The Life of Meaning Bob Abernethy, William Bole, 2007-04-03 PBS's Religion & Ethics NewsWeekly, which Bob Abernethy conceived and anchors, has been described as the best spot on the television landscape to take in the broad view of the spiritual dimension of American life . . . by the Christian Science Monitor. Finally, wrote the San Francisco Chronicle, something intelligent on TV about religion. Now, together with his coauthor William Bole, Abernethy has turned his attention to making a book that asks all the big questions—and elicits the most surprising answers from a who's-who of today's serious religious and spiritual thinkers from across the spectrum of faiths and denominations. In this thoughtful collection, extraordinary people give their personal and private accounts of their own spiritual struggle. Their insights on community, prayer, suffering, religious observance, the choice to live with or without a god, and the meanings that are gleaned from everyday life form an elegant meditation on the desire for something beyond what we can see and measure. More than fifty contributors, including Jimmy Carter, Francis Collins, The Dalai Lama, Robert Franklin, Irving Greenberg, Seyyed Hossein Nasr, Harold Kushner, Anne Lamott, Madeleine L'Engle, Thomas Lynch, Martin Marty, Mark Noll, Rachel Remen, Marilynne Robinson, Barbara Brown Taylor, Studs Terkel, Thich Nhat Hanh, Phyllis Tickle, Desmond Tutu, Jean Vanier, and Marianne Williamson.

Clown Horror 150 I. D. Oro, 2022-01-23 In a parallel universe the Government of the Racist (G. O. P.) Party wins the 2016 Presidential Election by forming the Fascist Coalition with other right-wing parties. President Führer Devil-Eggs fulfils his promise to the United States of America once elected as his "Made America 4 the Fascist Again," arrives. President Führer Devil-Eggs thanks President Vladimir Putin for his help in winning the election by forming the Best Friends Forever Alliance. Officially known as the Molotov-Ribbentrop Pact sequel this new alliance will fight the North Atlantic Treaty Organization (N. A. T. O.) and its newest member China. Alternative facts are now scientific proofs by executive orders. Social Security pensions and Medicare health benefits for senior citizens disappear after an executive order arrives which eliminates the taxes that are collected to fund these programs. The A. C. A. (Affordable Care Act) or Obamacare is eliminated while President Führer Devil-Eggs replaces it with Devilcare Death Panels & Camps. The Devilcare Death Panels & Camps feature free healthcare, free death panels where accountants ration off healthcare to save money, and free concentration camps that use government mandated flu vaccines to eliminate citizens, political enemies, and criminals in the country. A

cast of characters must now deal with their new reality. Irene has always been the supporting character in the school play and she wants to be the star for once. Osvaldo is trying to fool the government to make money for his retirement. Shmuel is a government worker who is trying to serve his country and fulfil the mission of his department. Anthony knows everything even if his family think that he is just going crazy. Riya is stuck in a dead-end job and finds an opportunity to escape her boring life. Courtney welcomes the challenge of a new job opportunity in the Devilcare Death Panels & Camps. Aryanna knows that she must lead the fight against the fascist in her city. Jurnee is a pastor in the End Racism Church who leads her flock in the fight against evil. Naya is a French spy trying to pass information to her country before they catch her. (Word Count 59,116)

Black Hats Patrick Culhane,2009-03-17 Book description to come.

Wes Craven Shannon Blake Skelton,2019-11-29 With a career spanning four decades, Wes Craven (1939–2015) bridged independent exploitation cinema and Hollywood big-budget horror. A pioneer of the modern horror cinema, Craven directed such landmark films as *The Last House on the Left*, *The Hills Have Eyes*, *A Nightmare on Elm Street*, and *Scream*—considered not only classics of the genre, but examples of masterful filmmaking. Producing an impressive oeuvre that mixed intellectual concerns and political ideas, Craven utilized high-tension suspense, devastating visual brutality, and dark humor to evoke a unique brand of fear. Moreover, his films draw attention to the horror of American society—namely racism, classism, and the traumas often associated with family. This collection of twenty-nine interviews—spanning from 1980 until his final interview in 2015—traces Craven’s life and career, from his upbringing in a strict religious family and his

life as an academic to his years toiling in exploitation cinema. The volume also chronicles Craven's ascendancy as an independent director, his work within the studio system, and his eventual triumph in mainstream cinema. Within the interviews gathered here, including three previously unpublished pieces, Craven reflects on failed projects and the challenges of working with studios while offering thoughtful meditations on the dynamics and appeal of horror. Wes Craven: Interviews cements Craven's legacy as a master of horror who left an indelible mark on the genre by forever altering expectations of—and approaches to—the cinema of fear.
