The Four Light - Suarh Al-mulk Surah As-sajdah Surah Ar-rahman Surah Al-waqi'ah Authenticate Ulama's Organization,2016-10-04 The Qur'an should be recited daily so that in short spaces of time entire recitations are completed. This is something that many are punctual with in Ramadan, however, it is not something that is exclusive to that month. It's blessings transcend to every instance in our lives. To facilitate this, a table has been included at the end of this book which we can use to encourage and remind ourselves of this manner of pleasing Allah Ta'ala. Either we can tick a day when we reach a specific goal of verses/pages each day, or we can insert a number (to represent verses/pages) if our daily timetables are unpredictable or inconstant. In this manner we can still try to read a fixed number of pages per day One should try to aim for a Juz (Parah) a day. If one is trying to create a habit and this is too much, start smaller, e.g. a few pages. With the gradual build up of speed and comfort in reading, one will be able to set this or even higher goals. One should also try and read the Qur'an with a reputable translation at hand so one can reflect upon the meaning of what is recited. This is why the translation has also been included in this publication (and also our other Publications). With this addition we hope that our recitation of the Qur'an will rise above a repetition of unknown words, and progress to giving audience to the Words of Allah Ta'ala, and taking the commands and advices of Allah Ta'ala to heart. The chapters of the Qur'an presented in this book are those which should be recited daily. If one is not able to recite so much comfortably, then one should start with one or even part of one of these Surahs daily. The specific benefits for reciting each of these chapters are mentioned under their separate headings.

The Kingdom of God Asim Khan,2021-12-07 Surah al-Mulk (The Kingdom) invites the reader to look at how the universe moves by God's will, under His perfect control, succinctly captured within its opening verse: Blessed is the One in Whose

Hands rests all Kingdom. And He is Most Capable of everything. The Surah (chapter) challenges the reader to formulate a new concept of the universe and its relationship with its Creator as being like that of a kingdom with respect to a king. The reader is sent on a journey to discover a new sense of perspective on the power of God and the extent of His control over the cosmos and beyond. From this new and enlightened viewpoint, the planet and the present worldly life pales into insignificance when placed before the vastness of the seven heavens and the eternity of the Afterlife.
