## Harold Robbins

**Never Enough** Harold Robbins, 2002-08-19 David Shea, a high-powered Wall Street investment banker, has a past that won't be denied. As a teen, he led a group of four friends to beat a local bully to death and let someone else take the rap. David has managed to avoid every bad break, but in a life of big money payoffs, potentially lethal pitfalls, and legal wrangling, fate is bound to get the upper hand at least once.

**Harold Robbins** Andrew Wilson, 2011-01-15 During his fifty-year career Harold Robbins, the godfather of the airport novel, sold approximately 750 million copies of his books worldwide. His seventh novel, *The Carpetbaggers*, a steamy tale of sex, greed, and corruption loosely based on the life of Howard Hughes, is the fourth-most-read book in history. As decadent as his fiction was, however, his life was just as profligate. Over the course of his five-decade career, Robbins spent money as quickly as he earned it, reportedly wasting away \$50 million on everything from booze and drugs to yachts and prostitutes. Based on extensive interviews with family members and friends, including Larry Flynt and Barbara Eden, Harold Robbins examines the remarkable life of the man who gave birth to the cult of the modern bestseller and introduced sex to the American marketplace.

**Sin City** Harold Robbins, 2001-01-01 The big time in Las Vegas always comes at a cost, as Jack Lucky Riordan is about to learn. He is the illegitimate son of Howard Hughes and will do anything to hit the big time.

**The Carpetbaggers** Harold Robbins, 2007-05 This legendary masterpiece--the most successful of Robbins's many books--tells a story of money and power, sex and death, and is available once again in an exciting new package. Reissue.

**The Stallion** Harold Robbins, 2012-12-25 Loren Hardeman, known as Number One, is gradually transferring control of Bethlehem Motors to his grandson, Loren Hardeman III--a man possessed with his father's cunning, but sadly lacking in his ability to go for the kill. So when Angelo Perino, an outsider previously nurtured by Number One, threatens the position held by Hardeman III, what ensues is a battle of wills in which integrity takes a backseat to animal instinct, and in which there can only be one winner. Bursting with huge ingredients of lust, greed, sex, and intrigue--and a plot full of twists and double-crosses--this is Harold Robbins at his sizzling best.

*The Pirate* Harold Robbins, 2010-06-25 Badyr Al Fay is one of the richest men in the Middle East and can have any woman he wants. Born in a desert sandstorm that takes his mother's life, he is raised as an Arab, unaware of his true Israeli identity.

But his life-and his fate-are controlled by two women: the woman he once loved who cannot seem to recapture his heart, and the woman searching for the father who left her many years ago. As he becomes increasingly entangled in the political web that surrounds his businesses, he must decide who he can trust-and finds both enemies and allies in the unlikeliest places. The powerhouse storytelling of Harold Robbins shines through in *The Pirate*, a commanding tale of luxury and decadence, greed and passion, high finance and international intrigue against a backdrop of Mideast oil and global terrorism. Whether discovering his works for the first time or re-reading an old favorite, find out why Harold Robbins is the bestselling American author of all time.

**Harold and Me** Jann Robbins,2008-12-09 The life, love, and struggles of Harold Robbins, at one time the world's best selling author, through the eyes and the words of the one who knew him best.

**Where Love Has Gone** Harold Robbins,2014-04-25 Harold Robbins once said, For me, the goal is always to make the page disappear and speak to my reader face to face as each character comes to life. The 1962 novel that rocked Hollywood to its core is finally back in print. Ripped from the headlines, *Where Love Has Gone* is inspired by the real-life murder of Johnny Stompanato, Lana Turner's lover, who was allegedly stabbed by the actress' daughter. Luke Carey has a wife and a baby on the way. His future looks bright ... until his past catches up with him unexpectedly. A phone call in the dead of night summons him back to San Francisco to help his fourteen-year-old daughter Danielle, whom he hasn't seen in six years. But helping Danielle means he may have to face his ex-wife Nora—a prospect Luke is none too eager to explore. The inspiration for the 1964 blockbuster film starring Bette Davis.

*The Secret* Harold Robbins,2000-04-22 Book 1: The Predators.

**The Devil To Pay** Harold Robbins,Junius Podrug,2007-08-28 Nash Novak, a struggling Seattle businesswoman who has been framed for arson and murder, is in desperate need of money for her defence. The only way for her to get it: a coffee plantation she has inherited. But there's a catch: she has to run the plantation, deep in the jungles of Colombia, a land of drug lords and warlords.The mysterious inheritance of the plantation, from the father she had never met, comes at the same time a criminal conspiracy is turning her life into a living hell - a conspiracy that stretches all the way to Colombia. Racing to South America, on the run from the police, she becomes entangled with suspicious characters. Things get even more complicated when Nash's quest to clear herself takes her to Shanghai, home of the powerful Chinese Triads that control the flow of dirty money from gambling, prostitution, drugs and murder.Refusing to let the cartel's murderers drive her off the plantation and ruin the lives of hundreds of families who work it, Nash tackles organised crime and police agencies on two continents to save her plantation... and stay alive.

**Never Leave Me** Harold Robbins,2006-03-07 Robbins' New York is the world of big business and the men and women who make it big. Honor and decency are nothing in a city where respect is measured by the size of your expense account.

And it's the city that Brad Rowan, a man on the make, hopes to conquer on his climb to the top, bringing with him the women he loves, uses, and destroys. Drawing from his own experiences in New York, Robbins vividly portrays our eternal desire for greed, desire, and blind ambition, in this timeless tale of success and struggle in the city that never sleeps.

**Heat of Passion** Harold Robbins, 2003-09 After losing his entire fortune due to an investment fiasco, Win Liberte finds his only remaining asset is a bankrupt diamond mine in war-torn Angola and sets out to build an international diamond business.

*Never Love a Stranger* Harold Robbins, 2016-05-21 Based on a \$100 bet with his boss that he couldn't write a novel, Harold Robbins penned his first book, *Never Love a Stranger*. Not only did Robbins win the bet, the novel became a bestseller, was adapted into the classic noir gangster film of the same name starring John Barrymore and Steve McQueen, and launched the career of one of the world's best-selling authors of all time. *Never Love a Stranger*, still considered one of Robbins' most powerful books, tells the story of Francis Frankie Kane, an orphan growing up in the dirty world of New York's Hell's Kitchen. After being kicked out of a Catholic orphanage when it is discovered that he is of Jewish descent, a confused and deeply distraught Frankie turns to a life of crime. It's the only life he knows, and he's good at it. Frankie quickly makes a name for himself and becomes one of New York's most dangerous men, ruling the city with an iron fist and indulging in his passion for sex, power and the best things in life --regardless of whether they're for sale. But Frankie's childhood friend, Jerry, grows to become a tough-as-nails district attorney--determined to bring Frankie down. More than 25 New York Times bestsellers later--many reaching the #1 spot--and with over 750 million copies sold to date, Robbins became one of the most successful authors of all time. This is the novel that started it all--giving the world its first taste of Robbins' world of sex, corruption, and intrigue.

*Never Love a Stranger* Harold Robbins, 1948 This is a big city story - of city streets and heartaches, bread lines and big time, ambition and success - but more than that, this is the story of Frankie Kane, who put a high wall around himself and hung a sign on it that said No Trespassing.--Front flap of dust jacket

**SPELLBINDER** HAROLD ROBBINS ,1982

**Blood Royal** Harold Robbins, Junius Podrug, 2006-10-03 Her Royal Highness, the Princess of Wales, was an ordinary young woman who was picked to be the future queen. Her wedding was a worldwide sensation. But she was deceived and betrayed before the honeymoon was over. Five months after a fairy tale wedding, she threw herself down a flight of stairs when she was pregnant with a future heir to the throne. Suicide attempts, illicit affairs, and paranoia that there were plots by the Royals to kill her became the norm as the fairy tale turned into a horror story. After suffering degradation and humiliation at the hands of her husband, the heir to the British throne, she shot him with one of his own antique pistols. Paranoid that her own attorneys would deceive her, the princess reaches across the Atlantic to hire someone she knows for

certain has no ties to the Crown. Marlowe James is an American trial lawyer. Running away from an abusive home, she supported herself by working as a waitress, rising to become a famous trial lawyer. Marlowe James has been dubbed the burning bed lawyer by the news media because of her successful defense of women who killed their abusive husbands. And to top that, she was the accused in her first murder trial. Now she not only has to do battle in the Old Bailey with barristers loyal to the Crown, she has to come to grips with her own feelings about a woman who has been handed everything any woman would desire---and throws it all away. The explosive tale that will be exposed in the courtroom is one of jealous rage and unfulfilled desires, of sexual deceit by one of the most powerful men on earth---and the bloody revenge enacted by a woman scorned. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**The Betrayers** Harold Robbins, Junius Podrug, 2005-07-10 Luz had nighthead, the sensuous quality in a woman that makes men ache with desire. Nick loved and lusted for her the first time he saw her. But what he didn't know was that Luz had secrets--that beneath the glamour and sex appeal was a woman determined to turn her back on wealth and challenge a corrupt political system. Even if doing so meant her life. Nick started out dirt poor--as a child, he survived the war-torn frozen hell of the siege of Leningrad and saw his mother starve to death as fat-cat bureaucrats ate well. He learned early that there were the haves and have-nots in this world. He was going to get everything rich people had--and more. From a brutal Soviet orphanage to a plantation in the steamy jungles of the Caribbean, from sultry, violent Havana to the dangerous streets of Santo Domingo, Nick battled men who controlled and exploited the wealth of nations. With bootleg vodka and exotic rum, he built a business empire that would one day bring him into conflict with the most brutal dictator in the Caribbean--and a struggle for the love and life of the only woman he ever truly loved. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Tycoon** Harold Robbins, 2012-06-19 Following Jack Lear as he tries his hardest to fit in to the WASP world, this sexy, outrageous, and irresistible novel showcases Harold Robbins at his rip-roaring best. Jack Lear rises from a modest Jewish background to take on the WASP world, but never quite feels like he's succeeded in his ambition to be accepted as one of them. Making his fortune as a pioneering radio and television broadcaster and founding a landmark network isn't enough---nor is the money, fame, and women who go with it. He continues to hunger for what he cannot have. Here is a tale that only Harold Robbins could tell: of Jack's torrid relationship with his first wife, a WASP social heiress; of his affairs with everybody from chamber maids to duchesses; of his second marriage to a world-class beauty and society figure; and ultimately of his life-long struggle to make his network # 1, and to give it a sense of class that sets it apart from all the others.

*Memories of Another Day* Harold Robbins, 2010-06-25 Harold Robbins, the world's most popular and captivating

storyteller, has created what may well be the most significant book ever written about the rise of the labor unions. The 1979 novel, freshly re-released, is the saga of Daniel Boone Big Dan Huggins, who rises from poverty and the mines of West Virginia to become the most respected and feared labor organizer in the nation. Daniel's life and death are tied to the challenges and fortunes of American labor. Once he is gone, his youngest son Jonathan must take up the reins of his father's cause, returning to Daniel's roots to better understand the path that led him to his destiny. Robbins has a gift for combining popular fiction with the most pertinent subjects of the twentieth century, to create a snapshot of the time. Relevant, respectful, and very readable, *Memories of Another Day* proves once again why Harold Robbins' books have sold more copies than any other American writer in history.

The Curse Harold Robbins, Junius Podrug, 2011-11-08 Madison Dupre accepts an offer from a mysterious Dr. Kaseem to investigate the Heart of Egypt scarab stolen from King Tut's tomb, but her travels are hindered by an Egyptian antiquities expert, a seized passport, and the doctor himself.

## **S By Harold Robbins Introduction**

In today's digital age, the availability of S By Harold Robbins books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of S By Harold Robbins books and manuals for download, along with some

popular platforms that offer these resources. One of the significant advantages of S By Harold Robbins books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing S By Harold Robbins versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, S By Harold Robbins books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing S By Harold Robbins books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely

distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for S By Harold Robbins books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, S By Harold Robbins books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous

learning and self-improvement. So why not take advantage of the vast world of S By Harold Robbins books and manuals for download and embark on your journey of knowledge?

## FAQs About S By Harold Robbins Books

1. Where can I buy S By Harold Robbins books?  
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available?
