Talking About Freedom Natasha L. Henry-Dixon, 2012-01-07 Discover the main features of Emancipation Day celebrations, learn about the people of African ancestry's struggle for freedom, and the victories achieved in the push for equality into the 21st century. On August 1, 1834, 800,000 enslaved Africans in the British colonies, including Canada, were declared free. The story of Emancipation Day, a little-known part of Canadian history, has never been accessible to the teen reader through either the school curriculum or classroom resources, despite its significance in the story of Canada. Talking About Freedom closes this gap by exploring both the background to August 1 commemorations across Canada and the importance of these long-established annual celebrations. What is the connection between the Caribana festivities in Toronto and emancipation? Why are some communities restoring Emancipation Day to their roster of annual events? Talking About Freedom introduces a range of personalities and happenings through historical facts, memorable personal recollections, vivid images, and detailed narratives. Included are connections to the ongoing struggles of people of African ancestry as they seek to achieve equality, with insightful links woven across the past, present, and future.

They Can't Take That Away from Me Jackie McGregor, 2013-01-31 Does a particular song take you back to a certain time and place? More than 100 A-list celebrities were asked what songs bring back special memories. For film star Joan Collins, *The Way You Look Tonight* reminds her of the first dance at her wedding to Percy Gibson. TV presenter Richard Madeley remembers playing guitar at the local folk club when he hears *American Pie* by Don McLean. Pavarotti's rendition of *Nessun Dorma* sets off memories of the 1990 World Cup for Gary Lineker. Joanna Lumley thinks of her childhood in the Far East whenever she hears Nat King Cole singing *Stardust*. Music is one of the most evocative forces on earth. A whole cascade of memories can be brought on by a single tune. *They Can't Take That Away From Me* is a musical memory tour with the stars to a place where it is yesterday once more. Celebrities include Kim Cattrall, Denise Welch, Cliff Richard, Dame Judi Dench, Graham Norton, Joanna Lumley, Joan Collins, Chris Tarrant, David Soul, Jane McDonald, Michael Aspel, Lorraine Kelly, Alan Titchmarsh, Neil Sedaka, Daniel O'Donnell, Gary Lineker, Noel Edmonds, Paul O Grady, Richard Madeley, Angela Griffin, Michael Palin, Rula Lenska, Adele Parks, Joanna Trollope and Lynda Bellingham.

The Crisis, 1998-04 *The Crisis*, founded by W.E.B. Du Bois as the official publication of the NAACP, is a journal of civil rights, history, politics, and culture and seeks to educate and challenge its readers about issues that continue to plague

African Americans and other communities of color. For nearly 100 years, The Crisis has been the magazine of opinion and thought leaders, decision makers, peacemakers and justice seekers. It has chronicled, informed, educated, entertained and, in many instances, set the economic, political and social agenda for our nation and its multi-ethnic citizens.

African American History Day by Day Karen Juanita Carrillo, 2012-08-22 The proof of any group's importance to history is in the detail, a fact made plain by this informative book's day-by-day documentation of the impact of African Americans on life in the United States. One of the easiest ways to grasp any aspect of history is to look at it as a continuum. African American History Day by Day: A Reference Guide to Events provides just such an opportunity. Organized in the form of a calendar, this book allows readers to see the dates of famous births, deaths, and events that have affected the lives of African Americans and, by extension, of America as a whole. Each day features an entry with information about an important event that occurred on that date. Background on the highlighted event is provided, along with a link to at least one primary source document and references to books and websites that can provide more information. While there are other calendars of African American history, this one is set apart by its level of academic detail. It is not only a calendar, but also an easy-to-use reference and learning tool.

Ella Fitzgerald J. Wilfred Johnson, 2001-01-10 Ella Fitzgerald was one of America's greatest jazz singers. This volume is as complete a discography of her recorded songs as currently seems possible to compile. This volume also contains a complete discography (1927-1939) for drummer and bandleader Chick Webb, with whom Ella began her recording career in 1935. Part One includes a chronological listing of all known recorded performances of both Chick Webb and Ella. Part Two gives the complete contents of Ella's LPs and CDs, including track listings, titles (with lyricists and composers) and timings. Part Three is an annotated alphabetical listing of all songs contained on all of Fitzgerald's records, with detailed information on each song's composer, lyricist, and history. Reviews of the movies in which Ella appeared and surveys of her career with the Decca, Verve and Pablo music companies are included. The book also has an index of album and CD recordings, and composers, lyricists and musicians.
