A Mommy's Love Myra Hudson,2014-03-21 A Mommys Love encourages mommies to continue being mommies and to challenge mothers to become mommies. It will equip you in becoming an advocate for your child. Most important, do not be ashamed of having a child with a mental illness. It is important to get your children the help they need before they become adults. It may seem that your family and friends, your child's school system, the judicial system, social services, state agency, and other government systems are against you, but just know you are not standing alone as long as you have God by your side. Do not fear anyone when it comes to being an advocate and fighting for your child with a mental illness. Never give up

on your child, no matter how hard it may seem. If your children see that mommy is giving up on them, they will give up on themselves. You as a mommy are all that your children have. If you do not fight for your children, no one else will. Stay strong, dedicated, firm, be a mommy, parent, and advocate for your child!

There Is Life After A Death Rev. Cindy Phillips,2025-05-15 As the title states: “There is LIFE after A DEATH. Learning from and Leaning into Life’s Losses (including weight loss)”. I’m not just talking about life after death when one goes to heaven but about life after A death here on earth. I talk about all different kinds of deaths. This is not just a physical death. There are many other deaths or losses in our lives such as the death of a dream, health, marriage, empty nest, job, youth, finances, weight, divorce and unspeakable deaths just to highlight a few. I share with my readers the deaths I’ve experienced during my life time and how God has taken those experiences and used them for His glory. Each loss I experienced was a brick that formed a foundation for my biggest loss, the death of my husband of almost 45 years. In the chapters I include scriptures, stories to illustrate what we go through and practical applications. At the end of each chapter there will be a TAKEAWAY. This is an unusual book in that it is a conversation with my readers. It’s real life, where the rubber meets the road.
