All Music Guide Vladimir Bogdanov, Chris Woodstra, Stephen Thomas Erlewine, 2001-11 Arranged in sixteen musical categories, provides entries for twenty thousand releases from four thousand artists, and includes a history of each musical genre.

The Birth of Rock & Roll Britannica Educational Publishing, 2012-12-01 When rock and roll first burst onto the scene in the 1950s, it was more than a new form of music—it was a rebellion against the past. With the music of such artists as Elvis Presley, Buddy Holly, Little Richard, and the Supremes came a new attitude that allowed fans—many of them young—to look past the social norms of the time, a shift that included a greater interaction with and understanding between the races. This stunning, story-filled volume examines the phenomenon of rock and roll—the way it was before it crept into the mainstream it had once retaliated against—and the many musicians who made it into an art.

TESTIMONIALS Joan Maguire Books are very nice,

I enjoy reading them so much, they are hard to put down!! Especially when she does one about Bonjovi and their songs!!! If I can say, it is worth every penny, when you buy one!!! The Books make nice presents, for a person whom loves to read!!! I can guarantee that you will LOVE these books, because I do!!!!!!!!!! Dawn from Newark, Delaware in the United States of America The song titles series are books that were intriguing and were hard to believe that these short stories were written within the incorporated song titles of the artists that are mentioned in the titles. I loved what I have read so far and think that anyone with an imagination and love of music as the author you will surely enjoy reading these. L.K. Brisbane Australia. After reading through your range of books I felt I must compliment you Joan on the imaginative and entertaining way in which you presented each group and the Musicians in those groups. The way the stories were constructed is a credit to your work ethic. These must have taken considerable time to piece together and it is obviously a work of love for you. I wish you all the success you truly deserve and look forward to seeing you next time you visit Tamworth. Peter Harkins Managing Director Cheapa Music Country Music Capital Tamworth I am Susie and would like to tell you guys, how much I am enjoying Joan Maguire's Books!! They are very enjoyable, and they are something that you do not ever want to put down!! I really enjoy these books; I can't wait until the next one that she puts out!!!!!!
