Dressing the Queen Angela Kelly, 2012 When The Queen appears in public, she is naturally the centre of attention. What lies behind her unflinching sense of style? Here are first-hand accounts of those directly responsible for The Queen's wardrobe. Learn the process of creating the wardrobe for The Queen's Diamond Jubilee, and the many months spent in planning and working to deliver this special, historical year.

The Other Side of the Coin Angela Kelly, 2019-10-29 THE OFFICIAL BOOK, FULLY ENDORSED BY QUEEN ELIZABETH II From Her Majesty's trusted confidant and Dresser Angela Kelly LVO comes a lavishly designed book of never-before-seen photos of The Queen, Her wardrobe and Her jewels and features intimate anecdotes from Angela's 25-year career working closely with Her Majesty. A truly unique keepsake and collectors' item to be treasured. 'For the nearly seven decades of her reign, Her Majesty The Queen has used clothing to create a powerful visual identity that transcends fashion and has made her perhaps the most readily identifiable person on the planet. Angela Kelly, building on the work of the great designers and milliners who have worked with Her Majesty through the years - including couturiers Sir Norman Hartnell, Sir Hardy Amies, and Ian Thomas, and milliners such as Simone Mirman and Freddy Fox - brings her own imagination to bear on an iconic 'uniform' that suggests continuity and tradition, and ensures that the wearer is always the most visible person in a room or a crowd.' -Anna Wintour, Vogue When Angela Kelly and The Queen are together, laughter echoes through the corridors of Buckingham Palace. Angela has worked with The Queen and walked the corridors of the Royal Household for twenty-five years, initially as Her Majesty's Senior Dresser and then latterly as Her Majesty's Personal Advisor, Curator, Wardrobe and In-house Designer. As the first person in history to hold this title, she shares a uniquely close working relationship with The Queen. In *The Other Side of the Coin*, The Queen has personally given Angela her blessing to share their extraordinary bond with the world. Whether it's preparing for a formal occasion or brightening Her Majesty's day with a playful joke, Angela's priority is to serve and support. Sharing never-before-seen photographs - many from Angela's own private collection - and charming anecdotes of their time spent together, this revealing book provides memorable insights into what it's like to work closely with The Queen, to curate her wardrobe and to discover a true and lasting connection along the way. 'The book documents the unique working relationship between Her Majesty The Queen and the woman who has been her Personal Assistant and Senior Dresser for more than two decades: Angela Kelly. It gives a rare insight into the demands of the job of

supporting the Monarch, and we gain privileged insight into a successful working relationship, characterized by humor, creativity, hard work, and a mutual commitment to service and duty. Angela is a talented and inspiring woman, who has captured the highlights of her long career with The Queen for us all to share.’ -Samantha Cohen, Assistant Private Secretary to The Queen (2011-2018)

The Queen: 70 years of Majestic Style Bethan Holt, 2022-04-19 The past 70 years have seen a 25-year-old Princess transform into a nonagenarian monarch who is respected and loved the world over. A woman whose views are never heard, Queen Elizabeth II has deployed fashion as a means to communicate and signal her position to the crowds who gather to see her in public and the millions who watch her television broadcasts: ‘I must be seen to be believed,’ she has said. The Queen’s evolving attitude to dress reflects a visual landscape that began as genteel reportage in mostly black and white and has over the years evolved into today’s technicolour 24/7 news cycle, flashed around the world in seconds and driven by social media. Incredibly, in her 70th year as monarch, the Queen feels as relevant as ever before – and she is, undoubtedly, a style icon. *The Queen: 70 Years of Majestic Style* celebrates the fashion evolution of Elizabeth II in her unprecedented Platinum Jubilee year.

Town & Country The Queen Victoria Murphy, 2021-04-06 “Queen Elizabeth II once said, ‘I have to be seen to be believed.’ Well, here is Her Majesty in all her glory—and in delightful personal detail too. Victoria Murphy has created an invaluable photographic tribute to Britain’s longest serving monarch and to her memorable reign.” —Robert Lacey, historian and biographer After her succession to the throne in 1952, Queen Elizabeth II became respected, celebrated, and beloved around the world. This stunning collection of powerful images illustrates her storied seven-decade reign in all its glory. More than 300 extraordinary photographs, along with insightful commentary by the royal journalist Victoria Murphy, showcase the significant, historic, and intimate moments throughout the Queen’s life, first as a young princess and then as the longest-reigning British monarch. The book covers her war years in service; her marriage to Prince Philip; her coronation—the first to be televised; her extensive official travels around the world; the glittering diplomatic occasions and encounters with world leaders, dignitaries, and celebrities; the pomp and pageantry of ceremonial events; her role as a fashion icon; her relationships with her parents, King George VI and the Queen Mother, and her sister, Princess Margaret; the birth of her son and heir to the throne Prince Charles; family life with her four children, as well as her beloved dogs and horses; and the growing role of her grandson Prince William and his wife, the Duchess of Cambridge, as they supported the Queen in her public duties. Shown here too are the Crown Jewels as well as the Queen’s personal jewelry collection; a look at the royal palaces and residences; and portraits from the stunning royal weddings that have so enchanted the world. On September 8, 2022, the Queen died peacefully at her home in Balmoral, Scotland. She is survived by her four children, eight grandchildren, and twelve great-grandchildren. Upon her death, Prince Charles ascended to the throne as head of state, starting a new era

for the British monarchy. Throughout her rule, with a combination of star power and a profound sense of duty, Queen Elizabeth II steered the British monarchy into the modern era with supreme style and grace. She is truly a queen for all ages and this is the ultimate commemorative book for all royal watchers that captures the triumph and significance of her magnificent reign.

Queen Elizabeth II David Cannadine, 2025-09-12 The life of Queen Elizabeth II, Britain's extraordinary and longest-lived monarch The reign of Queen Elizabeth II was exceptional for many reasons: among them her remarkable longevity, her enduring marriage to Prince Philip, her astonishing success in concealing her opinions on virtually any contentious subject, and the many representations of her in many media, which meant she was the most depicted human being ever to have lived in the entire history of the world. Elizabeth II was a global superstar who met almost any person who mattered, she was Head of the Commonwealth, head of state of such realms as Canada, Australia, and New Zealand, and queen of the United Kingdom. She embodied dutifulness and service and continuity in a rapidly changing world. During the course of her reign, the United Kingdom ceased to be a great power in the world, and evolved into a multi-cultural, multi-faith, multi-ethnic society, and the country in which she died was very different from that in which she had been born. This book offers a concise but authoritative account of her life and reign, set against the background of these extensive and disruptive domestic and international changes.

Queen Elizabeth II: pocket GIANTS Victoria Arbiter, 2016-03-07 At age 25, Elizabeth II became Britain's 40th monarch and vowed to dedicate her life to service and duty on behalf of her country. She is the constitutional monarch of 16 sovereign states, head of the 53 member Commonwealth of Nations, Supreme Governor of the Church of England, and head of the armed forces. Most notably, however, on September 9th, 2015, she became the longest reigning monarch in British history. She has consistently adapted in order to remain relevant, while devotedly upholding the age-old traditions of the monarchy. Although there have only been six British female monarchs, it cannot be argued that some of the most enlightened times in history have occurred during periods of queenship. Elizabeth I led the country through the Golden Age and Victoria ushered in the Industrial Revolution, but it is Elizabeth II who will leave the most illustrious and progressive legacy of all.
