**Wilson M. Nelson**

*Ezequiel El Profeta Y Su Mensaje* Preston A Taylor, 2005-11 A fresh look at an enigmatic world. The central message of the Book of Ezequiel is God's sovereignty. This book includes 24 themes on Ezequiel's message: Messages warning against the people's rebellion, messages of judgement against pagan nations, on the restoration of the faithful and messages that give a vision of what God will do in the future, according to His sovereign nature. The book also includes review questions. It offers excellent material for sermons and Bible studies.

**CFTE 12- Hermenéutica** Carlos A. Villanueva, 2018-09-30 El presente libro es parte de una serie de libros que tiene como objetivo principal, la formación ministerial, orientándola a la capacitación de hombres y mujeres con el llamamiento de Dios a cumplir con un servicio pastoral, misionero, evangelizador y de servicio a la iglesia local. Sus contenidos, orientados al ejercicio práctico del ministerio, siguen dos claros argumentos: la reflexión y la acción o aplicación. El libro se orienta a iluminar la mente, nutrir el espíritu, desafiar la conciencia y sobre todo capacitar al pueblo de Dios para la obra de servicio, para edificar al cuerpo de Cristo (Efesios 4.12 NVI). Carlos H. Spurgeon, el gran predicador, dijo en uno de sus sermones: La verdad es más dulce cuando acaba de salir de la Roca abierta, por eso leer la Palabra de Dios por uno mismo es la manera más segura de crecer en la gracia. Sin embargo, si el primer paso es leer la Biblia y reflexionar sobre ella, a esto, se le debe seguir su aplicación. Pero, ¿cómo aplicarla si no se la ha comprendido? Cuando hablamos de entender (comprender e interpretar) la Biblia, debemos tener presente la importancia de tener una idea clara de su contenido, saber cómo penetrar en el mismo texto y reconocer su intención. Por lo tanto, debemos conocerla y entender su sentido, a fin de poder aplicar a la vida diaria y a sus demandas tanto espirituales como humanas en nuestro caminar diario. Como entender la Biblia es un curso práctico de hermenéutica dividido en tres grandes áreas: • La interpretación de la Biblia • La interpretación frente al texto bíblico • Camino y resultados de la interpretación Nos ayudará a cumplir el desafío y responsabilidad de disfrutar de lo que representa el estudio e interpretación de la Escrituras.

*Diccionario Ilustrado de la Biblia* Wilson M. Nelson, 2001-10-30 En el Diccionario Ilustrado de la Biblia encontrará el marco de conocimientos lingüísticos, geográficos y culturales que usted necesita para comprender la inmensa mayoría de los pasajes de la Biblia. Entre otras cosas hallará un resumen de cada uno de los libros de la Biblia con su correspondiente transfondo histórico y cultural, así como definiciones de términos bíblicos y teológicos, y mucho más.

**Historical Dictionary of the Baptists** William H. Brackney, 2021-02-15 Baptists are a major group of Christians with a worldwide presence. Originating in the English Puritan-Separatist tradition of the 17th century, Baptists proliferated in North America, and through missionary work from England, Europe, and North America, they have established churches, associations, unions, missions, and alliances in virtually every country. They are among the most highly motivated evangelists of the Christian gospel, employing at present in excess of 7,000 domestic and overseas missionaries. Important characteristics of the Baptists across their history are: the authority of the Scriptures, individual accountability before God, the priority of religious experience, religious liberty, separation of church and state, congregational independence, and a concern for the social implications of the gospel. Baptists recognize a twofold ministry (deacons and pastors) or a threefold order (deacons, elders, pastors). *Historical Dictionary of the Baptists, Third Edition* expands upon the second edition with an updated chronology, an introductory essay, a bibliography, and hundreds of cross-referenced dictionary entries on important events, doctrines, and the church founders, leaders, and other prominent figures who have made notable contributions.

**The A to Z of the Baptists** William H. Brackney, 2009-09-16 With 110 million members worldwide, Baptists are surpassed only by Roman Catholic and Orthodox groups as the largest segment of Christians. The term Baptist has its origins with the Anabaptists, the denomination historically linked to the English Separatist movement of the 16th century. Although Baptist churches are located throughout the world, the largest group of Baptists lives in the Southern United States, and the Baptist faith has historically exerted a powerful influence in that region of the country. *The A to Z of the Baptists* relates the history of the Baptist Church through a chronology, an introductory essay, a bibliography, and hundreds of cross-referenced dictionary entries on important events, doctrines, and the church founders, leaders, and other prominent figures who have made notable contributions. This volume commemorates the 400th anniversary of the founding of the Baptist movement in 1609.

**Spiritual Mapping in the United States and Argentina** René Holvast, 2009 Referring to U.S. Evangelicalism and Neo-Pentecostalism, this book presents a comprehensive historical description of the movement and concept of Spiritual Mapping, with special attention to theological and anthropological concepts. The result is a fascinating picture of modern Christian Americanism.
