Daniels,2023-04-17 The Good, The Bad, and The Grateful is personal story chronicling everyday teachers, family, friends, and co-workers who were spiritual teachers during the first 50 years of the author's life. It is a celebration of all the defining moments of life, good and bad, and how they all give us blessings. It is the author's hope that readers use this book as a guide to help identify the angels in their lives and take time to share their stories, good and bad, with each other and demonstrate how grateful they are to have loved and learned despite any obstacles or pain they may have experienced. True leadership serves and empowers. The back of the book has names of organizations that are on the front lines helping those in our communities with mental illness. A portion of the proceeds from each book will be donated to help raise mental health awareness. Each reader can also log onto the author's website to directly to purchase the book and post the name of a loved person in their life that is suffering with mental illness and send them an intention for healing. The Journey Through Hallowed Ground is a 180-mile National Heritage area encompassing such historic sites as the Gettysburg battlefield and Thomas Jefferson's home, Monticello. Though it might prove difficult to visit these particular sites with your students, Percoco argues that every community has a story that can be connected to larger themes in American history and that place-based history education can be made a part of every classroom, from Nevada to Washington to Pennsylvania. Filled with students' voices and an enthusiasm for American history, Take the Journey offers the following: Practical and easy-to-implement lessons Classroom-tested materials Specific directions for employing place-based best practices in the classroom Ways to meet state standards without sacrificing teacher creativity or hands-on learning Lists of resources and primary source materials So bring your students along and let them discover the twists and turns offered by history and the Journey Through Hallowed Ground. **One Nation, Under Attack** Grant R. Jeffrey, 2012-10-09 Prepare Now for America's Fall The enemies of free-market capitalism have launched their final attack. History's most powerful nation soon will be reduced to an isolated, impoverished country with no influence over international affairs. A close reading of prophecy reveals no mention of the United States. The wealthiest and most powerful nation in history will play no visible role in the culminating events of this age. Prophecy expert Grant R. Jeffrey has exposed the hidden causes behind the rapid disappearance of America as we know it. No longer will other nations count on America to come to their aid. Aggressor nations will not have to fear the possibility of U.S. retaliation because very soon, America will be too weak to take action. And just at the time when the United States is weakened nearly beyond recognition, the Antichrist will unleash his evil rule over the world. When America falls, the collapse will come rapidly. It is to your advantage to know in advance what to look for. In One Nation, Under Attack you will find a workable plan to help you protect your family and your future from the far-reaching economic devastation to come.
