Badass Motivations O. Shiba, 2021-07-21 BADASS MOTIVATIONS - Inspirational and Motivational Quotes and Phrases Every Woman Should Read and Listen by Well-Known Dr. O. Shiba Growing responsibilities, disappointments around the corner, change of season: if you are experiencing a bad period, these motivational phrases, among the most beautiful to share, are just what you need to read or listen. When things get tough, many people turn to a motivational quote for a bit of inspiration. Some of these pithy sayings have become celebrated parts of society's lexico. Let's face it: life is not easy. It never has been. Even if we do everything, we can't live our days to the fullest as we most desire, there is always an unforeseen event, another person or an external event that prevents us from continuing on the path we have set for ourselves. So why not make our path a little easier by loading ourselves up with motivational phrases? The beliefs that you can achieve what you want to achieve can be a powerful incentive to try harder. Inspirational quotes can have the power to motivate us, lift our spirit and help us to have more belief in ourselves. The following collection of inspirational quotes are from wonderful people from all over the world and throughout history. It is a wonderful mix of quotes from philosophers, motivational speakers, writers and even presidents. These quotes are not only some of the most inspirational quotes of all time, they are also some of the most famous quotes about life, happiness and success! There's a little bit of implicit coaching that's happening when you're reading or listening to it. It's building that self-efficacy in that kind of dialogue that you're having with yourself. Take a few minutes of your life to read or listen to these inspirational quotes if you want a positive boost and you want to start feeling highly motivated and totally inspired.

The Book of Endless Sorrows Mark Childs, 2025-03-13 The Book of Endless Sorrows is an anthology that combines a diverse range of voices and stories, each contributing to a rich tapestry of themes and narratives. The first story, Hereafter Life After Life, presents Solomon, responsible for overseeing the arrival of the newly deceased at the Gate of Judgment. The narrative covers the judgment process and the separation of memories from the spiritual essence and focuses on themes of purification and redemption. Much of the anthology explores the darker aspects of the afterlife, with vivid descriptions of the Dredge, a sealed underground prison for the most tainted souls. Little Johnny, a noteworthy story, contrasts the otherworldly themes of the book. It follows Jonathon William Green, or Little Johnny, through his turbulent childhood in Greenwich Village during the hippie revolution. The narrative blends humour and poignancy, depicting life in a chaotic and unconventional

setting. Overall, this compelling anthology weaves together themes of life, death, and the afterlife, blending humour, tragedy, and hope. Each story adds depth to the overarching narrative, making it a thought-provoking and engaging read. If you enjoy exploring different perspectives on existential themes, this book is worth your time.

The Badass Body Diet Christmas Abbott, 2024-06-11 This excellent fitness and diet guide from a celebrity trainer should appeal to any woman seeking to improve her body, regardless of body type. —Publishers Weekly CrossFit celebrity Christmas Abbott shows how to attain the body of your dreams with a targeted eating strategy and total-body workout plan that will whip glutes and hips—and every problem area—into top shape. As a formerly skinny fat woman, Christmas Abbott knows

what real women need to get the butt and body of their dreams. In *The Badass Body Diet*, she teaches readers how to spot-reduce excess fat with targeted meal plans and recipes that zap cellulite, and galvanizes them with a quick and simple workout plan for a toned butt—the key to total body fitness. Your glutes are the body's largest and most powerful muscle group—and one of the most beautiful—but they can go dormant, flat, and flabby. *The Badass Body Diet* shows how to whip that butt into shape and provides essential information on how to: Select essential booty foods—the right proteins, fats, and carbs Experience a total body workout with an easy-to-follow, powerful exercise program Improve posture and functional mobility and enhance overall health Target cellulite through diet, workout strategies, and other proven tips And much more. Unlike most one approach fits all diet and exercise books, *The Badass Body Diet* identifies the three types of dieters—Modifiers, Gainers, and Maintainers—and tailors the approach to each, providing specific goals for maximum results. Stop obsessing about a flat belly, Christmas advises. A Badass Body is a birthright, and it starts at the bottom—with a trim and tight tush.

Hero or Villain? Abigail G. Scheg, Tamara Girardi, 2017-11-21 One dimensional television characters are a thing of the past—today's popular shows feature intricate storylines and well developed characters. From the brooding Damon Salvatore in *The Vampire Diaries* to the tough-minded Rick Grimes in *The Walking Dead*, protagonists are not categorically good, antagonists often have relatable good sides, and heroes may act as antiheroes from one episode to the next. This collection of new essays examines the complex characters in *Orange Is the New Black*, *Homeland*, *Key & Peele*, *Oz*, *Empire*, *Breaking Bad*, *House*, and *Buffy the Vampire Slayer*.

Who's the Toughest Dude That's Ever Lived? Gary Mohler, 2024-03-26 Discover what it means to be truly tough. *Who's the Toughest Dude That's Ever Lived?* is a book written by a man for men. It is the result of the author's search for the toughest dude that has ever set foot on planet Earth and the shocking conclusion of that quest. The author recounts the incredible tales of nineteen remarkable and resilient men. Through their stories, readers can be inspired and challenged to examine their own lives and redefine their own notion of toughness. Toughness is a topic with which every adult male has grappled, whether in reality or imagination. Every man has a toughness story. It is not always voiced, but it is there. Toughness strikes at the core of who men are, who they are not, or fear they are not. Join the author's mission to find the ultimate toughest person to have ever existed and find out what the exploration yields!

The Great Wave Michiko Kakutani, 2024-02-20 An urgent examination of how disruptive politics, technology, and art are capsizing old assumptions in a great wave of change breaking over today's world, creating both opportunity and peril—from the Pulitzer Prize-winning critic and author of the New York Times bestseller *The Death of Truth*. “In this dazzling and brilliant book, Michiko Kakutani explains the cascading chaos of our era and points to ways that we can regain some stability.”—Walter Isaacson, author of *Elon Musk* The twenty-first century is experiencing a watershed moment defined by

chaos and uncertainty, as one emergency cascades into another, underscoring the larger dynamics of change that are fueling instability across the world. Since the global financial crisis of 2008, people have increasingly lost trust in institutions and elites, while seizing upon new digital tools to sidestep traditional gatekeepers. As a result, powerful new voices—once regarded as radical, unorthodox, or marginal—are disrupting the status quo in politics, business, and culture. Meanwhile, social and economic inequalities are stoking populist rage across the world, toxic partisanship is undermining democratic ideals, and the internet and AI have become high-speed vectors for the spread of misinformation. Writing with a critic's understanding of cultural trends and a journalist's eye for historical detail, Michiko Kakutani looks at the consequences of these new asymmetries of power. She maps the migration of ideas from the margins to the mainstream and explores the growing influence of outsiders—those who have sown chaos and fear (like Donald Trump), and those who have provided inspirational leadership (like Ukraine's president Volodymyr Zelensky). At the same time, she situates today's multiplying crises in context with those that defined earlier hinge moments in history, from the waning of the Middle Ages to the transition between the Gilded Age and the Progressive Era at the end of the nineteenth century. Kakutani argues that today's crises are not only signs of an interconnected globe's profound vulnerabilities, but also stress tests pointing to the essential changes needed to survive this tumultuous era and build a more sustainable future.

Care for the Sorrowing Soul Duane Larson, Jeff Zust, 2017-10-26 Moral Injury is now recognized as a growing major problem for military men and women. Operant conditioning can overwhelm moral convictions and yet the question of whether to shoot or not to shoot often will never have a settled answer. Certain theories and treatment models about MI have been well developed, but too often overlook root issues of religious faith. The authors propose a new model for understanding moral injury and suggest ways to mitigate its virtually inevitable occurrence in pre-combat training, and ways to resolve MI post-trauma with proven spiritual resources. People outside the military, too, among whom the incidence of MI also is a growing threat, will benefit from this analysis. The stories of the injured--their shaping and their telling--are the key, and there are many illumining stories of moral injury and recovery. Those who suffer MI, their families, and caregivers, including counselors, pastors, and faith communities, will find hope-giving first steps toward the healing of MI in this book.

The Lesbiana's Guide to Catholic School Sonora Reyes, 2022-05-17 National Book Award Finalist * William C. Morris YA Debut Award Finalist * Goodreads Finalist for Best Teen Book of the Year * Walter Honor Award Winner * Pura Belpré Honor Book * Lambda Literary Award Winner for LGBTQ+ Young Adult A sharply funny and moving debut novel about a queer Mexican American girl navigating Catholic school, while falling in love and learning to celebrate her true self. Perfect for fans of Erika L. Sánchez, Leah Johnson, and Gabby Rivera. Sixteen-year-old Yamilet Flores prefers to be known for her killer eyeliner, not for being one of the only Mexican kids at her new, mostly white, very rich Catholic school. But at least here no one knows she's gay, and Yami intends to keep it that way. After being outed by her crush and ex-best friend before transferring to Slayton Catholic, Yami has new priorities: keep her brother out of trouble, make her mom proud, and, most importantly, don't fall in love. Granted, she's never been great at any of those things, but that's a problem for Future Yami. The thing is, it's hard to fake being straight when Bo, the only openly queer girl at school, is so annoyingly perfect. And smart. And talented. And cute. So cute. Either way, Yami isn't going to make the same mistake again. If word got back to her mom, she could face a lot worse than rejection. So she'll have to start asking, WWSGD: What would a straight girl do? Told in a captivating voice that is by turns hilarious, vulnerable, and searingly honest, *The Lesbiana's Guide to Catholic School* explores the joys and heartaches of living your full truth out loud.
