**The Empty Room** Elizabeth DeVita-Raeburn, 2007-03-13 DeVita-Raeburn does for bereaved siblings what Motherless Daughters did for mourning daughters, shining light on a largely unexamined, profound loss and offering help and hope for fellow survivors.

**The Empty Room** Sarah Clemens, 2016-05-13 Rain soaked and dreary, it was a 1901 abandoned Victorian that newlyweds Dean and Elizabeth Montgomery hoped would fulfill their dreams of a new start in life, even if the town of Eastbrook, Maine was nestled under a constant blanket of fog. The first neighbor the couple meets dashes those hopes when he raises a bizarre question: what happened to the last person who lived in their house? A cryptic question, but nothing to worry about. At least not until the couple looked under the floorboards inside the house. Under mounting pressure from the residents of Eastbrook to stop questioning the past, Dean and Elizabeth are driven deeper into the history of the house, the town, and their neighbors. When the couple discovers what happened in Eastbrook, keeping the secret could save their lives, but uncovering the truth might be worth the risk. What happened inside The Empty Room is a mystery until the last page. A gripping psychological suspense, the story takes readers on a cat-and-mouse game where some secrets are better off hidden.

*An Empty Room* Talitha Stevenson, 2005 Inspired by her own experience of growing up too fast among families affected by divorce, Stevenson's debut questions perceptions of sexual intimacy as an endlessly renewable resource and asks if it is possible to simply use it up.

**The Empty Room** Sadia Abbas, In 1970s Karachi, where violence and political and social uncertainty are on the rise, a beautiful and talented painter, Tahira, tries to hold her life together as it shatters around her. Her marriage is quickly revealed to be a trap from which there appears no escape. Accustomed to the company of her brother Waseem and friends, Andaleep and Safdar, who are activists, writers and thinkers, Tahira struggles to adapt to her new world of stifling conformity and to fight for her identity as a woman and an artist. Tragedy strikes when her brother and friends are caught up in the cynically repressive regime. Faced with loss and injustice, she embarks upon a series of paintings entitled 'The Empty Room', filling the blank canvases with vivid colour and light. Elegant, poetic, and powerful, The Empty Room is an important addition to contemporary Pakistani literature, a moving portrait of life in Karachi at a pivotal moment in the nation's history, and a powerful meditation on art and the dilemmas faced by women who must find their own creative path in hostile

conditions.

**The Empty Room** Jon Mikkelsen, 2008-09 When he and his family help finish a Habitat for Humanity house, Connor expects to be bored, but when another boy is assigned to help him paint a bedroom, the results are surprising.

**The Empty Room** Lauren B. Davis, 2013-05 A raw and groundbreaking journey to the depths of addiction, from the author of *Our Daily Bread*, longlisted for the Giller Prize. Colleen Kerrigan wakes up sick and bruised, with no clear memory of the night before. It's Monday morning, and she is late for work again. She's shocked to see the near-empty vodka bottle on her kitchen counter. It was full at noon yesterday; surely she didn't drink that much last night? As she struggles out the door, she fights the urge to have a sip, just to take the edge off. But no, she's not going to drink today. But this is the day Colleen's demons come for her. A very bad day spirals into night as a series of flashbacks take the reader through Colleen's past--moments of friendship and loss, fragments of peace and possibility. The single constant is the bottle, always close by, Colleen's worst enemy and her only friend. In this unforgettable work, acclaimed novelist Lauren B. Davis has created as searing, raw and powerful a portrayal of the chaos and pain of alcoholism as we have encountered in fiction. Told with compassion, insight and an irresistible gallows humor, *The Empty Room* takes us to the depths of addiction, only to find a revelation at its heart: the importance and grace of one person reaching out to another.

**The Empty Room** Brian McGilloway, 2022-03-31 What do you do when your child disappears? 'A hugely compelling story of loss, grief and vengeance, *The Empty Room* is probably the best novel yet by one of our finest mystery writers. Unmissable.' John Connolly 'The tension and heartbreak kept me turning the pages' Patricia Gibney 'A searing, thrilling and heartbreaking look at life, loss and revenge, expertly handled by a hugely talented storyteller' Chris Whitaker Pandora - Dora - Condrón wakes one morning to discover her 17-year old daughter Ellie, has not come home after a party. The day Ellie disappears, Dora is alone as her husband Eamon has already left for the day in his job as a long-distance lorry driver. So Dora does the usual things: rings around Ellie's friends... but no one knows where she is. Her panic growing, Dora tries the local hospitals and art college where Ellie is a student - but then the police arrive on her doorstep with the news her daughter's handbag has been discovered dumped in a layby. So begins Dora's ordeal of waiting and not knowing what has become of her girl. Eamon's lack of empathy and concern, Dora realises, is indicative of the state of their marriage, and left on her own, Dora begins to reassess everything she thought she knew about her family and her life. Increasingly isolated and disillusioned with the police investigation, Dora feels her grip on reality slipping as she takes it upon herself to find her daughter - even if it means tearing apart everything and everybody she had ever loved, and taking justice into her own hands. Praise for *The Empty Room* 'Superb' Natasha Cooper, *Literary Review* 'A finely calibrated account of loss, grief and simmering rage' *Irish Times* 'A powerful portrayal of one mother's desperate ordeal... perceptive' *Sunday Independent* 'The Empty Room has all the elements of great drama - murder, revenge, sacrifice - along with complex moral questions that will

keep you engaged long after the final thrilling page' Martina Murphy 'A compulsive, addictive, heart rending read, The Empty Room is a tale of grief and loss, and ultimately redemption, that puts Brian McGilloway at the very top of the game. I could not put it down' Sam Blake 'Masterful, humane, compelling, beautifully written, utterly convincing - and without a wasted word' Catherine Kirwan 'The Empty Room is a tense, and at times claustrophobic, slow-burner which builds to a devastating conclusion' Claire Allan 'A tense thriller' Irish Daily Mail 'The Empty Room surely secures Brian's place as one of the best writers out there. . . a thoughtful exploration of a mother struggling with a changed world. . . exceptional' Chris MacDonald 'High tension and high emotion make this story a page turner' Roisin Meaney 'An utterly gripping and propulsive read, as one would expect from one of Ireland's finest thriller writers' Irish Independent

**The Empty Room** Brandon Lewis,2024-12-14 In The Empty Room, the silence speaks volumes, echoing with the weight of unspoken words and unfulfilled dreams. This collection of poignant verses invites readers to explore the depths of solitude, longing, and introspection within a stark environment where everything and nothing coexist. Each poem acts as a doorway to memories, revealing the fragility of human connection and the haunting beauty of absence. Through vivid imagery and lyrical storytelling, the author captures the essence of emptiness-transforming it into a space rich with emotion and thought. As you wander through the pages, you'll discover reflections on love lost, the passage of time, and the quiet hope that lingers amidst desolation. The Empty Room is not just a journey into loneliness; it's a celebration of resilience, urging you to find meaning in what remains when the noise fades away.

**The Empty Room** Elizabeth DeVita-Raeburn,2004 The younger sister of a boy who died in his teens of a rare autoimmune disease describes the loving bond they shared and draws on interviews with more than two hundred sibling survivors to consider the complex emotional impact of losing a brother or sister. 35,000 first printing.

Empty Rooms Jeffrey J Mariotte,2015-01-21 With Empty Rooms, bestselling award-winning novelist Jeffrey J. Mariotte introduces crime savant Krebbs and obsessive comic book fan Robey, who will quickly join the ranks of the most beloved heroes of thriller literature. Richie Krebbs is an ex-cop, a walking encyclopedia of crime and criminals who chafes at bureaucracy. Frank Robey quit the FBI and joined the Detroit PD, obsessed with the case of a missing child and unwilling to leave the city before she was found. When Richie unearths a possible clue in one of Detroit's many abandoned homes, it puts him on a collision course with Frank—and with depths of depravity that neither man could have imagined. How do people who dwell in the darkest places—by profession or predilection—maintain their connection to the world of light and humanity? Richie and Frank will need every coping mechanism at their disposal to survive their descent into darkness and emerge unbroken on the other side. This is not a book for the timid or easily shocked...despite this, Empty Rooms remains a highly recommended read." —Mystery Scene

**The Empty Room** Elizabeth DeVita-Raeburn,2006-09-01 When the author was 6, her older brother & best friend, Ted,

was taken to the hospital. He had to spend 8 years in a plastic bubble, where he died of a rare autoimmune disease at age 17. This is her unflinching, often haunting recollection of life with Ted, woven into a larger exploration of the enormous -- & often unacknowledged -- impact of a sister's or brother's death on remaining siblings. Here, she draws on interviews of more than 200 survivors to render a powerful portrait of the range of conditions & emotions, from withdrawal to guilt to rage, that attend such loss. Those who suffer present a complex understanding of the sibling bond, the lifelong impact of the severing of that bond, & the tools needed to heal & move forward.

**Empty Room** Elijah Ivry, 2020-06-18 The third installment in Elijah Ivry's line of literary works. *The Book of Life* Stuart Nadler, 2011-09-01 Forced together on a trip from Manhattan to Rhode Island, a father and son attempt to renew their bond over lobster, cigarettes, and a buried secret. A pure-hearted artist finds his devotion cruelly tested, while his true love tries to repent for the biggest mistake of her life. Unwittingly thrust into an open marriage, a man struggles to reconnect with his newly devout son. And in the book's daring first story, an arrogant businessman begins a forbidden affair during the High Holidays. Written in clear, crystalline prose, *The Book of Life* comprises seven stunning tales about faith, family, grief, love, temptation, and redemption that signal the arrival of a bold and exciting new writer.

**Voices in an Empty Room** Francis King, 2009-11 Was it simply, in the coroner's words, a stupid and tragic accident? Sybil Crawford would never have expected her brother, Hugo, to die like that, so suddenly, in a fall from the balcony of a Brighton hotel. The handsome, intelligent headmistress of a girls' school on the south coast, Sybil is not alone in desperately wanting 'but two hours converse with the dead'. Lavinia Trent, the well-known actress, and Bridget Nagel, whose journalist husband was killed in the Falklands, are equally ready to enter the bizarre, comic, unnerving world of paranormal experiment. 'Gripping entertainment from start to finish' Listener 'False trail follows false trail; the curtain is tantalizingly lifted and then, again, lowered' . . . King is now writing at the height of his powers' Spectator 'His most masterful, comic and moving novel yet' Financial Times

*Gethsemane* Anna M. Morrison Reed, 1915

*The Way of Light* Frederick Mundle, 2021-05-19 THE WAY OF LIGHT: The Way of Light focuses on the true Light (John 1:9) of the world (John 9:5) who came to enlighten every man to take him/her out of darkness (John 8:12). Any who do come to believe in the Light (Jesus) become sons and daughters of the Light, in fact children of the Light (1 Thessalonians 5:5). They will become Light bearers and shine as light in the world (Philippians 2:15). On numerous occasions within the context of these essays, the reader will encounter absolute truths regarding His being the Light. Readers will encounter various Scriptures which will testify to the claims Jesus made regarding His being the Saviour of the world. Most essays contain a minimum of 400 words, although some will be longer in length. Each essay will point the way to the Light (Jesus) in countless examples throughout the course of the book. For those who already follow the way of the Light (Jesus), they will discover examples as to how to share the Light (Jesus) with friends, family, relatives and associates. The Scripture states that none can come to Jesus unless the Father draws him/her (John 6:44) and that to be drawn into believing (faith) comes by the word of God (Romans 10:17). Many events point to a soon return of Jesus Christ who is the way, the truth and the life (John 14:6). THE WAY OF LIGHT in each of its individual compositions will point the reader to the true Way of Light.
