Lockhart and released by Delacorte Press in 2022, serves as a precursor to Lockhart's earlier work, We Were Liars, published in 2014. It revolves around the story of Caroline Carrie Sinclair, set against the backdrop of her family's secluded island, Beechwood, during the late 1980s. As Carrie grapples with addiction, the loss of her sibling, and her sense of belonging within her family, her encounters with a visitor named Pfeff throw her life into turmoil, revealing the depths of darkness within her. Caught on Screen James Findlay,2025-09-18 From innocent criminals to radical revolutionaries, feisty feminists to manly pioneers, egalitarian settlers to violent invaders, *Caught on Screen* shows how over successive generations the shape-shifting convict emerged on screen as a potent historical symbol. Convicts loom large in Australian history. As transported criminals and the first European settlers, they have shackled the nation to a curious and contested origin story. Historians were largely silent on their exploits until the second half of the twentieth century, but before then a tradition of convict representation on screen appeared with the rise of cinema, taking hold of the popular imagination. From silent films to more recent television series, screen culture has elevated the convict experience to become a key historical narrative through which filmmakers and audiences have repeatedly reframed and challenged an understanding of Australia's colonial past. *Caught on Screen* traverses this history of convict representation for the first time. Through detailed archival research into their production and reception, the book explores engaging case studies produced in Australia and internationally, including the work of Douglas Sirk, Alfred Hitchcock and Jennifer Kent. It illuminates the fact that the convict as historical symbol is one that intersected with, and helped to direct, major debates about nationalism, the legacies of colonisation, Aboriginal dispossession and the origins and character of Australian society.
