*Native American Legends: Stories Of The Hopi Indians Vol One* G.W. Mullins,2018-02-05 Native American Indian culture is known for its rich oral traditions. In many cases there were no written languages to document their histories. The tribes relied on verbal communication to share their customs, history, rituals and legends. The tribal elders used vibrant tales to pass information to the younger generations. These stories were not only related to tribal history but were meant to entertain as well as educate, while preserving their tribal culture. The Hopi Indians culture was and is rich with these stories. With a past stretching back thousands of years, they are one of the oldest living cultures in documented history. The tribe's teachings relate stories of a great flood and other events dating to ancient times. The Hopi trace their ancestry back to the Ancient Puebloan and Basketmaker cultures. They were responsible for many stone structures and artifacts of the Grand Canyon and across the Southwest. Included in this book, which is one of two volumes is a huge collection of the stories of the Hopi Indians. Without books and without writing the Hopi have an extensive literature. These stories have been collected with the main purpose of preserving the ancient stories of Native American life. Over the years, many collectors have recorded several versions of some of these tales. So keep in mind there is some variation to what has been collected. You are invited to enjoy the culture and as in true Native tradition, share these stories with the next generation.

**Native American Legends: Stories Of The Hopi Indians Vol Two** G.W. Mullins,2018-02-05 Native American Indian culture is known for its rich oral traditions. In many cases there were no written languages to document their histories. The tribes relied on verbal communication to share their customs, history, rituals and legends. The tribal elders used vibrant tales to pass information to the younger generations. These stories were not only related to tribal history but were meant to entertain as well as educate, while preserving their tribal culture. Each time an elder told a story, new life was breathed into it. The telling of the stories gave a revived meaning to the tribe's past and their relations to the earth and the animals they had depended on for existence. The Hopi Indians culture was and is rich with these stories. With a past stretching back thousands of years, they are one of the oldest living cultures in documented history. The tribe's teachings relate stories of a great flood and other events dating to ancient times. The Hopi trace their ancestry back to the Ancient Puebloan and Basketmaker cultures. They were responsible for many stone structures and artifacts of the Grand Canyon and across the Southwest. A deeply religious people, they live by the ethic of peace and goodwill. There was a time in Hopi history that when

crops were harvested, religious ceremonies had been performed, and the winter wood had been collected. It was at this time that the people broke out into dance and story-telling. It was a time of sharing a rich history. With this book, that time is now. Included in this book, which is one of two volumes is a huge collection of the stories of the Hopi Indians. Without books and without writing the Hopi have an extensive literature. These stories have been collected with the main purpose of preserving the ancient stories of Native American life. Over the years, many collectors have recorded several versions of some of these tales. So keep in mind there is some variation to what has been collected. *Medicine Man - Shamanism, Natural Healing, Remedies And Stories Of The Native American Indians G.W.*

Mullins,2018-02-05 The legend of the Native American Medicine Man goes back for thousands of years. Many of the Native Americans turned to the Medicine Man for the knowledge of mixing herbs, roots and other natural plants that helped to heal various medical conditions. But remedies were not the only part of the healing process. Healing practices varied from tribe to tribe. Many involved ceremonies, and rituals that healed the spirit and mind as well as the body. The end goals was to find a complete harmony within themselves, their creator, the environment and the people around them. As was the way of the Native American Indians, these practices were handed down from generation to generation by word of mouth. They were never documented in writing. Many tribes had no written language, except for the Cherokee. They in later years documented some of their practices for their preservation and history. Today many modern medicines are based on plants and herbs that were used by the Indians. Many of the remaining tribes continue to guard the knowledge of their medicine people and the subject will not be discussed with non-Native Americans. Many believe that sharing of the healing knowledge will weaken the spiritual power of the medicine. In this book you will learn of the medicine man, medicine wheels, herbal treatments, songs for healing and the ways of Body, Mind and Spirit. You will learn to channel the power of the universe and use it to be in better health and achieve life goals. You will learn the ways of Native Americans and a forgotten path to inner harmony.

**The Native American Story Book Volume Four Stories of the American Indians for Children G.W.**

Mullins,2018-02-06 Native Americans use storytelling to get to know one another, as well as, passing history and messages on to newer generations. These stories are a heritage, but they will be known only as long as they are told. When someone ceases to tell a story, part of our cultural knowledge is gone. The stories of Native American Indians have always possessed some greater meaning. They are often based in nature or about animals. And even though the tribes may vary in location or beliefs, deep within you will find a common thread. Respect for nature can be heard in stories from tribes from Canada to Florida. The stories included in this book show Native American storytelling at its best. Among the stories included in this fourth volume Of the Native American Story Book are: The Woman and her Bear, The Story of Winter Snow, The Warrior of High Cliff, The Sacred Pipe of the T'salagi, The Origin of Fire and the Canoe, The Long Journey, A New Bow for Tani, The

Trickster's Great Fall and His Revenge, Grandfather Thunder, The Origin of the Doll Being and many, many more.

**The Native American Story Book Volume Five Stories of the American Indians for Children G.W.**

Mullins, 2018-02-06 Native Americans did not write down or record their history, so we have to find out about their past in other ways. They used games, myths, dance, and impersonation to teach the children of their history and ways of life. Their storytelling was filled with family, heritage and stories of the earth. It is through storytelling, that the rich history of the Native American tribes is alive and well today. It has been shared and preserved and still pays tribute to fallen heroes of the past. It is through these glimpses into the past, and these stories much like the ones that are contained in this book, that you can see what a proud heritage they possess and how in tune with the Earth Native Americans really are. Included in this collection are: The Story of the Land of Northern Lights, The Legend of the Bear Family, The Origin of Summer and Winter, The Story of the Buffalo-painted Lodges, The Story of the Camp of the Ghosts, Creation of the First Indians, The Story of the Little Burnt Face, Origin of the Sweat Lodge, Rabbit and the Moon Man, Ghost of the White Deer, Unktomi and the Arrowheads, The Story of the First Pine Trees, Raven and His Grandmother, The Story of the Snow Man, The Origin of Medicine, and many more.

**Story Teller An Anthology Of Folklore From The Native American Indians G.W.** Mullins, 2018-02-12 Before the time of books, computers, tablets and recording devices, the history of many cultures was passed down, from person to person, by word of mouth. The rich histories of so many people were told in songs, chants, poems and stories. This was and still is the way of Native American tribes. Each in its own way enriching their stories with their own experiences. By exploring these stories, you will be offered you a glimpse into an often forgotten past. By reliving these stories and songs, we have the opportunity to bring life back to the ancient spirits that created them. We have a chance to walk with the spirits of the past. These stories were passed from one generation to the next. And now these stories are given to you, to carry forward for younger generations to explore and learn. The mythology of North America is a cultural treasure house, but many of these myths and legends are hidden away in various old and rare books. It would be difficult for the average person to track down and collect this material because the rarity of some of these books makes them hard to acquire. So, this vast body of wisdom lies out of reach of most people... until now. Included in this anthology are over 100 stories in the categories of Star People, Animal Tales, People Tales, War Tales, Origin Tales and Ghost Tales. Among the stories collected are: Origin of the Sweat Lodge, The Story of Poia, The Story of the Land of Northern Lights, Tale of the Lazy Boys Who Became the Pleiades, The Moon and the Thunders, The Two War Gods and the Two Maidens, The First War, A Widow's Revenge, A War Between the Alabama And the Choctaw, The Death of Head Chief and Young Mule, Two War Trails, Escape of The Seneca Boys, The End of The First World, Mistakes of Old Man, Iktomi's Blanket, Iktomi and the Muskrat, Beaver Medicine, The Badger and the Bear, The Tree Bound, The Simpleton's Wisdom, Crossing the Red Sea, Wakiash and the First Totem Pole, The Dogs of the

Chief's Son, The Orphan Boy Captured by the Bad Thunderbirds, Godasiyo the Woman Chief, Lodge-Boy and Thrown-Away's Father, Blue Corn Maiden and the Coming of Winter, The Beginning of Newness, The Origin of the Society of Rattlesnakes, Origin of the Raven and the Macaw, How Glooskap Found the Summer, Raven's Great Adventure - How Raven Lost His Beak, Apache Creation Story, How the Old Man, Made People, Origin of the Medicine Man, When the Animals and Birds Were Created, Creation of the First Indians, A Little Brave and the Medicine Woman, The Man Who Was Afraid of Nothing, The Ghosts' Buffalo, The Land of the Dead, The Skin Shifting Old Woman and many more.
