Brownbird's Luck Kriss Erickson,2013 In a misty land, long ago, and far away, lived a lovely girl-child of fourteen. Her lineage was as mysterious as the mountain range that loomed over the valley where she lived. Her father grew flax, and her grandmother, The Dark Weaver, wove the linen into beautiful tapestries, some with strange powers. This was their only means of a living. Deila tended the animals on the small farm and helped Gran with the weaving. One night everything changed when a foal was born to the dray horse and by morning was taken from them by an evil creature. A high fantasy epic journey filled with elves, unicorns, and other magical creatures. 38,000 words (approximately 143 pages in paperback form) Rated G

As Green as Paradise Adam Osb Lifshey,Adam Lifshey,2011-11 As Green as Paradise is a lyrical weave of a governor's story, once a conquistador. It is a tale of loves lost and dreams unfulfilled, of characters condemned to forge ahead in a world at once old and new. The avocado carver was once a conquistador. This time, though, he aims to arrive in peace, as a governor, leading his relatives across the sea to a new world where they will found a settlement in a green valley. Yet his hopes for harmony with the indigenous people do not develop as planned. And distant dark forces conspire against him, certain that his relatives share a secret and forbidden heritage. His memories pursue him too, images of a childhood upon a faraway island, and of a dusty peninsula that he will never see again. As Green as Paradise is a lyrical weave of the governor's story, flowing with fables of beauty and solitude. It is a tale of loves lost and dreams unfulfilled, of characters condemned to forge ahead in a world at once old and new: scribes and inquisitioners, soldiers and scholars, storytellers and

warriors, a unicorn hunter and a pirate and a wanderer, a poet and a musician too. And amid story upon story, the governor carves dim codes into the pits of discarded avocados and remembers it all. Lifshey's elegant re-imagination of an aspect of colonial history is so visual and lush. Both beautiful and brilliant, this novel reminds us of how ephemeral international human conquests can be. --Carole Sargent, Director of the Office of Scholarly and Literary Publications, Georgetown University
