Writers on... Love (A Book of Quotes, Poems and Literary Reflections) Amelia Carruthers, 2016-09-13 'Writers on... Love' is a wonderful collection of romantic quotes, love poems and love letters – from the world's greatest authors. It includes extracts, from secret letters to romance stories and famous love sayings, and contains some of history's most enduring meditations on the subject. Vacillating between all-consuming passions and rational, cynical, even comical analyses, this collection offers an intriguing overview of that most human of emotions - Love. The 'Writers on...' series is a collection of extracts, anecdotes and occasional philosophical musings from the world's most well known authors. This book of quotes, inspirational poems, letters, and quips, celebrates writers who have an individual, creative outlook on the world; on subjects from 'drink' to 'death', and 'love' to 'libraries'. Starting with ancient civilisations and moving towards the present day, this anthology of intellectual, inspirational and often funny quotes, provides a fascinating insight into a vast array of topics.

Choosing Love Ruth Teakle, 2021-03-31 Choosing Love is an invitation to explore the narratives of some biblical characters and some ordinary women who have been transformed by God's unfailing love. The testimonies are unique, genuine, and vulnerable, demonstrating a divine, sacrificial, limitless love. You will be both summoned and inspired to draw closer to God, grow in this fruit of the Spirit, and develop a passion to receive His love and express it to others. Choosing Love includes small group helps and will make a valuable addition to both church and personal libraries. If you haven't read and studied God's Word, you're missing out on the greatest book ever written. In its pages you will meet some of the greatest heroes of all time, such as Paul, John, James, and the most important person of all, the Son of God Himself, Jesus Christ. The wisdom recorded in God's Word will carry you through every encounter in life and give you strength to get through any day. Even though it was written thousands of years ago, it has applications for your life that are extremely relevant right now. You won't just learn how to come to a saving faith in the Lord Jesus Christ, but also how to live a fulfilled life that could only come from the Creator of the universe. This book will come alive before your very eyes! In more than thirty years of study, I've found practical answers to every encounter life has thrown my way. If you don't know Jesus as your Lord and Savior, my hope is that this book will lead you in His direction. If you do believe, my prayer is that you'll come to see that Christianity is about more than attending church on Sunday?and that you'll find the joy that is made complete in the Word of God.
