Michael Burnett Miller

The Skin Game Michael Burnett Miller, 2020-08-18 This book is about racism and colorism in the African American community. It will inform you on how colorism was founded by racism throughout the 17th century with Europeans. It also will show you how we as Black people hold on to traits that were given to us during slavery. This book will get into how so many things we perceive to be good, and even holy started from racism, things such as religion, and the hate and separation we have as descendants of enslaved Africans toward each other. This book is more than just food for thought, but it will dig deep into the very core of your heart and soul. In this book I will convince you that we as a people cannot do anything to help support, and promote ourselves unless we are looked at as nationalist, or a cult, but every other group of people who are white, Chinese, Hispanics, Arabs, or any other group of people can make it a necessity to help their own.

Suspended For Life C. Twiggy Billue, 2014-07-16 "SUSPENDED FOR LIFE" takes an empirical look via real experiences at how Zero Tolerance Policies contained in the schools "Code of Conduct" disregards the rights of the student, especially students with disabilities. These policies are failing students everywhere including my residence of Syracuse New York. Statistically these unfair and biased "Zero Tolerance Policies" have led to very high suspension rates affecting mainly, inner-city students but overwhelmingly target students with IEPs, 504 Accommodations, the "untested but suspected LD student" and the intellectually gifted student. Healthcare, Mental Health and Medical Privacy (HIPPA) now play large roles in school especially in decisions to suspend a student however coupled with a school districts Code of Conduct they have become a crucial aspect for suspension. Once you understand the link between a referral to "In-School-Suspension (ISSwarehousing students) or a referral for Out-of-School Suspension (OSS—push out of students) you will realize that in most cases suspension can lead directly to the prison industrial complex for our young women and men. Stopping this from happening to your student may depend on how well you are prepared to advocate for your child. We must not allow suspension to push out our children because ostensibly it may be ensuring them a life sentence of unemployment, crime, or even death. We say it starts at home with the parents, so if we can better understand our student's rights and the rights we have as parents we can better prepare ourselves to advocate for our student and to hold the school district accountable for the Education of Our Children!

The Polemics of C.L.R. James and Contemporary Black Activism Ornette D. Clennon, 2016-11-23 This book draws on case examples of contemporary black activism in South Manchester and contrasts them with events that surrounded C.L.R. James and his activism between 1935 and 1950. In doing so, the author considers what Brexit, the Labour Party and Theresa May's audit on racism in the UK have in common with the wartime decline of the British Empire, the rise and fall of the trade unions and the Italian invasion of Ethiopia. Clennon dialogues with James' theoretical frameworks around capitalism, neoliberalism and post-colonialism, and uses this creative interplay of ideas to help make sense of contemporary events and issues of social justice from a UK ethnic minority perspective. Using Fanon, Gordon, Marx and Chakrabarty amongst others, the study explores James' take on dialectical materialism and uses this as an ongoing analytical tool throughout the volume with which he weaves an uneasy path between post-colonial and post-Marxist theories. The Polemics of C.L.R. James and Contemporary Black Activism will be of interest to students and scholars across a range of social science disciplines, including sociology, cultural studies, education and black studies.
