

Love Is Like A Butterfly Quote

Lynn D. Morrissey

Lyricism Of A Butterfly's Bluze Cherice Rush-Harris,2010-11-16 *Lyricism A Butterlfy's Bluze* is poetic prose that encompasses the blossoming spirit of a woman in her early thirties experiencing variating experiences in love, life and personal growth.

Love Letters to God Lynn D. Morrissey,2010-07-07 Women yearn to share their experiences with the Lover of their souls in a way that is honest and simple, yet deeply satisfying. The key to this intimate self-expression is prayer-journaling. By pouring her heart out on paper to God, a woman can enjoy God's loving presence, explore her purpose and passion, appreciate life's beauty and answer its perplexities, experience spiritual transformation, and leave a permanent record of God's faithfulness in her life. *Love Letters to God* is a woman's invitation to take a personal pilgrimage through her own 'sacred writings' to the very heart of God. **DISCOVER THE WAY TO GOD'S HEART** Your holding an invitation in your hands—an invitation to take a personal pilgrimage through your own 'sacred writings' to the very heart of God. If you're intimidated by praying aloud or easily distracted during your devotional time, pouring your heart out on paper will give you the privacy and intimacy you need. Inspired by these beautifully written reflections, you'll find the most fulfilling way to enjoy God's loving presence, explore your purpose and passion, and leave a permanent record of His love and faithfulness in your life. Find freedom, healing, hope, and security as you share your deepest longings with the lover of your soul. *Story Behind the Book Writing one's prayers in a journal (unlike verbal or silent prayers) provides an actual safe place to grow spiritually and to enjoy and enhance a personal relationship with God. Verbal prayers are soon forgotten, but our love letters to God become a permanent place for exploring our hearts, a tangible testimony of God's love and faithfulness in our lives, and a detailed document of our spiritual journeys. We can literally see the progression of changes in our lives as expressed on the pages of our soul, our prayer journals, and we can see God's answers to our prayers recorded there. Like the psalmists, many people have discovered that writing is the key to intimate self-expression, providing a deep, emotional catharsis that is often missing from their verbal or silent prayers.*

Spiritcarvers Antonella Sarti,2022-06-08 In a land caught between the sea and cloud, where the natural landscape still refuses civilization, there are those; the composers of words, tellers of tales, that help shape the minds of the people that live on its shores. They are spiritcarvers. New Zealand writing today is engaging in an intent struggle to subvert multiple shapes into voices. These interviews, as a record of biographical orature, are shaped into presenting the figure of the storyteller through memory and language; explorations of how we imagine and create ourselves with and into words. Here we encounter the dichotomy of fiction and non-fiction, myth and consensual reality, imagination and truth: do we live within our own selected fictions? Identity is shaped by the authors' sense of displacement as well as of belonging - meeting otherness

with dispossession, discovering connection through isolation. Among the focal points of the interviews are the role of women's writing, Maori writing, interrelations among different cultures, and the influence of literary and oral tradition within New Zealand.
