Dan Hamilton

The Warrior's Mage A. C. Fox, 2017-07-26 A ruthless warrior, a curious mage, and an ancient secret that could destroy them both... When Tamas discovers the long-forgotten ruins of the Nystrean Mor—an ancient and powerful civilization—he's certain the incredible find will lead to fame and respect. Instead it leads to the end of a Boa Visk sword, its poison blade biting his throat. Tamas, a scholar mage without the power to defeat the Boa Visk warriors that surround him, is certain he'll die unnoticed in the haunted Tyrasha Forest, where no one will venture to find him. And the secrets he's spent his life trying to uncover will die with him. Until a mysterious swordsman drops from the trees and saves his life... Damen has only two things left in his life: his dragon-forged swords and his personal vendetta against the Boa Visk. The monstrous beings who've subjugated humans all across the continent have taken everything from him, leaving him broken and alone, with nothing to sustain him but the death of any Boa Visk who wander into his forest. But when he sees their captive mage, poisoned and weak, he hasn't the heart to let the man die alone. Compassion is his first mistake. The kiss he shares with Tamas is his second. With emotions he believed long dead flaring back to life, and the foolish mage destroying the walls Damen worked so hard to erect, Damen is certain his next mistake will be his last. But the secrets of the ruins that compel Tamas might be more dangerous than they imagined, more dangerous even than the Boa Visk, who have no intention of allowing them to leave the forest alive... Reader note: contains gay fantasy romance, male male love, and a happily ever after

Glacier's Edge R. A. Salvatore,2022-08-09 From New York Times bestselling author R. A. Salvatore comes the follow-up to Starlight Enclave and thrilling second novel in his newest trilogy, The Way of the Drow, expanding the Forgotten Realms through the adventures of Drizzt, Catti-brie, Jarlaxle, Artemis Entreri, and Zaknefein...and a society of drow unlike one any elf from Menzoberranzan could possibly imagine. There's a lot that Jarlaxle doesn't know: is he the lone survivor of the raid on the slaad fortress, can he even find a way to get out, and beyond his immediate predicament, could he possibly escape the ice caverns and get help for his friends? However, what Jarlaxle does know is that if he plans to come back—if Catti-brie, Entreri, and Zaknefein are to have any hope of surviving—he's going to have to bring back far more firepower. An army of aevendrow seems unlikely, so he must go home and pull together a team with great skill and unimaginable power. But how will he get home? Will such a collection of warriors and mages come to his aid? And even if he manages all that, will it be enough? For Jarlaxle has seen the slaadi's power and their god in a most personal and terrifying way. Trapped in the ice while the world is on fire, Jarlaxle is in a race against time—and burdened with a magical secret—to save a peaceful city and his companions. And he's running out of tricks in his bag of holding...
