Interventions Creative

Creative Interventions Workbook Interventions Creative,2022-09-27 The Creative Interventions Workbook features useful and effective tools and exercises aimed for survivors of interpersonal violence, friends/family who want to help, and people who caused harm. This companion text to the Creative Interventions Toolkit, also published by AK Press, provides grounded, hands-on lessons to help readers confront and end interpersonal violence of all sorts—sexual, domestic, family, and more. Together they form the feminist bedrock texts for the emerging framework of transformative justice.

Poetry in the Digital Age Claudia Benthien,Vadim Keylin,Henrik Wehmeier,2025-10-14 As a multifaceted and intermedial phenomenon, poetry in the digital age not only demands a rethinking and expansion of the traditional paradigms of literary studies but also attracts increasing attention from other humanities. This interdisciplinary handbook is thus addressed both to literary scholars and to the broadest academic audience interested in contemporary poetry research. It offers 50 contributions by an international collective of authors that highlight the diversity of contemporary poetry, examining it from a wide variety of complementing theoretical and methodological angles. The handbook focuses on contemporary modes of poetry presentation that are often located beyond the book, e.g., on stages, in public spaces, as multi- as well as transmedia publications, or on digital platforms. Such intermedial poetic practices, which may supplement poetic language with elements borrowed from music, visual art, cinema, or theater and performance, are transforming the forms and functions of poetry. It four parts thus (1) adapt established concepts and parameters of poetry research to the digital age, (2) explore established genres and emerging formats, (3) introduce interdisciplinary perspectives and new research fields, and (4) engage in current debates.

Building Motivational Interviewing Skills David B. Rosengren,2012-09-26 Developing expertise in motivational interviewing (MI) takes practice, which is exactly the point of this engaging, user-friendly workbook. The volume is packed with real-world examples from a range of clinical settings, as well as sample interactions and hands-on learning activities. The author is an experienced MI researcher, clinician, and trainer who facilitates learning with quizzes, experiential exercises, and reproducible worksheets. The reader learns step by step how to practice core MI skills: raising the importance of behavior change, fostering the client's confidence, resolving ambivalence, solidifying commitment to change, and negotiating a change plan. The utility of the book is enhanced by the large-size format and lay-flat binding. The book shows how to navigate each session using microskills that many clinicians already know: open-ended questions, affirmations, reflective listening, and summaries, or OARS for short. This book is in the Applications of Motivational Interviewing series.

The Medical Library Association Guide to Cancer Information Ruti Malis Volk,2007 According to the American Cancer Society, over 10 million Americans have a history of cancer-and the over 100 distinct forms of cancer affect those individuals and their families in very different ways. When patrons come to your library with cancer-related questions, will you be prepared with the best resources for them to consult? Now, the Medical Library Association and Ruti Volk (Manager of the Patient Education Resource Center at the University of Michigan's Comprehensive Cancer Center) have assembled an authoritative guide to the best cancer information resources for all levels of readers. Chapters are devoted to both specific types of cancer-breast, brain, colon, liver, lung, lymphoma, melanoma, childhood cancers, and more-and cancer-related topics-chemotherapy, radiation, herbal supplements, nutrition, fertility, talking with children about cancer, etc. and contain a general introduction to the topic with an overview of the information needs of patients and caregivers. For each type of cancer, the author provides an invaluable annotated list of resources, including pamphlets, brochures, consumer health titles, book chapters, reference sources, videos, CD-ROMs, Web sites, and more, that incorporates both introductory works and more advanced treatments. Additional resources such as cancer patient organizations and online listservs are also featured. Whether utilizing as an aid in cancer-related searches or as a tool for building a consumer health collection, this unique guide will help any public, academic, or medical library better meet the health information needs of their users.
