The Healthy Soup Cleanse Recipe Book Britt Brandon, 2016 Cleansing, detoxing, weight loss, and more!--Cover.

Spanish recipes for everyday cooking Alfonso López Alonso, More than 100 easy recipes based on Spanish and Mediterranean cuisine for a healthy and diverse diet. This book brings together the best dishes from recetasderechupete.com, one of the most popular recipe blogs in Spanish. This title features: 107 easy recipes with step-by-step instructions; colour photos of every recipe; and lively personal anecdotes. FOREWORD I could tell you that this is a wonderful book. I could also tell you that this book is full of marvelous recipes, illustrated with mouthwatering pictures which

would make you dream of savoring these dishes one day. I could comment on how well explained all the tricks and techniques needed to cook these recipes are. I could do all this and I would not be lying. But instead I rather talk about the author. A guy I liked from the minute I met him. He is full of good vibes, and has always helped me and other gastro bloggers in every way he could. Alfonso is one of those odd people who likes everyone, who does not fit the stereotype of a cautious Galician since he is bold and direct, and on top of everything he is no dummy. I also deeply admire him for creating one of the best blogs in Spain Recetas de Rechupete. You might be thinking that you couldn't care less about all this, and that the personal qualities of the author are not necessary when judging the recipes in a cookbook. This could be true about a conventional cookbook, but never about a blogger's cookbook. The main value in any blog is that it is personal; no one else could have written it. And when it comes to culinary blogs, it is important that they reflect the origins, experiences, tastes, and the obsessions of the person that is driving it. Both Recetas de Rechupete and the book are 100% Alfonso, they ooze earnestness and frankness, simplicity, closeness, but above all, the good food enthusiasm put into it by the author. I would love to have my own Alfonso preparing all these meals for me, enjoying his conversation. But since this is impossible, at least until the electronic author is invented, I will just have to resign myself to having the book in my computer and reverting to it every time I am in the mood for an everyday meal. They Might Be Breakfast Cookies are packed with goodies—raisins, dried apples, dried cranberries, and oats— while Almond Crackle Cookies have just three ingredients. There are dozens of choices for the Christmas cookie swaps, including Little Rascals (German jam sandwich cookies with walnuts), Italian Saucissons (chocolate log cookies studded with dried fruit), and Snowy-Topped Brownie Drops. Bakerita Rachel Connors, 2020-03-24 Amazingly delicious and beautiful gluten-free, grain-free, dairy-free, and refined sugar-free desserts from the popular Bakerita blog Rachel Connors began her blog as a hobby to share baking recipes with friends, but when she started to focus more on gluten-free, paleo, and vegan recipes to make things she could share with her sister, who was following a strict diet due to health concerns, Rachel quickly realized she was onto something. Bakerita surged in popularity as fans flocked to it for delicious and beautifully photographed recipes. Interest in gluten-free, grain-free, dairy-free, and refined sugar-free foods continues to grow in popularity, yet there are remarkably few books available focused just on desserts, and even fewer with recipes that even beginner bakers can make at home. That's where Bakerita comes in, offering recipes for everything from breakfast treats like Lavender-Lemon Raspberry Scones, pies and tarts such as Chocolate Mousse Pie, cakes including Mocha Chip Cheesecake, and updated all-time favorites like chocolate chip cookies, all made without any hard-to-find ingredients.
