

King James Only Movement

Jerry C. Jarman

The King James Only Controversy James R. White, 2009-06 Authoritative answers defending the modern translations from those who say the King James is the only true Bible; shows how Bible translation actually works.

The Word Joey Faust, 2011-07-30 This book presents quotes from four centuries of believers in the perfection and infallibility of the King James Bible. It also exposes the vast number of men, drenched in occultism and/or liberalism, that have worked to replace the King James Version.

One Bible Only? Roy E. Beacham, Kevin T. Bauder, Pastors and church members alike are in need of solid, sensitive answers to the ongoing questions they confront in ministry regarding the KJV and the veracity of modern translations of the Bible. This honest examination of the King James Only position offers a balanced and scholarly presentation of the issues based on the biblical and historical evidence.

The Word Joey Faust, 2011-01-08 This book takes you on a journey through the past four centuries to behold the vast number of Christians that believed the King James Bible is the infallible, inspired, and preserved Word of God. Many of these Christians also warned future generations of the terrible consequences that would arise as a result of forsaking this Holy Bible - consequences that our age has seen come to pass. This book also exposes a web of occultists and false teachers - outside, as well as inside, Christian churches - that have worked to overthrow the faith of multitudes in the King James Bible: Faust has done an unbelievable amount of digging and research to find these quotations. Christians will be using the quotations he discovered throughout the 21st century. You will not find any other book that will better help you defend the fact that those who believe that the KJB is God's inspired word are among the MAJORITY throughout history. I don't know of any book I have ever read that so blessed, encouraged and brought such rejoicing to my soul. If you love your Holy Bible, it will bless you immeasurably. This is THE book to settle the inspiration debate. (Gail Riplinger, Author of New Age Bible Versions) This book also examines the men behind the American Standard Version (1901), and documents their higher criticism and unbelief. The ASV has been called the standard of most modern versions. This book also exposes some of the most infamous followers of Lucifer, as they worked to replace the Authorized Version using propaganda and humanistic education. This book documents a fierce battle that has raged for 400 years! A host of faithful Christians have boldly contended for the infallibility of the AV against an army of Unitarians, Campbellites, Spiritists, Roman Catholics, Rationalists,

Higher Critics, Liberals and New-Agers - all united to shake the faith of millions in that Blessed Old Book! These adversaries have not been able to quench the fire. The Word of God is not bound. Pastor Faust, just wanted to thank you for your book 'The Word: God Will Keep It'. The quotations are INCREDIBLE and I've never seen anything like it. It is exactly what you meant for it to be: a real faith booster. Thanks for all that labor. I can't imagine how much work it really was. This is what King James Bible believers really needed. I had no idea how strong and popular this was back in the 1700s and 1800s. How foolish to think it a movement started by Ruckman. I read quotes in your book demonstrating 'Ruckmanites' over 100 years before Ruckman!... (Nathan Ham) 'The Word: God Will Keep It' is the only book I have come across that traces the history of the Satanic plot that attempts to discredit and replace the KJV. In fact, 'The Word: God Will Keep It' is the most dynamic book I have read that deals with the KJV controversy. This book will fortify the understanding the believer who loves and understands God and His Word and the ability of God to do all things, including the power to preserve His Word in English. Pastor Faust's arguments and reasoning are supported by facts and quotes with relevant Bible verses and comments interspersed, all building into a mighty crescendo whose peak is an explanation of the Jericho scholars who 'shipwreck the faith of Christians in the infallibility of the Bible'. (Jerald Finney, Attorney and Author)

Encyclopedia of Religious Controversies in the United States George H. Shriver,Bill Leonard,Bill J. Leonard,1997 Leading scholars present entries on selected controversies and controversial individuals in American religious life from the colonial period to the present. Key figures, themes, terms, institutions and groups, books, and relevant secular topics that have contributed to religious controversy are included. This ambitious volume includes bibliographies for each entry which direct the reader to additional resources for further study. From Ralph David Abernathy to Zionism, this work will prove to be an essential reference tool for scholars, students, and anyone interested in religious issues. Controversy has been interwoven with religion throughout history. In an attempt to bring a sense of understanding to the causes and types of conflicts in American religious history, top scholars from different religious traditions have selected the key events and people that have shaped our religious heritage. With more than 1,700 religious bodies in the United States, the potential for conflicts and controversy is enormous. This work is the first attempt to bring all of these elements together in one easy-to-use reference.

The Theology of the King James Only Movement Jerry C. Jarman,2004 The stated concerns of most adherents to a King James version only position have little to do with scientific techniques or translational or text-critical techniques in the abstract. Rather, the question is purely one of theology. In the thinking of KJVO adherents, those who disagree with the KJVO position are not merely mistaken, but are unbelievers at worst and believers in dire need of repentance at best. However, a careful examination of the written content by and about the KJVO movement will reveal that the movement is deeply stained with doctrinal error, with un-Christian ethics, and with what can only be construed as intentional deception by its leaders.

Standing Without Apology Daniel L. Turner,1997 Standing Without Apology is the history of Bob Jones University, pointing out the school's roots in American fundamentalism and documenting its growth to leadership within that movement. The book details how the school has dealt with major movements and challenges with religious movements such as liberalism and the New Evangelicalism, with cultural questions such as the relationship of Christianity to the arts, and with political matters such as freedom of religion and the Civil Rights movement. In all of these cases, the University has endeavored to stand in a manner that reflects the teachings of the authoritative Word of God. - Back cover.

Should We Read ONLY the King James Bible Sonya Carlson,Dan Carlson,2019-09-27 There are people today who tell us we should ONLY read the King James Version of the Bible. They say it is the ONLY version in which God has preserved His Word, perfect, without error, with no scribal mistakes or translator imperfections. They tell us modern Bible versions are trying to do away with the divinity of Christ. But is any of this actually true?In this book Should We Read ONLY the King James Bible Pastor Dan Carlson and his wife Sonya delve into this subject with fact, tact and humor. Together they reveal the heart of God on this matter, explaining the real reason the King James Bible was published, and why modern Bible translations are written. Once the truth is known and the giggles subside, you will understand who is TRULY behind the King James ONLY movement.
