Dead Shock Wallace Henry, 2020-07-18 A dread-inducing sci fi horror novel, 'Dead Shock' is equal parts 'Event Horizon' and the 'Alien' franchise. In the distant future, a team of diplomats embark on a mission to make contact with an authoritarian ship that has gone radio silent. It's supposed to be a simple job, a look-see operation to make sure something terrible hasn't happened. Their simple task turns into a nightmare the moment they step onto the new ship, and the largely symbolic mission becomes a struggle for survival in this creepy, atmospheric novel from the author of 'The Playroom' and 'Party Snatchers.' Fans of Any Weir's 'The Martian' and Jeff Vandermeer's 'Annihilation' will love this claustrophobic, terrifying novel. A mix of body horror, action, and scifi, 'Dead Shock' is the first in the Shock series of novels. Grab a space suit, grab a force gun, and hold your breath, because nobody can breathe in space.

Cold Eternity S.A. Barnes,2025-09-18 From the Queen of Space Horror comes a terrifying, dread-filled nightmare perfect for fans of Ridley Scott's Alien franchise. 'The S.A. Barnes Creature Feature we've all been waiting for! Tense, nasty, and melancholic' Caitlin Starling 'So well done and creepy, with a twist that will shock you!' Hildur Knútsdóttir _____ Halley Zwick is on the run. Exposing an interplanetary conspiracy should have brought justice. Instead, it's brought Halley nothing but a target on her back. With nowhere left to turn, she boards a relic of the past: Elysian Fields, a drifting crypt in deep space. Once hailed as humanity's answer to death itself, Elysian Fields was trillionaire Zale Winfield's promise to Earth's elite — cryo-sleep until medicine caught up with mortality. But that future never came. The program was abandoned. The barge has floated dark and silent for over a century. Or so Halley thought. The moment she steps aboard, something feels wrong. The silence isn't empty—it's watching. Shadows fall across corridors. Scratching claws echo in the vents. Whispers bleed from the walls. Something is crawling, slithering, waking. As Halley descends into the heart of the ship, paranoia blurs into terror. The Elysian dead may not be sleeping—and what woke them is hungry... _____ Readers love Cold Eternity 'Outstanding' □□□□ 'The best Barnes book yet' □□□□ 'Just the right amount of horror' □□□□ 'Creepy and atmospheric' □□□□ 'I was on the edge at all times' □□□□

The Science Fiction Horror Collection Priyanka Monteiro,2021-07-31 A compilation of some of the best Sci-Fi and horror short stories to intrigue your mind.

The Stone Man - a Science Fiction Horror Novel Luke Smitherd,2012-12-05 THE #1 AMAZON HORROR BESTSELLER! THE STONE MAN is a novel that intrigues, enthralls, horrifies, thrills, and hits the reader with an emotional resonance as only the best stories can.-Ain't It Cool News Nobody knew where it came from. Nobody knew why it came. Even so, for two-bit (and antisocial) reporter Andy Pointer, the appearance in his city of a man made of moving stone meant the scoop of a lifetime. He would soon learn that The Stone Man was much more - and much worse - than that. This is Andy's account of everything that came afterwards, and the people that were lost along the way; of the terrible price that he, and the rest of his country, had to pay.The destruction. The visions. The dying. PRAISE FOR 'THE STONE MAN': Once again believable characters and a mind blowing story, and when Luke Smitherd is recognised as the great writer he is he is bound

to be compared to the likes of James Herbert and Stephen King.-Scrooby1, Amazon UK Review Tremendous. I was looking for something completely original and different, this nailed it spot on. Highly recommended.-Neil Novita, Amazon USA Review I have owned a Kindle for about 2 years and downloaded some excellent books for very little cost but Luke Smitherd's works beat the lot-Silversmith, Amazon UK Review This ebook was fantastic and totally different from any other sci-fi thriller I've ever read...I kept thinking 'What if...what if...'-Carl Law, Amazon US Review It was one of those books where you tell yourself you will read just one more page, then look at the clock and realise that it's 2 hours later , I would thoroughly recommend it-Elaine Hosegood, Amazon UK Review As soon as I started reading I was completely sucked in, which very rarely happens for me. I couldn't wait to get home and read it each night. I laughed. I cried. I did actual real life gasps of horror.-Katie, Amazon UK Review Fantastically written characters who make you care about them right from the off, an unfathomable villain who defies all understanding and a supporting cast that flesh out the story beautifully.-Andy Pettifer, Goodreads Review I spend a lot of time trawling through the kindle book store looking for cheap books, relying on reviews to make my purchases. I have come across some less than average books using this method, but also some real gems. This book definitely falls into the latter category. It had me gripped from page one right through to the Alternative Ending Synopsis at the end. The other reviews leave me little to say other than thanks Luke.-Steve Sut, Amazon UK Review So good the first thing I did after I put it down was to download his other two books.-Miss H. L. Smith, Amazon UK Review This book starts with a bang and doesn't let up. I read this in two sittings. Recommended.-Dickydavis, Goodreads review A very enjoyable read and cracking value at the price.Do not be put off by Science Fiction or Horror in the title if they are not your bag, this is an intelligent and thought provoking read. Highly recommended.-Dave Osborn, Amazon UK Review I literally found this hard to stop reading,I wanted to know the answers.I have been around a good while so have read all of Asimov, Heinlein, Bradbury etc. and I would genuinely put this author in the same class as these class acts.-K Murphy, Amazon UK Review ...so my 5-star review? That's five stars in comparison to REAL books; not just the stuff you'll find self-published on Kindle. The Stone Man is the sort of book that, if I'd splashed ten quid on in an airport or train station, bookstore, I'd have considered it money well-spent. Militant Ginger, Amazon USA Review A full-length novel. 140,000 words. FROM THE AUTHOR OF 'THE PHYSICS OF THE DEAD' AND 'THE BLACK ROOM' SERIES, ALSO AVAILABLE ON THE KINDLE STORE.

The Ultimate Guide to Science Fiction David Pringle,1995 This edition offers short, evaluative descriptions of around 3500 novels, brief statements and reviews by critics and a guide to sequels, related titles and film versions. New to this edition is expanded coverage of books of the late 19th- and early 20th-centuries. Also new is the category novelizations and spin-off fiction, a section which reflects the tremendous growth in these publications since the 1980s. All science fiction movie novelizations are covered, as well as a selection of radio and television science fiction novelizations.

The Great Science Fiction Pictures II James Robert Parish,Michael R. Pitts,1990 This belated sequel is even more

important than the same author's first volume (LJ 9/15/77), which predated Star Wars/ET/Close Encounters and the films they inspired. This book also fills in that volume's omissions. Information on some 400 films (and updated TV and radio listings) yields credits, detailed cast lists, synopses, quotes from contemporary reviews and genre encyclopedias, brief critical evaluations, and entertaining film buff-y tidbits. There are a few nitpicky errors, and the quality of the entries unavoidably varies somewhat, but generally the level of scholarship is high, as it usually is for all the products emanating from the veteran Parish/Pitts reference book ``factory," in part because they are, and utilize other, crackerjack researchers. Highly recommended.-- Da vid Bartholomew, NYPL -Library Journal.

The Best Horror of the Year, Volume Six Ellen Datlow,2014-06-03 “The oldest and strongest emotion of mankind is fear, and the oldest and strongest kind of fear is fear of the unknown.” —H. P. Lovecraft This statement was true when H. P. Lovecraft first wrote it at the beginning of the twentieth century, and it remains true at the beginning of the twenty-first century. The only thing that has changed is what is unknown. With each passing year, science, technology, and the march of time shine light into the craggy corners of the universe, making the fears of an earlier generation seem quaint. But this “light” creates its own shadows. The Best Horror of the Year, edited by Ellen Datlow, chronicles these shifting shadows. It is a catalog of terror, fear, and unpleasantness, as articulated by today’s most challenging and exciting writers. The best horror writers of today do the same thing that horror writers of a hundred years ago did. They tell good stories—stories that scare us. And when these writers tell really good stories that really scare us, Ellen Datlow notices. She’s been noticing for more than a quarter century. For twenty-one years, she coedited The Year’s Best Fantasy and Horror, and for the last six years, she’s edited this series. In addition to this monumental cataloging of the best, she has edited hundreds of other horror anthologies and won numerous awards, including the Hugo, Bram Stoker, and World Fantasy awards. More than any other editor or critic, Ellen Datlow has charted the shadowy abyss of horror fiction. Join her on this journey into the dark parts of the human heart . . . either for the first time . . . or once again. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.
