The Way of the Master Basic Training Course Kirk Cameron, Ray Comfort, 2005-09 Based on the award-winning TV series The Way of the Master, the Basic Training Course is ideal for learning to simply and confidently share the gospel with family, friends, and strangers. This eight-session DVD course will teach you to overcome your fears by using a proven, powerfully effective way to make the gospel make sense. Learn to bypass the intellect (the place of argument) and speak directly to the conscience (the place of knowledge of right and wrong)--the way Jesus did. Using a captivating teaching style, Kirk and Ray not only tell you how to witness, they show you, through fascinating on-the-street conversations with gang members, atheists, cult members, intellectuals, etc. Weekly homework assignments will gradually coax you out of your comfort zone to reach your loved ones for Christ. You will be inspired and motivated as you learn, watch, and then do. Includes: 4 DVDs, 4 CDs, 120-page Study Guide, Quick Reference Card, 300 Icebreakers (tracts), and Promotional materials

The Way of the Master Ray Comfort, 2006 The Way of the Master is the flagship work of Ray Comfort and Kirk Cameron's organization. It anchors their television program, radio program, and website. Considered by many to be the definitive text in evangelism, this book is coming to Bridge-Logos to be updated, expanded, and illustrated with photographs for Spring 2006 release. It's an anecdotal, loaded with commentary and remarks that are more conversational than academic. It's an easy read with a hard message that has already changed the face of sharing faith.

Chisel Me, Lord!: An Exposition on Spiritual Formation Jimmie Davis Compton, Jr., 2014-10-29 A refreshing and liberating perspective to the church member who has actively participated in the life of their local church for 10, 15, 20 or more years, yet still feels spiritually dry. The author peels back the institutional veneer of the local church to delve into the spiritual dynamics that operate organically within and upon souls that believe in Jesus Christ. This divinely inspired work shines a much needed guiding light upon key faith concerns that impact the liveliness of a believer's walk, regardless of his/her situation of life. Addressed are such concerns as the revolving door of new converts, clarity about the nature of a genuine confession of faith, organic elements of God's transformation of the believer's soul and the necessity of being immersed into the revelation of Christ and His gift of God's life within us. Through this work the institutional veneer around the believer's religious life is put into perspective; thereby enabling a fluid fellowship with Jesus Christ and a vibrant servant.

Go and Preach Rev. Justin M. Steward, 2020 Jesus has called all His followers to participate in two great assignments: to

preach the Gospel (evangelism) and to teach the nations (discipleship and maturity). In this book, the author points out that Christians often emphasize one or the other, but Christ wants us to be about the business of both. Practical instruction is given on how to be a better witness for Jesus, and an onward vision to maturity is humbly presented. A need for evangelism and the truths of eternal judgment are presented with great balance, clarity, and empathy. "If you have a love for God and a love for people, this book will help to equip you to serve our Lord Jesus Christ in this generation. You will be challenged, strengthened, and blessed as you read it." (Rev. John Heyer from the Foreword).

Love's Greatest Joy Les Galicinski, 2012-01-25 The God who is Love rejoices greatly when His people walk with Him in Truth. This book provides the essentials of the Christian life in a way that is theologically rich and inspired by the discipleship teachings of past giants of the faith. It provides a solid theological understanding of the character of God, His purposes and desires for His people. It provides an occasion for inner transformation by teaching, asking questions and providing spiritual exercises that will allow God's Spirit to envelope the reader. It teaches spiritual disciplines that lead to Godly habits and enhance the quality of one's soul-life with God. It also seeks to help the reader to move out into the world as one sent by God to testify to the joyous grace of the God who is Love. This book and integrated study guide was developed with several groups of research participants who contributed to its refinement. It is ideal for individual study or for small groups.

Thanks a Million! Ray Comfort, Kirk Cameron, 2006-07 Join Kirk Cameron as he preaches to the crew on a Hollywood movie set, and as he shares the gospel with hardened criminals and murderers in the LA County Jail, and with famous celebrities, or preaches open-air at a Southern California High School. Be a fly on the wall as a young Christian speaks about spiritual things with Jim Carrey, and as Ray Comfort witnesses to atheists, Jehovah Witnesses, psychics, and gang members, and to the Antichrist on the Left Behind movie set. This publication isn't meant to be an ear-tickling tabloid. It's sole purpose is to teach you what to say, how to say it, and then to send you out on your own million dollar adventure.

Challenges for Inclusion , 2008-01-01 This book reviews current controversies and dilemmas in the educational and

social development of children and adolescents in Britain, India, Bangladesh and Nepal. Britain is contrasted with the Indian Sub-Continent because in theory at least, Britain has policies which should enable young people to be fully integrated within the educational system, whatever the degree of their original disability, while in the Indian Sub-Continent such educational opportunities are denied to many children because of problems of social structure, values, and poverty. The rights of the disabled to full inclusion are emphasized in two chapters by Sharon Rustemier. But a chapter by Dame Mary Warnock whose report to government designed the system for educational inclusion, shows that British policies for inclusion of the disabled are not working. The chapter by Bagley outlines the 'poverty of education' in Britain, which means that in a highly stratified society many children—both poor and disabled - are excluded from mainstream education by decisions based on school policies and neighbourhood disadvantage. India in contrast is a culture in which inclusion of the disabled within educational systems is marred by economic poverty, as well as deliberate policies which deny Dalits (formerly known as 'Untouchables') access to many kinds of educational opportunity. Nevertheless, there are pockets of good practice in India including the legal framework for action, which chapters by Jha and Jaya identify. The history of educational initiatives for social and educational of the very poor of Bangladesh are reviewed in detail since these initiatives illustrate the work of a unique NGO (BRAC—the Bangladesh Rural Advancement Committee) which offers advancement for the poorest of the poor in a nation that is significantly poorer than India. Nepal too is also one of the poorest nations on earth, and we offer a detailed account of the trafficking of women and girls from Nepal into Indian brothels. These girls are permanently excluded from all social and educational networks, and their plight poses a major challenge for the movement for the social and educational inclusion of all children.
