

S About George Carlin

Harry Gordon Johnson

A Modern Man George Carlin, 2021-11-02 A new collection of greatest hits from one of the greatest comedians of our time, George Carlin, now the subject of the HBO documentary *George Carlin's American Dream*, directed by Judd Apatow and Michael Bonfiglio George Carlin was: "a true, true artist" (Chris Rock)... "the master" (Jon Stewart)... "one of the Mount Rushmore guys in our profession" (Jerry Seinfeld)... "the comedian's comedian" (Jay Leno)... "an icon for comedy" (Margaret Cho)... "a deep thinker and a very, very funny man" (Lily Tomlin)... "one of my heroes" (Stephen Colbert)... "brilliant" (Joan Rivers)... You can't talk about comedy legends without talking George Carlin. Named the greatest standup of all time by XM Radio's "All Time Comedy Greats" (and #2 by both Comedy Central and Rolling Stone), Carlin garnered multiple gold records, 4 Grammys, 6 Emmy nominations, and the Mark Twain Prize for American Humor. He was the first host of SNL, appeared on the Tonight Show some 130 times, and acted in beloved films like *Bill and Ted's Excellent Adventure* and *Dogma*. Dubbed "the dean of counterculture comedians," there was no one like George Carlin. Featuring a foreword by Lewis Black and an introduction by Carlin's longtime best friend and manager, *A Modern Man* is a perfect introduction for new fans and a must-have for longtime fans, showcasing the longevity, range, and—above all—hilarity of the master. Filled with thoughts, musings, questions, lists, beliefs, curiosities, monologues, assertions, assumptions, and other delicious verbal ordeals, it is drop-dead funny tour through Carlin's singular mind. More than ten years after his death, Carlin's characteristically ironic takes on life's annoying universal truths remain thoughtful, fearless, and somehow more relevant than ever.

Brain Droppings George Carlin, 2023-10-10 Sometimes, a little brain damage can help. A book of original humor pieces by beloved comic George Carlin. Filled with thoughts, musings, questions, lists, beliefs, curiosities, monologues, assertions, assumptions, and other verbal ordeals, *Brain Droppings* is infectiously funny. Also included are two timeless monologues, *A Place for Your Stuff* and *Baseball-Football*. Readers will get an inside look into Carlin's mind, and they won't be disappointed by what they find: I buy stamps by mail. It works OK until I run out of stamps. What year did Jesus Christ think it was? A tree: first you chop it down, then you chop it up. Have you ever noticed the lawyer is always smiling more than the client? I put a dollar in one of those change machines. Nothing changed. If you ever have chicken at lunch and chicken at dinner, do you ever wonder if the two chickens knew each other? Carlin demolishes everyday values and yet leaves you laughing out loud.

The Best of Brain Droppings George Carlin, Inc Peter Pauper Press, 2007-06 With his signature dark and daring humor drawn from everyday life, the world at large, and the vagaries of the English language, George Carlin offers his creative finest in *The Best of Braindroppings*. From the random braindropping (When you sneeze, all the numbers in your head go up by one.) to favorite oxymorons (holy war, for one), and from questions to ponder (Why are there no B batteries? for instance) to his classic monologue comparing baseball and football, this little book packs in a lot of laughs.

Outside Looking In John Corcelli, 2022-12-15 John Corcelli, author of *Frank Zappa FAQ*, takes a deep dive into the comedic artistry of George Carlin, one of America's most important funny men. From his early radio days to his most successful comedy albums, Carlin changed the way stand-up comedy was written and performed. He was the king of all media: print, recordings, movies, television, and the thirteen quintessential HBO Specials that still resonate with fans. Carlin's gift for gab was founded on his ability to understand the human condition and express his politically incorrect views with powerful insights. Carlin's contributions to popular culture have had a salient and lasting impact as a result of their prescience and visionary nature. Along with Lenny Bruce and Richard Pryor, Carlin is considered part of the holy trinity of stand-up comedy. He opened the door to what was possible in stand-up beyond simple joke telling. Jon Stewart, Bill Maher, and Stephen Colbert all owe a little something to their success today from the groundbreaking work of George Carlin. In *Outside Looking In*, Corcelli reveals how Carlin's mother nurtured him as a child performer, his stint in the USAF, his first act with Jack Burns, and how he was able to transition from a clean-cut performer doing the Hippy Dippy Weatherman into the counter-culture satirist with a ponytail.

American Football and the American Way of War Daniel Sukman, 2024-04-10 This book provides the reader with a history on the linkages between American Football and the American Way of War. It provides concise summaries of aspects of tactics, operations, and strategy, as well as international relations theory using football as a metaphor to simplify the concepts. International relations theory and military strategy tend to be complicated subjects often explained with jargon that puts the average reader to sleep. A book about war and foreign policy explained through football analogies and comparisons is designed to liven the topic and explain various military theories, strategies, and concepts. War and football tend to dominate national media. War is often a topic of debate from the highest levels of government to local bars and

coffeehouses. Football is the monolith of sports that blankets sports television and radio throughout the year. This book provides the reader an understanding of how military professionals formulate and execute strategy in an easily understandable manner.

Last Words George Carlin,2009-11-10 This ebook features added multimedia content: an interview with George Carlin's daughter Kelly about life with her dad, and a tribute video with interviews with Susie Essman, Michael Ian Black, Richard Belzer, George Wendt, and Jeffrey Ross, who talk about Carlin's incredible ability to make people laugh. One of the undisputed heavyweight champions of American comedy, with nineteen appearances on the Johnny Carson show, thirteen HBO specials, five Grammys, and a critical Supreme Court battle over censorship under his belt, George Carlin saw it all throughout his extraordinary fifty-year career, and made fun of most of it. *Last Words* is the story of the man behind some of the most seminal comedy of the last half century, blending his signature acerbic humor with never-before-told stories from his own life, including encounters with a Who's Who of 1970s celebrity—from Lenny Bruce to Hugh Hefner—and the origins of some of his most famous standup routines. Carlin's early conflicts, his long struggle with substance abuse, his turbulent relationships with his family, and his triumphs over catastrophic setbacks all fueled the unique comedic worldview he brought to the stage. From the heights of stardom to the low points few knew about, *Last Words* is told with the same razor-

sharp wit and unblinking honesty that made Carlin one of the best-loved comedians in American history
