I Have Come To Take You Home The Supreme Master Ching Hai, 1995-01-01 How many people have the chance to come in direct contact with the teachings of a truly enlightened living Master? The preciousness of that opportunity is explored in the pages of *I Have Come To Take You Home*. Prepared originally by one practitioner from Supreme Master Ching Hai's lectures, interviews and informal talks, this book began as a collection of personal notes. With the help of many fellow practitioners who transcribed the English lectures and translated many other, themes of Master's teachings began to emerge.

The God Franchise Alan Dawe, 2011-12 The God franchise is a book about God and the universe we live in. It is also a book about YOU - your loves, your triumphs, your good and not-so-good actions, your fears, and your pain. You will uncover truths about who you are and the purpose of your life. In fact, it is a theory of everything!--Back cover.

Word of the Week Sarah Ingmanson, 2015-12-08 As a framework for unlocking your willPower and developed from The willPower Methods Word of the Week, this book encourages you to think about the parts of yourself your energy centers your archetypes. By applying this framework to the Word of the Week, you will bring more deliberate focus to your willPower and to perhaps the disconnect that is keeping you from true mind-body connection and soul alignment with your life purpose. Outward appearances can be deceiving. When your soul knows differently, your body eventually decides it will no longer put up with the abuse this disconnect is creating. When we are misaligned with our purpose, a part of ourselves dies. Enter willPower here. (Yes, that's willPower with a capital P.) ~ Sarah Ingmanson, founder of Stars Locker

Signs of Reincarnation James G. Matlock, 2019-06-15 Signs of Reincarnation provides the first comprehensive look at the belief in reincarnation and the evidence for past lives from historical records, anthropological studies, and contemporary research. Matlock discusses various ways the evidence may be interpreted and shows that although reincarnation entails a rejection of the materialist notion that consciousness is generated by the brain, it does not require the acceptance of any radically new concepts or the abandonment of well-established findings in mainstream psychology or biology. This book offers students, scholars, and anyone interested in the possibility of reincarnation an essential grounding in beliefs, cases, and theory, while opening doors for future research into the extension of consciousness beyond our present lives.

Be Your Own Mentor Anne Bruce, 2008-01-10 The author reaches hundreds of thousands nationwide via her radio show, Anne Bruce, Life Coach, on CNN Radio and thousands of people a year through her speaking engagements. The strategies

and real-world techniques have been tested over the past 17 years in the hundreds of seminars and workshops the author has conducted around the world.

In Resonance Jasmuheen, 2007-08-01 Utilizing the wisdom of the ages, *In Resonance* was written as a timeless manual for both personal self empowerment and self mastery. *In Resonance*, is filled with inspirational information of both experiential research and channelled guidance from Jasmuheen and the Ascended Ones. The predominant focus of this book is on bridging the worlds of science and religion, the realms of the physical and etheric, plus the cultures of the east and west. *In Resonance* offers practical tools utilizing simple and also more complex meditations, specific programming techniques for tuning, mind mastery for reality creation and creating a purposeful and passionate existence. It addresses issues from meditation to telepathy and Universal Laws plus the existence of the Brotherhoods of Light.

The Hidden Agenda David Sneed, Sneed Sharon, 1991 Americans annually spend 26 billion dollars on medical practices that are unproven, unscientific, often dangerous, and considered by some to be an entree into the metaphysical world of the New Age movement. The Sneeds provide specific guidelines to help Christians distinguish between legitimate medical procedures and those which can be physically or spiritually harmful.

EP - Universal Harmonization Program Jasmuheen, 2010-09-07 UNIVERSAL HARMONIZATION Part 3 - Embassy Peace Programs & Projects for the co-creation of unity and permanent peace on earth. The complete EMBASSY OF PEACE manual, by metaphysical author and researcher, Jasmuheen, combines the Luscious Lifestyles Program with its 8 point lifestyle plan for personal health & happiness, plus the Madonna Frequency Planetary Peace Program, and adds the Embassy's interdimensional Universal Harmonization Program. Designed to promote individual and global health and happiness, these programs also promote permanent peace and prepare earth en-mass to enter into higher paradigms. Parts 1, 2, & 3 cover lifestyle practices, world health and hunger issues plus extra-terrestrial realities, and more. This booklet covers Part 3 UNIVERSAL HARMONIZATION PROGRAM with additional data added in 2010.

Pull the Strings of Karma Hengameh Fazeli,2015-01-01 WHAT IS KARMA? Karma simply refers to the Law of Cause and Effect. Abstract terms like Cause and Effect or Action and Reaction, were simply explained by spiritual teachers in ancient days as what you sow, is what you reap; what you plant, you will harvest! This explanation makes the Law of Karma seem to be easy to grasp. Everyone can comprehend the fact that if you sow rice, you will reap rice. If you plant apple, you will harvest apple! However, its application in daily life in detail, the method of its working and its far-reaching consequences are so vast and not that easy to grasp anymore; and even gets more complicated as our knowledge increases. That is why most people take it for granted, or consider it as a mere superstition!

Karma Lena Young,2005-01-01 The sixth book of the series explains the cyclic effect of karmic accumulation. Contrary to what many people may think, karma is not an esoteric term based on mystical Eastern symbolism. Karma represents the most fundamental, ancient, and inviolable Law of the Universe. It is the causal ground for the entire fabric of our reality. Karmic outflows are the cumulative imprints that each action takes to the next action, much like a ping-pong ball bouncing off a wall. Each one of us is the resultant flow of innumerable such imprints that we carry from the past, sometimes from the remote past, into this and other distant lifetimes. Thus, karma naturally leads to reincarnation. This powerful notion is reflected throughout the book in a manner that can be understood by children. The book teaches about the ripple-effect of every action, both good and bad, in hopes of providing a guidance for positive actions for children. All the books in this series, including this one, are written in a melodic and poetic style, with words carefully chosen for children of all ages. Publishers Note: Rhythmically poetic, deeply inspirational, grounded in the present moment---these are just a few traits that the young author Lena brings to this Primordia series of books written for children of all age, including of course our children adults. Through the use of words and a brush, Lena has painted the world from her personal vantage point and in so doing has broken the world down into simple structures and symbols that hopefully can be understood and enjoyed by all. May this book and its companion series bring to you and your family a message of life-changing hope, renewal and inspiration. May it also provide a timeless guide towards attaining natural healing, living and balance.

The Law of Karma Ramaswamy Thanu,2019-11-14 The Law of Karma, invisibly influences actions, events and consequences on human beings, providing the only answer to mysterious events and results taking place in day to day life. It makes or mars one's Destiny. This great principle in Hinduism according to which the life one enjoys or suffers is the result of one's past good or bad deeds early in this life or in previous lives, provides the backbone for living a moral life. Out of the twelve laws, associated with Karma and to live a good life the author has chosen one which has great potential to reform and refine man to the pinnacle of excellence. At the same time it provides man an answer to mysterious events taking place in one's life for good or bad. There is long-term karma, where the person does not even remember the actions he has done for

which he is getting the results (punishment) in the present. This may be in this life or in previous lives. The tentacles of the law discussed in this book are more powerful and justice awarding than that could be expected from any judiciary in the world. The reward, good or bad, puts an end to all further thinking on the subject and prompts the individual to live in peace and work for the welfare of mankind. This law is stated below. As you sow, so shall you reap. This is also known as the Law of Cause and Effect. If what we want is Happiness, Peace, Love, and Friendship Then we should BE Happy, Peaceful, Loving and a True Friend. It, is further explained here. A calf lost in a crowd of a thousand cows will ultimately find out its mother, chase it and join. Similarly good or bad deeds with their cumulative result and impact will chase the doer in the ensuing birth and leave its impact on him, the nature of the result depending on whether the deeds were good or bad. This is a certainty. The author has taken some real life examples in different areas and stages of human activity to illustrate and facilitate understanding of the law. As a man sows, he reaps. The fruit is of the same quality as the action. It provides the major motivation to live a moral life. It is important to know the laws of karma, as we know the laws of nature. When we know and follow these laws we become free. If we violate these laws, we suffer. Just as if we do not respect the laws of nature. God-fearing people afraid of performing wrong actions suffer all the time and others do wrong deeds and yet have no problems. Under such a situation, we blame God for this injustice. But God does not interfere with the laws of karma. He just gives us wisdom and the power to face situations. So what is crucial in every action is knowledge. This book seeks to provide a key to such knowledge through explaining in a simple way in all humility to gain such knowledge to live a happy and useful life for all.
