James Richardson

A Badaga and English Dictionary Paul Hockings, Christiane Pilot-Raichoor, 2023-01-01 The two authors were jointly responsible for the first version of this Badaga Dictionary (Berlin 1992). It is now extensively revised and expanded to two volumes, and - unique for a Dravidian dictionary - it includes some 2000 local place-names. The vocabulary documented here was partly collected by the two authors during long-term fieldwork, but otherwise came from records of Badaga folk literature. Although there are several dialects of the language, these have not yet been systematically studied; but dialectal variations are nonetheless recorded wherever they are known. An introductory essay examines the status of the language, while another essay outlines the cultural history of the Badaga people. Many entries here include the bibliographic references to the extensive Nilgiri regional literature, and these will prove invaluable to natural scientists, even those not concerned with the Badaga language. Thousands of entries also include notes on religious or cultural beliefs and practices in the Nilgiri Hills.

Granta 173 Thomas Meaney,2025-11-06 India is familiar ground for Granta, having devoted two classic issues to the country, though much has changed since the last dispatch, published on the cusp of the Modi era. 173 will feature exceptional contemporary fiction and poetry in translation, as well as articles dedicated to the Indian space program; the bloody twilight of the Naxalites in Jharkhand; archaeology wars, Bollywood, jingoism, and national myth-making; the murder of Sikh separatist leader Hardeep Singh Nijjar in British Columbia; the delicate and fraught care for an ailing parent; as well as a historical introduction by the editor that situates contemporary controversies and aesthetic fault lines in perspective. Plus, in-depth interviews with leading writers and historians, alongside work from emerging and established photographers. Contributors will be drawn from across the country, with a focus on vernacular authors as opposed to the elite enclaves of Delhi, Mumbai and Kolkata.
