

Beasts Of A Little Land

Juhea Kim

Beasts of a Little Land Juhea Kim, 2021-12-07 Winner of the Yasnaya Polyana Award * Finalist for the Dayton Literary Peace Prize 'Unforgettable' Nguyễn Phan Quế Mai, author of *The Mountains Sing* As the Korean independence movement gathers pace, two children meet on the streets of Seoul. Fate will bind them through decades of love and war. They just don't know it yet. It is 1917, and Korea is under Japanese occupation. With the threat of famine looming, ten-year-old Jade is sold by her desperate family to Miss Silver's courtesan school in the bustling city of Pyongyang. As the Japanese army tears through the country, she is forced to flee to the southern city of Seoul. Soon, her path crosses with that of an orphan named JungHo, a chance encounter that will lead to a life-changing friendship. But when JungHo is pulled into the revolutionary fight for independence, Jade must decide between following her own ambitions and risking everything for the one she loves. Sweeping through five decades of Korean history, Juhea Kim's sparkling debut is an intricately woven tale of love stretched to breaking point, and two people who refuse to let go. Longlisted for the HWA Debut Crown Longlist 2022 * Longlisted for the Not a Bene Prize 2023 'A stunning achievement' TLS

Beasts of a little land Juhea Kim,

City of Night Birds Juhea Kim, 2025-01-09 'A novel that will be read and loved for the next one hundred years, and essential reading for right now. I could not have loved it more.' Coco Mellors, author of *Blue Sisters* 'This story left me thinking about the ways we overcome setbacks and redefine what truly matters.' Reese Witherspoon A REESE'S BOOK CLUB PICK FOR DECEMBER 2024 * A HARPER'S BAZAAR BEST BOOK OF 2024 Slowly recovering from a terrible accident, Natalia is faced with a devastating choice - to return to the cutthroat world of Russian ballet that nearly broke her, or to walk away forever - in this sweeping novel of love and redemption Prima ballerina Natalia Leonova was once celebrated across the world, her signature bravura in demand on stages from St. Petersburg to Paris to New York. But at the top of her career, an accident forces her into sudden retirement. Injured and alone, she turns to pills and alcohol to numb the pain of her past, still haunted by her relationships with two gifted dancers, Dmitri and Alexander. These men were responsible for her soaring highs, her darkest hours and, ultimately, both played their part in her downfall. So when Dmitri resurfaces with a tantalising offer for Natalia, she must decide what she is willing to sacrifice in order to dance again - and for the chance to return to the great love of her life. Painting a vivid portrait of a world in which ruthless ambition, desire and sublime artistry collide, City

of Night Birds unveils the making of a dancer with profound intimacy and breathtaking scope. From the author of *Beasts of a Little Land*, winner of the Yasnaya Polyana Award 'A beautifully crafted must read' Jason Mott, author of *Hell of a Book*

A Commentary on the Revelation of Jesus Christ with Old Testament Allusions Bob Cunningham, 2020-06-07
Many people struggle with the book of Revelation because it is filled with strange symbols, numbers and bizarre images of beasts and visions. A blessing is promised (Rev 1:3) to all who read it but it cannot be received if one is intimidated by engaging the book. The key to understanding it lies in the context in which it was written which is the Old Testament. This book attempts to open up the reader to greater understanding of the book by giving the Old Testament references that John's readers would have been familiar with for the passages the Holy Spirit inspired John to write. .
