote, “What a clever topic, and how beautifully Elizabeth Stone has written about it! I recommend *Black Sheep* and *Kissing Cousins* for everyone who has ever been raised in a family.”
