I made a deal with a god, with death itself to save someone I love. I thought I had the upper hand, but I was wrong. From the moment he saw me, this god was determined to make me his, but his life is filled with death and is no place for the living. Trying to survive his world might just turn me into one of the lost souls that surround him. But I have my own secrets, my own past. What happens when a god and a mistake meet? What happens when neither will back down? It's all or nothing with us. Before our deal is through one of us will have lost everything, I will not let that be me. Court of Beasts K. A. Knight, 2025-10-22 The Bookish Box Exclusive Luxe Edition There are many things that go bump in the night, and I am one of them. As a wolf, my hate towards Hunters was born from fire and blood. I know all too well the brush of death others only speak of in hushed whispers. It marked me and everyday since I have fought to prove myself. To be the strongest, the best wolf in the Red Mountain Pack. To live up to my family name. Until one night, one trap, one chance encounter changes all that. Thrown into the middle of an ancient war I have no choice but to fight for those I love but war takes casualties, including people's souls. If friends can become enemies, what can enemies become? I guess we will find out before the moon is full. Welcome to the Court of Beasts, where wilderness prevails.

Court of Heathens K. A. Knight, 2025-10-22 The Bookish Box Exclusive Luxe Edition There are many things that go bump in the night, and I am one of them. Witches are supposed to be good, powerful, and omniscient, but unluckily for me, I seem to lack all of those qualities. I have been battling the darkness that lives within me since birth, destined to eradicate goodness from our world, but one day, I have no choice but to embrace who and what I am. In order to stop the destruction of the world as we know it, I must put my trust in not only myself, but also my unlikely companions. When all is said and done, and all that is left is dust, can I go back to how I was, or will I be lost in the shadows forever? Welcome to the Court of Heathens, where darkness conquers all.

Rejected by the man who was destined for me, who was supposed to love me forever, I do the only thing I can, I flee. Into the night, nursing my broken heart. The monsters that save me, welcome me, and make me one of them. Welcome to the Court of Nightmares, where all your wicked dreams come true.

Resist K. A. KNIGHT, 2025-06-20 Sanctuary is more than a band-it's a home for the lost and broken. No one knows that better than Ryker, the lead singer of the newly rising rock band. It seems he is unable to go even one day without being in the spotlight, and not always for good reasons. From run-ins with his label to arrests and a long line of broken hearts, it seems this rock god is determined to enjoy fame. Fox, on the other hand, Sanctuary's infamous guitarist, is the perfect, quintessential rocker in the public's eye. Only ever seen when flirting and playing with his lead singer, earning the title of rock and roll's off-limits rebel. It's no surprise why these guys have taken the world by storm, and it isn't just for their music, but also their risqué behavior when they perform on stage. The playboy and the bad boy. Is it all a game? An act for the fans? Tune in to our live coverage of their performance tonight and find out. Long may he Resist...or not.

Diver's Heart K. A. Knight,2026-04-07 A world-class diver risks everything for the men she left behind in this pulse-pounding romance from the New York Times-bestselling author of *Den of Vipers*. Three years ago, deep-sea diver Peyton ran away from her chosen family--all fellow divers--Tyler, the first man she ever loved; his brother, Kalen; and his best friends, Riggs and Fin. All it took was one summer for her to fall hard and not just for Tyler. When he proposed, Peyton's guilt forced her to flee as fast as her legs could carry her. She desperately wanted to say yes, but how could Tyler ever forgive her if he found out the truth: she was in love with all of them. Leaving just about broke her, and to move on, Peyton poured everything she had into her work. Now one of the world's best divers, she puts herself in danger's path time and time again, exploring never-before-seen underwater caves. The thrill of the job is the only thing that makes her feel alive. That is, until her next diving assignment forces her to face the men who were once her whole life. Their anger toward her is an unmistakable force, but soon, long-buried emotions and desires come rushing back. Despite the love, hate, and lust warring inside her, Peyton is determined to keep things professional on this dive. But down below, things can go wrong dangerously fast. When they find themselves trapped together within an elaborate system of caves, Peyton, Tyler, Kalen, Riggs, and Fin must confront the depths of their entanglements as they navigate their way to safety. This edition features a rare bonus scene, character art, and a signed letter from the author. Bestselling author K.A. Knight's *Diver's Heart* is a polyamorous, reverse-harem standalone romance featuring explicit sex, nonstop action, and heart-stopping scenes of mortal peril. It is intended for adult readers.

Monstrous Lies K. A. KNIGHT,2022-09-02 Thirty years ago the world as we know it was lost. Now humans live like rats, desperate for food and safety, the wall towering before us as a mocking reminder of what happened... The wall that keeps the monsters locked away from us. The wall that keeps us safe. The wall that every day I sneak through. I thought I was safe in the light beyond it's scarred concrete, I thought I knew the way of the world, but when night falls and I'm trapped beyond the wall the monsters come out to play. In an explosion of shadows, claws and tails. Their black eyes tracking me like prey until he comes. Their leader... and he claims I'm his. I play along, I bide my time, but as past and present collide I find my carefully laid survival plan unravelling. The secrets the monsters keep making me realise the wall might not be to contain the monsters inside, but to keep the truth from getting out. But in that Forgotten City I find my purpose, my future. All the Monstrous Lies we were told coming unravelled and when they do sides must be chosen. Loyalties will be tested and the

darkness might claim us all. *Monstrous Lies is the first book in the Forgotten City Series, all the books feature different characters but to fully enjoy the series I suggest reading the series in order.*
