

Libro El Contrato Moral Del Profesorado Pdf

Patricio Carreño Rojas, Universitat de Barcelona. Departament de Teoria i Història de l'Educació

Educación en Valores, Educación Intercultural y Formación para la Convivencia José Manuel Touriñán

López, 2008-08 Educación en valores, educación intercultural y formación para la convivencia pacífica son tres conceptos que condensan la encrucijada de la educación en las sociedades abiertas, pluralistas y complejas. La educación intercultural prepara para la convivencia pacífica, porque aquella nos lleva al reconocimiento y aceptación del otro. Además la comunicación intercultural es un ejercicio de elección de valores. Y dado que los valores son cognoscibles y estimables, son enseñables y son elegibles y realizables, la educación en valores y la educación intercultural se convierten en objetivos de la formación para la convivencia pacífica. La formación para la convivencia pacífica es un ejercicio de educación en valores, tiene sentido interdisciplinar, afecta de manera compartida a familia, escuela y sociedad civil y coloca a los profesionales de la educación y al Estado en un nuevo reto de arquitectura curricular ante la condición de experto en educación en valores y la real oportunidad de asistir a centros pedagógicamente programados. El objetivo es ejercitarse en el uso y construcción de experiencia axiológica sobre la identidad y la diferencia, para construirse a uno mismo y reconocerse con el otro en un entorno cultural diverso de interacción.

El contrato moral del profesorado Miquel Martínez Martín, México Secretaría de Educación Pública Subsecretaría de Educación Básica y Normal Dirección General de Materiales y Métodos Educativos, Secretaría de Educación Pública, 2000

La gestión del aula Pedro Ma Uruñuela, 2019-04-01 Este libro refuerza la formación docente en aspectos muchas veces olvidados, y descubiertos en la práctica diaria. Partiendo de situaciones reales, vividas cotidianamente en las aulas, cada capítulo contribuye a reforzar la satisfacción y bienestar personal y profesional de quienes se dedican a esta tarea de la educación. ¿Cómo? • Descubriendo que el clima de aula no viene dado, y que debe ser construido por parte del alumnado y del profesorado. • Comprobando el papel clave y fundamental de las relaciones interpersonales en el proceso de enseñanza-aprendizaje. • Teniendo en cuenta la importancia de normas inclusivas y participativas. • Experimentando la fuerza y presencia de las emociones y todo aquello que condiciona la motivación del alumnado. Esto y mucho más es lo que me hubiera gustado saber cuando empecé a dar clase. Se trata de factores que explican el origen de muchas de las dificultades que hoy día tiene el profesorado. El libro ofrece actividades y prácticas concretas para poder llevar a cabo la labor educativa a través de una buena gestión del aula. Un recurso imprescindible para todas aquellas personas que trabajan cada día en las

aulas de las escuelas e institutos, o se están preparando para ello. Líderes escolares, gestores de la educación, orientadores y orientadoras, docentes de cualquier etapa encontrarán en este libro una guía básica y esencial de todo lo que necesitan saber para dar clase.

El profesor como formador moral José Penalva Buitrago, 2006 Dice O. González de Cardedal en el prólogo de esta obra que «ser profesor es una bella profesión y ser educador es un sagrado quehacer. También hoy; especialmente hoy. Este libro es rigurosa y crítica invitación a asumir con gozo tan bella profesión y a cumplir con garbo tan sagrado quehacer». Sin embargo, el profesor es hoy en día -afirma J. Penalva- el elemento más débil del sistema educativo. Se encuentra en una posición de subordinación ante los alumnos, los padres, la organización escolar, la burocracia administrativa y la injerencia política. Esto implica, en primer lugar, que el profesorado ha sido despojado de la protección jurídica y del reconocimiento social, elementos imprescindibles para cualquier ejercicio profesional. Es evidente que la situación de debilidad del profesorado tiene que ver -en segundo término- con su ejercicio profesional. Es el estatuto profesional del profesor el que se ha deteriorado, repercutiendo en la debilidad. Pero la tesis de la que parte este libro difiere de la interpretación habitual. Aquí se defiende que el aspecto básico del deterioro del papel del maestro en el proceso de enseñanza tiene que ver con el déficit antropológico y ético de la teoría de la enseñanza vigente en nuestro sistema educativo.

El Contrato Moral, 1996

El contrato moral Pedro Francés Gómez, 1998

Ética profesional de los profesores Emilio Martínez Navarro, 2010 Los maestros y profesores que ejercen sus funciones desde la etapa infantil hasta la universitaria se encuentran a menudo éticamente desorientados. Especialmente en una época como la nuestra, caracterizada por el pluralismo ideológico, por el multiculturalismo en las aulas y por el acceso globalizado a la información. La ética de los profesores ya no puede limitarse, como en épocas anteriores, a la observación de unos principios generales y a la práctica de ciertas virtudes basadas en las convicciones personales de cada cual. Se precisa ahora una Ética Profesional de los Profesores que ayude a mantener la moral alta mediante propuestas de reflexión personal y grupal en torno a las relaciones que mantienen todos los afectados por la labor docente (el propio profesor, los alumnos, los directivos de los centros educativos, los padres, los inspectores, etc.). Emilio Martínez Navarro es profesor titular de Filosofía Moral y Política en la Universidad de Murcia. Fue profesor de Filosofía en centros de Bachillerato desde 1982 a 1997. Se doctoró en 1994 en la Universidad de Murcia con una tesis sobre el pensamiento ético-político de John Rawls, con la que obtuvo el Premio Extraordinario. Ha sido investigador visitante en diversas universidades norteamericanas y profesor invitado en numerosas universidades españolas e iberoamericanas. Entre sus publicaciones destacan: Ética (1996, con Adela Cortina), Solidaridad liberal: la propuesta de John Rawls (1999), Ética para el desarrollo de los pueblos (2000) y Ética y fe cristiana en un mundo plural (2005). Forma parte del Grupo Interuniversitario de Investigación sobre Éticas Aplicadas y

Democracia que se conoce en el ámbito filosófico como Escuela de Valencia.

Personalidad moral y desarrollo de competencias éticas del profesorado para educar en valores Patricio Carreño Rojas, Universitat de Barcelona. Departament de Teoria i Història de l'Educació, 2014 El estudio de investigación se circunscribe en la formación ética del profesorado. Se pretende indagar en aquellos aspectos que, en términos éticos, movilizan las decisiones y acciones de los docentes, particularmente en contexto de experiencias de controversias morales que han vivido los docentes en sus prácticas profesionales, lo que posibilita reconocer algunas dimensiones de la personalidad moral y los valores que el profesor estima, y de este modo fundamentan el modo de comprender y poner en práctica la educación en valores. La investigación presenta tres temáticas esenciales. En primer lugar se plantea el recorrido de la axiología, y desde allí, establecemos nuestro posicionamiento frente a los valores desde un enfoque relacional, para comprender no sólo la realidad de los valores, sino sobre todo su sentido. Un segundo tema está referido a una comprensión de la personalidad moral del profesorado en clave de construcción, en donde entendemos la personalidad como meta, como realidad humana dada pero al mismo tiempo por hacer; como una realidad que integra de manera dinámica su pasado, presente y futuro. Un tercer tema se refiere a las competencias e identidad moral y narrativa del profesorado. La literatura sobre las competencias profesionales destaca que el docente debe ser un experto en saber hacer y actuar frente a situaciones complejas que vive a diario, pero creemos que este enfoque olvida que una de las tareas del docente es también saber cómo ser y actuar, con los recursos que posee para educar en valores. En términos metodológicos, presentamos el marco metodológico de la investigación a través del método biográfico-narrativo, cuyo trabajo de campo ha sido la construcción de entrevistas y relatos biográficos de un grupo de profesores provenientes de diversas escuelas. Se desarrolla un trabajo de construcción de relatos de experiencias personales y profesionales vividas por los docentes, y desde aquí, se desarrolla un análisis desde un enfoque ético-pedagógico. Esta investigación se inscribe en la preocupación por ofrecer al profesorado algunas pistas de reflexión y acción para el fortalecimiento de su vocación docente, desde una construcción de la identidad moral en que pueda comprenderse a sí mismo como un sujeto ético llamado a ser un educador en valores en la escuela.

Libro El Contrato Moral Del Profesorado Pdf Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible

anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Libro El Contrato Moral Del Profesorado Pdf PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and

empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and

manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Libro El Contrato Moral Del Profesorado Pdf PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Libro El Contrato Moral Del Profesorado Pdf free PDF books and manuals for download has

revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Libro El Contrato Moral Del Profesorado Pdf Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and

public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Libro El Contrato Moral Del Profesorado Pdf is one of the best book in our library for free trial. We provide copy of Libro El Contrato Moral Del Profesorado Pdf in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Libro El Contrato Moral Del Profesorado Pdf. Where to download Libro El Contrato Moral Del Profesorado Pdf online for free? Are you looking for Libro El

Contrato Moral Del Profesorado Pdf PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Libro El Contrato Moral Del Profesorado Pdf. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Libro El Contrato Moral Del Profesorado Pdf are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of

these that have literally hundreds of thousands of different products categories represented.
