The Collected Works of Chögyam Trungpa: Crazy wisdom ; Illusion's game : the life and teachings of Naropa ; The life of Marpa the translator (excerpts) ; The rain of wisdom (excerpts) Chögyam Trungpa, 2003 The Collected Works of Chögyam Trungpa brings together in ten volumes the writings of the first and most influential and inspirational Tibetan teachers to present Buddhism in the West. Organized by theme, the collection includes full-length books as well as articles, seminar transcripts, poems, plays, and interviews, many of which have never before been available in book form. From memoirs of his escape from Chinese-occupied Tibet to insightful discussions of psychology, mind, and meditation; from original verse and calligraphy to the esoteric lore of tantric Buddhism-the impressive range of Trungpa's vision, talents, and teachings is showcased in this landmark series. Volume Three captures the distinctive voice that Chögyam Trungpa developed in North America in the 1970s and reflects the preoccupations among Western students of that era. It includes Cutting Through

Spiritual Materialism and The Myth of Freedom, the two books that put Chögyam Trungpa on the map of the American spiritual scene. The Heart of the Buddha and sixteen articles and forewords complete this volume.

*Stone Lands* Fiona Robertson,2025-12-02 An enchanting and beautifully illustrated memoir of grief, hope, and love, alongside the joy of exploring ancient landscapes, which uncovers the wonder of Britain's ancient megaliths. Journeying across Britain, from West Penwith and Avebury to the Lake District and Orkney, Stone Lands uncovers the magic and rich history of Britain's incredible prehistoric standing stones. It conveys the delight that lies in tracking them down, as well as the solace these ancient places offer in times of darkness. A few months after discovering that her beloved husband, Stephen, had incurable cancer, Fiona Robertson began to write this book. A long-time megalith enthusiast, she found the ancient stones resonated with her more profoundly than ever as she faced the prospect of losing him. Set upright thousands of years ago, the megaliths are symbols of endurance and survival, standing in contrast to our ephemeral human lives. Infused with folklore, legend and mystery, these standing stones enchant the landscape and bring magic to our modern world. This enthralling memoir is woven delicately around great grief but is ultimately about embracing life, joy and ancient wonder—a luminous reminder of what it means to exist on this earth.
