Jane Harrison, Stolen Arthur Kutsch, Jane Harrison, 2005

**Jane Harrison, Stolen** Arthur Kutsch,

Stolen Jane Harrison, 2007 Tells of five young Aboriginal children forcibly removed from their parents, brought up in a repressive children's home and trained for domestic service and other menial jobs. This tender and moving story goes further than any previous account to bring the tragic human story of the Stolen Generations to the Australian stage.

**The Visitors** Jane Harrison, 2023-08-30 The most exciting debut in 2023, *The Visitors* is an audacious, earthy, funny, gritty and powerful re-imaging of a crucial moment in Australia's history - an unputdownable work of fiction. On a steamy, hot day in January 1788, seven Aboriginal men, Elder statesmen representing the nearby clans, gather at Warrane. Several newly arrived ships are in the harbour. The men meet to discuss their response to these Visitors. All day, they talk, argue, debate. Where are the Visitors from? What do they want? Might they just warra warra wai back to where they came from? Should they be welcomed? Or should they be made to leave? The decision of the men must be unanimous - and will have far-reaching implications for all. Throughout the day the weather is strange, with mammatus clouds, unbearable heat, and a pending thunderstorm ... Somewhere, trouble is brewing. From award-winning author and playwright Jane Harrison, *The Visitors* - based on her smash hit play of the same name - is powerful, playful, provocative and moving, a radical re-envisioning of history and an unputdownable work of fiction - think *Twelve Angry Men* but with an authentic Australian flavour and humour.

**The Raped Earth** Sophia Z Kovachevich, 2021-01-04 This book looks at the relationship between man and the environment and our betrayal of our duty to the environment. It shows how we have degraded and hurt and harmed that which we were to protect and care for. This book shows comprehensively the close relationship between man's actions and the reaction of the environment to those actions. It also has some suggestions as to how we can at least try to undo the harm we have caused. It is about the rape of the earth - pollution, landfills, killing of the animals, fish, fowl, desecration of nature etc.

**Rainbow's End** Jane Harrison, 2023-10 *Rainbow's End* chronicles the lives of three generations of Koori women - unsung heroes who fight the good fight every day from their humpy on Yorta Yorta country.

*The Visitors* Jane Harrison, 2021 On a sweltering day, 26 January, 1788, on a bluff high above Sydney Cove, seven Aboriginal men stand looking out to sea. Moored off shore is a huge nowee (boat) . then there are two, then more. Who are these visitors Where are they from What do they want Should they be turned away -'by force -'or welcomed to country. In *The Visitors*, Muruwari playwright Jane Harrison (*Stolen*, *Rainbow's End*) reimagines the arrival of the First Fleet from a First Nations' perspective. These senior men, carrying the weight of cultural responsibility in their very human hearts, must decide what action they'll take toward these unwanted arrivals. A decision, under pressure, that will have repercussions - 'unforeseeably and forever. Told with wit, charm, and a fierce intelligence, Harrison's story upends the dominant point of view of this pivotal event. Annotated and with an introduction by Wesley Enoch. 'I do not doubt that *The Visitors* will take its

place alongside *Stolen* as a touchstone of Australian theatre, and as an essential part of the continuing struggle to make sense of colonisation
