*Reminders of Him* Colleen Hoover, 2022-02 After serving five years in prison for a tragic mistake, Kenna Rowan returns to the town where it all went wrong, hoping to reunite with her four-year-old daughter. But the bridges Kenna burned are proving impossible to rebuild. Everyone in her daughter's life is determined to shut Kenna out, no matter how hard she works to prove herself.

**Reminders of Him** Colleen Hoover, 2026-01-06 Released from prison, Kenna Rowan returns to the town where it all went wrong, hoping to reunite with her four-year-old daughter, but with everyone against her, she turns to local bar owner Ledger Ward who, risking everything, secretly helps her make amends.

*Summary of Reminders of Him* Alexander Cooper, 2023-01-16 Reminders of Him - A Comprehensive Summary Reminders of Him by Colleen Hoover was as of late conveyed, and I understand there's been a lot of energy among her fans around the appearance of her freshest book. (What's more it's free on Kindle Unlimited to seek after a free starter.) Ensuing to getting Verity, I didn't know whether her books were really a solid match for me, but I've been in the disposition for some feeling as of late, so I regularly Hoover's latest conveyance was on my radar. I similarly comprehended that Verity was a more prominent measure of faint opinion (which isn't really what I'm into), which is perhaps why I didn't see the value in it. Assists with recalling that Him seemed like it might be considerably more a misfortune and perhaps a bit sure, which I understood I'd will undoubtedly bounce on board with. In Reminders of Him, Kenna has actually gotten away from prison for a heavy drinker driving disaster that achieved her darling Scotty's passing. After the incident, she'd learned she was pregnant and had gone to prison in a split second some time later. By and by, following five years, she returns to town needing to see her young lady, yet she ends up associating with Scotty's dearest friend who she hadn't met before then. The contracted type of this review is that this book is a fair type of unequivocally the sort of book it's meaning to be. Thusly, if you want a misfortune y feeling, you'll no doubt genuinely it. A more extended out variation of this is to say that my overall impressions of this were all things considered sure. Basically, I found the central ardent plotline in it to be sweet and convincing. I partook in that there was an incredible development to their relationship which felt sensible. It helps that the piece and pacing are both solid, which you'd expect from a pre-arranged maker like Hoover. Exactly when I at first read the explanation, I was a little stressed that this book would be all things considered a grouch, and I think it successfully could've transformed into a semi-

putting story in some unsuitable hands down. In any case, Hoover really buckles down of managing the tone of the novel so it feels energetic, yet completely not exorbitantly troubled. The male saint is an all-around traditional ardent legend, but I liked that the principal individual of Kenna had a charming sensation of character which helped me with appreciating and root for their relationship. Kenna is depicted as someone with a deplorable puberty, achieving being someone in her more-young years who wasn't really set up, dressed somewhat provocatively and wasn't the sort of individual watchmen required their youngster to get back. I adored her deformities, and it made the story feel fairly more real to me. Here is a Preview of What You Will Get: □ A Detailed Introduction □ A Comprehensive Chapter by Chapter Summary □ Etc Get a copy of this summary and learn about the book.
