**The World According to Humphrey** Betty G. Birney,2004-02-02 The first in the series about everyone's favorite classroom pet! You can learn a lot about life by observing another species. That's what Humphrey was told when he was first brought to Room 26. And boy is it true! There are always adventures in the classroom and each weekend he gets to sleep over with different students. Humphrey learns to read, write, shoot rubber bands (only in self-defense, of course), turn off TVs, teach English as a second language, and more. With a lock-that-doesn't-lock and an adventurous spirit, what more could a mischievous hamster want? With a fresh voice and an engaging, hamster's-eye view of school, families, and treats to hide in a cheek pouch, Betty G. Birney's Humphrey will elicit laughter and demands for hamsters in every elementary classroom. Also available in Spanish as El Mundo de acuerdo a Humphrey.

**Adventure According to Humphrey** Betty G. Birney,2009-02-05 The fifth book in the beloved and award-winning school hamster series! The students in Room 26 are learning about boats and building their own for a race on Potter's Pond. Humphrey the hamster loves dreaming about being a pirate and watching his friends build ships. But when he mistakenly ends up at sea on the day of the boat race, he finds himself in the middle of more adventure than he bargained for! Humphrey is back in this charming story of a hamster on the high seas of hilarity. Look for all twelve of Humphrey's adventures!

**School Days According to Humphrey** Betty G. Birney,2012 Humphrey the hamster is puzzled when unfamiliar students fill Mrs. Brisbane's classroom at summer's end, but he soon learns that his friends from last year are fine and that the new class needs his special help.

Friendship According to Humphrey Betty G. Birney,2006-07-20 The second book in the beloved and award-winning school hamster series! After the holidays, Humphrey is shocked by a big surprise in Room 26-a new class pet! Humphrey tries to be welcoming, but Og the frog doesn't respond to any of his friendly squeaks or visits (remember, he has a lock-that-doesn't-lock). Plus, the students are so interested in Og, they almost stop paying attention to Humphrey altogether. Humphrey doesn't like the mad-bad-sad feelings he's had since Og came, but luckily he still gets to have adventures with

different kids on the weekends. Friendship can be tricky, but Humphrey is an intrepid problem-solver. If any hamster can become buddies with a frog, he can. Look for all twelve of Humphrey's adventures!

**Surprises According to Humphrey** Betty G. Birney, 2008 While continuing to help his classmates solve their problems, Humphrey, pet hamster of Longfellow School's Room 26, faces many surprises, like rolling in a hamster ball, a substitute janitor who might be an alien, and the possibility of Mrs. Brisbane retiring.

**Summer According to Humphrey** Betty G. Birney, 2010-02-04 The sixth book in the beloved and award-winning school hamster series! When Humphrey hears that school is ending, he can't believe his ears. What's a classroom hamster to do if there's no more school? It turns out that Mrs. Brisbane has planned something thrilling for Humphrey and Og the frog: they're going to Camp Happy Hollow with Ms. Mac and lots of the kids from Room 26! Camp is full of FUN-FUN-FUN new experiences, but it's also a little scary. There are fur-raising wild sounds and smells, and there's something called the Howler to watch out for. Humphrey is always curious about new adventures, but could camp be too wild even for him? Look for all twelve of Humphrey's adventures!

Spring According to Humphrey Betty G. Birney, 2016-03-03 Everyone's favourite classroom hamster is back! Dear Friends, At last, spring has come! Lucky for Room 26 where I'm class hamster because they've got a Family Fun Night planned at Longfellow School. It'll be great to get to know my classmates' families. I might even start thinking about what family means to me - especially as families come in all sorts of shapes and sizes. Happy-happy-happy reading! Humphrey

**Imagination According to Humphrey** Betty G. Birney, 2016-01-05 Humphrey's eleventh adventure celebrates stories, writing, and the power of the imagination! Imaginations are running wild in Mrs. Brisbane's class, but Humphrey is stumped. His friends are writing about where they would go if they could fly, but Humphrey is HAPPY-HAPPY-HAPPY right where he is in Room 26. It's pawsitively easy for Humphrey to picture exciting adventures with dragons and knights in the story Mrs. Brisbane is reading aloud. He has no trouble coming up with Plans to help his friends and tricks to entertain them. His imagination even goes a little too far when he wonders if Carlos's imaginary friend might be a ghost. If only his imagination wouldn't disappear when he tries to write. Luckily, Humphrey likes a challenge, and Mrs. Brisbane has lots of writing tips that do the trick.

**Secrets According to Humphrey** Betty G. Birney, 2014-01-02 Humphrey is back in his tenth adventure in the beloved middle-grade series! So many secrets are flying around Room 26 that Humphrey can barely keep track. Mrs. Brisbane knows a student is leaving, but Humphrey can't figure out which one. (Even more confusing, Mrs. Brisbane seems unsqueakably happy about it.) The class is studying the Ancient Egyptians, and some of the kids have made up secret clubs and secret codes. Even Aldo is holding back news from Humphrey. Humphrey's job as classroom pet is to help his humans solve their problems, but all these secrets are making it HARD-HARD-HARD!

School According to Humphrey Betty G. Birney, 2016 After Humphrey's fur-raising holiday, he was looking forward to returning to Room 26. Mrs. Brisbane is still there, but Humphrey is shocked to find that the classroom is filled with strangers, like Rolling Rosie, Hurry-Up-Harry and Forgetful Phoebe. At first, all Humphrey wants to do is find his old classmates but he soon learns that these new students REALLY-REALLY-REALLY need a helping paw.

Humphrey has always investigated things, like why Speak-Up-Sayeh was so quiet and Tall-Paul and Small-Paul didn't get along, but this is a true mystery--Mrs. Brisbane is missing! She just didn't show up in Room 26 one morning and no one told Humphrey why. The class has a substitute teacher, called Mr. E., but he's no Mrs. Brisbane. Humphrey has just learned about Sherlock Holmes, so he vows to be just as SMART-SMART-SMART about collecting clues and following leads to solve the mystery of Mrs. Brisbane (and a few others along the way). Nominated for twenty-four state awards and the winner of seven, the Humphrey series is a hit across the country.
