Fidel V. Ramos

Summary of 48 Laws of Power SellWave Audio,2025-09-28 Amoral, cunning, ruthless, and deeply instructive, The 48 Laws of Power is a compelling work that distills 3,000 years of power history into 48 meticulously explained laws. This bold and unflinching volume lays out the laws of power in their rawest form, drawing from the strategies of legendary figures like Machiavelli, Sun Tzu, Carl von Clausewitz, and other notorious tacticians. The 48 Laws of Power offers a fascinating exploration for anyone interested in acquiring, observing, or defending against ultimate control. Whether you seek to gain influence, sharpen your strategic thinking, or understand the forces at play in the pursuit of power, this book provides a roadmap to navigating the complex dynamics of authority and influence.

The Laws of Power IntroBooks Team,2019-12-04 Some of you have probably read Robert Greene's psychological book about how to earn power. Needless to say, we are living during the time when such laws have proven to be ineffective towards gaining a permanent power that won't backfire. The tips and suggestions written in 48 Laws of Power do not necessarily come with how-to-sustain humanity at the same time. From backstabbing to being cunning, the book has over 48 ways to become an annoying member of the community that suck up to the boss all the time. History has shown enough to tell us that while people who do these things rise into power successfully, they are not for long.

The Daily Laws Robert Greene,2023-09-05 A NEW YORK TIMES BESTSELLER From the world's foremost expert on power and strategy comes a daily devotional designed to help you seize your destiny. This is the only authorized paperback edition in the US. Robert Greene, the #1 New York Times bestselling author, has been the consigliere to millions for more than two decades. Now, with entries that are drawn from his five books, plus never-before-published works, The Daily Laws offers a page of refined and concise wisdom for each day of the year, in an easy-to-digest lesson that will only take a few minutes to absorb. Each day features a Daily Law as well—a prescription that readers cannot afford to ignore in the battle of life. Each month centers around a major theme: power, seduction, persuasion, strategy, human nature, toxic people, self-control, mastery, psychology, leadership, adversity, or creativity. Who doesn't want to be more powerful? More in control? The best at what they do? The secret: Read this book every day. "Daily study," Leo Tolstoy wrote in 1884, is "necessary for all people." More than just an introduction for new fans, this book is a Rosetta stone for internalizing the many lessons that fill Greene's books and will reward a lifetime of reading and rereading.
